Part I – General Information

1. Financial Assistance Scheme for Post-secondary Students (FASP)

1.1 The Financial Assistance Scheme for Post-secondary Students (FASP), which is administered by Student Finance Office (SFO) under the Working Family and Student Financial Assistance Agency (WFSFAA), provides means-tested financial assistance to needy full-time students pursuing locally-accredited, self-financing post-secondary education programmes at the level of associate degree, higher diploma or degree. The scheme aims to provide financial assistance to needy students so that no eligible students will be denied access to post-secondary education because of lack of means. Financial assistance is provided in the form of grant and/or loan. The grant is to cover tuition fees and academic expenses. The loan is for living expenses and is interest-bearing at 1% per annum chargeable from the commencement of the repayment period.

1.2 Applicants will be assessed by both an income test and an asset test to determine the percentage of the maximum grant and loan offered under FASP (see Paragraph 5 below).

2. Eligibility

2.1 You are eligible to apply for FASP in 2021/22 if you:

   (i) are a registered full-time\(^1\) student, aged 30 or below (i.e. born on or after 1 September 1990);

   (ii) are engaged in full-time locally-accredited\(^2\) self-financing post-secondary education programmes at sub-degree (i.e. associate degree or higher diploma) or degree level;

   (iii) have not accepted financial assistance under any other publicly-funded student finance assistance scheme [e.g. the Continuing Education Fund (CEF)] for the programme / course covered by the application in the same academic year; and

   (iv) have the right of abode in the Hong Kong Special Administrative Region (Hong Kong) or have resided or have had your home in Hong Kong continuously for three complete years prior to the commencement of the course*.  

   (Remarks: This does not cover students holding -

   (a) student visas / entry permits;

   (b) visas / entry permits under the Immigration Arrangements for Non-local Graduates; or

   (c) dependant visas / entry permits which were issued to them by the Director of Immigration when they were 18 years old or above.)

   * Applicants without the right of abode in Hong Kong (without the alphabet "A" beneath the Date of Birth field of the Hong Kong Identity Card) should also provide a copy of their entry permits to Hong Kong, e.g. one-way permit / dependant visa, etc., with their applications.

---

\(^1\) For face-to-face teaching programmes, “full-time” study refers to a curriculum of not less than 450 contact hours per year or a minimum of 30 credit points per year (i.e. one credit point equaling 15 contact hours). For non-face-to-face teaching programmes, “full-time” study means a curriculum of not less than 1 350 study hours.

\(^2\) Locally-accredited programmes refer to those included in the Register of Locally-accredited Programmes recognized by the Secretary for Education. For the 2021/22 academic year, only programmes which have been included in the Register on or before 31.12.2021 will be covered by FASP. Please refer to the Course Codium Sheet at the SFO’s website which lists out the programmes covered under FASP and their course codes. Please approach the relevant institutions for more information about the programmes. You may also visit the Information Portal for Accredited Post-secondary Programmes (https://www.cspe.edu.hk/en/ipass/index.html).
2.2 Your eligibility is restricted to only one eligible full-time course in any one academic year. If you have applied for the Tertiary Student Finance Scheme – Publicly-funded Programmes (TSFS) in 2021/22, you must not apply for FASP in the same academic year.

2.3 Full-time students of exclusively University Grants Committee-funded or exclusively publicly-funded places covered by TSFS are not eligible for assistance under FASP.

2.4 If you are eligible to apply for assistance under FASP in the 2021/22 academic year, you may also apply for subsidy under the Student Travel Subsidy (STS) Scheme. Please refer to Appendix II of Part III of the Guidance Notes for details.

2.5 If you are eligible to apply for assistance under the FASP in the 2021/22 academic year, you are also eligible to apply for loan under the Non-means-tested Loan Scheme for Post-secondary Students (NLSPS). The NLSPS provides non-means-tested loan to eligible students to settle their tuition fees payable. The maximum level of loan amount is equal to the tuition fees payable for the academic year. You will be informed of the financial assistance you are entitled under the FASP and NLSPS, if any, simultaneously in the FASP notification of result if you do not apply for NLSPS separately. You may apply for NLSPS separately if you want to obtain the result of NLSPS earlier. For details of the NLSPS, please refer to the following link: (https://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlspsoverview.htm).

Part I – General Information

### How to Apply

#### Simplified Version Application Form for CSSA Family (Simplified Version for CSSA Family)

| Points to Note | You are not required to provide the income and assets information of your family in the Simplified Version for CSSA Family. The SFO will ascertain whether you meet the above criteria for using the form with reference to the data matching results with the Social Welfare Department (SWD) or supporting documents provided by you. If the SFO verifies that you do not meet the criteria for using the form or considers necessary, the SFO will request you to supplement the income and assets information of your family (including re-submitting the Full Version, re-signing the declaration and providing all the supporting documents). Please note that the SFO will assess your application on reliance of the documentary proof provided by you showing you or your family was in receipt of CSSA at the time of the submission of your application or received CSSA throughout the relevant assessment period (“CSSA status”). If it comes to the knowledge of the SFO that you and your family was obtaining / obtained CSSA by misrepresentation or provision of false information or omission of information or withholding any information or deceptive means or that your documentary proof contained inaccurate particulars to show you or your family’s CSSA status, your application may be rejected. You will be required to refund all student financial assistance you have received. You and your family may also be liable to prosecution. |

3.3 **Deadline for Application**

(i) **For continuing students:** Please submit your online application according to the submission deadline announced in SFO’s website. https://www.wfsfia.gov.hk/sfo/en/postsecondary/fasp/application/deadlines.htm

(ii) **For new students:** Please visit the above webpage for details of submission, which will be announced in August 2021.

(For students pursuing newly accredited programmes in the 2021/22 academic year, please submit the applications within one calendar month from the date of programme accreditation. Please approach your institution for enquiry.)

(iii) If you attend an accredited programme that commences between April 2021 and March 2022, except for those students who take distance-learning programmes, you should apply for financial assistance under the 2021/22 academic year. The deadline for application is stipulated above and in any case, applications must reach the SFO **not** later than 31.3.2022.

(iv) Where needed, an applicant may be required to explain why his/her application is not submitted by the stipulated deadline and to seek the support of his/her institution for his/her late application. Under no circumstances should an application in 2021/22 reach the SFO after 31.3.2022.

3.4 If you are bankrupt; and/or have applied for Individual Voluntary Arrangement (IVA); and/or aware that legal proceeding(s) has/have been started (or are pending or being threatened) against your bankruptcy or for the appointment of a receiver, administrator, administrative receiver, trustee or similar officer over any or all of your assets, you are obliged to notify the SFO in writing immediately.

3.5 If you have genuine difficulty in using a computer for submission of online application (e.g. your physical condition does not allow you to operate computer normally), you may seek SFO’s assistance by calling FASP hotline at 2152 9000 during office hours.
4. Points to Note

4.1 It is your responsibility to complete the application form fully and truthfully and submit all the supporting documents. The SFO will rely on the information and documentary proof provided in your application and the application(s) from your sibling(s) under FASP/TSFS, if any, to determine the eligibility and the level of financial assistance to be offered under the Scheme(s). During the course of vetting your current year application, the SFO will, if necessary, make reference to your submitted application form(s) / information of the previous academic year(s) and ask you to clarify or provide additional information / explanation on the application form(s) / information submitted in the / these academic year(s). Any misrepresentation or omission or improperly filling in information in the application form in any one of the said application(s) may lead to rejection and/or full recovery of financial assistance already offered to you and/or your sibling(s) and court proceedings. You may also be requested to provide information beyond the assessment period if the information is considered to be relevant for the purpose of assessing your application.

4.2 If you submit the financial assistance application by using the Simplified Version of Application Form for CSSA family, the SFO will assess your application on reliance of the documentary proof provided by you showing you or your family was in receipt of CSSA at the time of the submission of your application or received CSSA throughout the relevant assessment period (“CSSA status”). If it comes to the knowledge of the SFO that you or your family was obtaining / obtained CSSA by misrepresentation or provision of false information or omission of information or withholding any information or deceptive means or that your documentary proof contained inaccurate particulars to show you or your family’s CSSA status, your application may be rejected. You will be required to refund all student financial assistance you have received. You and your family may also be liable to prosecution.

4.3 You are reminded that it is an offence to obtain property or pecuniary advantage by deception. Any person who does so commits an offence and shall be liable on conviction upon indictment to imprisonment for 10 years under the Theft Ordinance (Chapter 210 of the Laws of Hong Kong). You are also reminded that if any person being required or authorised by law to make any statement on oath for any purpose and being lawfully sworn (otherwise than in a judicial proceeding) willfully makes a statement which is material for that purpose and which he knows to be false or does not believe to be true, he shall be guilty of an offence and shall be liable on conviction upon indictment to imprisonment for 7 years and to a fine under the Crimes Ordinance (Chapter 200 of the Laws of Hong Kong).

4.4 If you fail to report / provide the required information / supporting document(s) in / to the Application Form at the time of submitting your application, and the information / supporting document(s) is only reported / provided upon the SFO’s enquiry, this would be treated as a misrepresentation and/or omission in the application. Therefore, you have the responsibility to complete the Application Form in full details and submit all supporting documents. If there is misrepresentation or omission in the application, the SFO has the authority to reject your application.

4.5 Please note that in the event of overpayment due to erroneous calculation or assessment, you are required to refund the overpaid amount (including amounts that may have been overpaid in previous academic years) and, if necessary, forfeit the amount that may be payable.

4.6 Please check the personal data and course data contained in the acknowledgement of receipt and the notification of result which will be issued to you upon receipt of your application and upon completion of the assessment of your application respectively. Should there be any discrepancies in the institution/ programme of study, tuition fees paid/payable in the 2021/22 academic year, correspondence address or the bank account number to which the financial assistance is to be credited, you should download the forms FASP/C/1A (applicable for change of Personal Data) or FASP/C/1B (applicable for change of Institutions/ Course Data) from the SFO’s webpage and notify the SFO immediately. Late notification will result in unnecessary delay in processing your application and payment of financial assistance.
4.7 Should there be any changes in your study status (such as change in expected graduation date, withdrawal of study, continuing study after completion of the programme which has been granted the loan, etc.) after you have drawn down your loan(s), you should immediately notify the SFO by submitting the duly completed “Notification of Change of Study Status” form [SFO303_E]. Timely provision of updated information is important as it may affect the activation date of your loan repayment.

4.8 As a measure to verify the truthfulness and completeness of the information supplied, the SFO has a mechanism to counter-check successful applications, which may be in the form of home visits, bank search or other means. During these counter-checks, the SFO staff may need to seek clarifications / additional information on the information already provided. They may also examine the originals of all the supporting documents, including those for applications submitted in previous academic years. Applicants and their family members are requested to keep all related application documents submitted in current and previous academic years and to cooperate with our staff. Intentional obstruction to our staff in the course of their verification, concealment of information or failure to provide the information/clarification as required may lead to full recovery of the financial assistance already awarded and even court proceedings. If, after completion of the counter-checking exercise, the applicants and their family members are found to have seriously omitted / understated their family income and/or assets, the SFO will issue warning letters to the applicants and/or demand the applicants to partially / fully refund the financial assistance already awarded to them. Depending on the gravity of omission, the SFO may institute court proceedings against the applicants and their family members.

4.9 Please note that during the course of vetting / counter-checking / reviewing your application(s) (including this and previous academic years), the SFO may immediately withhold the payment of assistance if irregularity is suspected or omitted information is spotted. Payment of assistance would only resume after the vetting / counter-checking / reviewing procedures have completed and all irregularities / omitted information have been clarified / rectified.

4.10 If you have any arrears of grant and/or loan and/or subsidy under any financial assistance / loan schemes administered by the SFO, your application for financial assistance / loan will be considered by the SFO on individual merits.

4.11 Any overpayment of financial assistance (including grant and/or loan and/or subsidy administered and disbursed by the SFO) made to you shall be refunded immediately upon demand.
5. Level and Calculation of Financial Assistance

5.1 The maximum level of assistance under FASP is made up of the following components:

   (i) tuition fees grant at annual tuition fees payable subject to a ceiling;
   (ii) academic expenses grant; and
   (iii) loan for living expenses.

   Updated information will be announced on SFO’s website in due course.

5.2 The ceilings will be reviewed annually.

5.3 Your eligibility for financial assistance depends on the financial position of your family. Your level of assistance will be determined by a two-tier means test, details are as follows-

   (i) First, compare your Adjusted Family Income (AFI)\(^3\) against the “Ready Reckoner” to get the first percentage of grant and loan, then apply this percentage to calculate (a) the tuition fees grant; (b) academic expenses grant; and (c) living expenses loan.

   (ii) Second, compare the Net Asset Value of your family against the “Sliding Scale of Asset Value for Discounting Financial Assistance” to get the discount factor of grant and loan, then adjust the level of grant and loan calculated under paragraph 5.3(i) by the discount factor to get your final level of grant and loan.

5.4 The Ready Reckoner under the AFI formula and the Sliding Scale of Asset Value for Discounting Financial Assistance for 2021/22 are at Appendix III and Appendix IV of Part III of the Guidance Notes respectively. If you would like to have a rough idea of your level of assistance, you may try the Calculator provided in the SFO’s webpage (https://www.wfsfaa.gov.hk/sfo/en/postsecondary/fasp/general/assistance.htm).

---

\(^3\) “Adjusted Family Income” (AFI): (Total family annual income – deductible medical expenses) ÷ (number of family members + 1). For single-parent families of 2 to 3 members, the “plus 1 factor” in the divisor of the AFI formula will be increased to 2.
Please see the following examples for the illustrations of calculation:

5.5 The “Net Asset Value per Family Member” is the net value of the fixed assets and liquid assets possessed by you and your parents / spouse (if you are married) divided by the actual number of family members. You need to declare the family’s assets and their value as at 31.3.2021 in the application form. Debts of family members cannot be deducted from the total value of family assets.

5.6 The SFO will make an assessment of your family income and assets and the number of family members based on the information reported in your FASP application form and other information reported by your sibling(s), if any, under FASP and/or TSFS before determining your eligibility for and level of financial assistance. The SFO will normally accept reported information which is supported by documentary proof. If proper documentary proof cannot be provided or the documents provided cannot substantiate the reported income / asset information of the family concerned (e.g. claim for prolonged unemployment is not substantiated or only self-written statement of income is provided), the SFO may need to make adjustments and apply benchmark figures based on the statistical information provided by the relevant government departments, such as the Census and Statistics Department, the Rating and Valuation Department and the Transport Department, etc. to assess the income and/or net value of the assets held by the family members concerned. The SFO may apply projected figures in the assessment of family income if necessary.

5.7 If necessary, arrangements will be made for you and your father or mother to come to the SFO for an interview. You will be required to bring to the interview for our examination all the originals of the supporting documents, such as all bankbooks and receipts for medical expenses. Before the interview, you and/or your father or mother will be required to make a declaration at the SFO in accordance with the Oaths and Declarations Ordinance (Chapter 11 of the Laws of Hong Kong) to declare that the information given in the application is true and complete. During interview, the SFO staff may need to seek clarifications / additional information on the information already provided.

4 For single-parent families of 2 to 3 members, the “plus 1 factor” in the divisor of the AFI formula will be increased to 2.
6. Notification of Result, Payment Arrangements / Recovery, Undertaking of Loan

6.1 In general, if the information you provided when you submitted your application is complete, you will be notified of the FASP result within about two months from the date of the SFO’s acknowledging receipt of your application. However, the processing time will vary, depending on the particular circumstances of individual applications. Some examples leading to prolonged processing time are provided below:

(i) If the information provided is incomplete or inconsistent, the SFO will require you to give an explanation for the discrepancy or provide supplementary information;

(ii) If your or your sibling’s previous application(s) under FASP/TSFS has/have been selected for authentication (including home visits, bank searches or other means), the processing of your current year’s application will be withheld pending the outcome of the authentication;

(iii) If the SFO has to seek additional information from your institution (e.g. the actual amount of tuition fees payable for repeaters).

The SFO will issue the first batch of notifications of result around mid-July 2021.

6.2 You should check the information printed on the notification of result including but not limited to your personal particulars, institution, course of study, tuition fee payable and your bank account number. Should there be any discrepancies, you should immediately notify the SFO by Forms FASP/C/1A (applicable for change of Personal Data) or FASP/C/1B (applicable for change of Institutions / Course Data), which can be downloaded from SFO’s Homepage.

6.3 The amount of grant offered under FASP, if any, is the result of multiplying the percentage of assistance based on the vetting result to the maximum amount of grant (i.e. comprising the tuition fees payable and academic expenses grant) as described in paragraph 5.1 above. Unless you notify the SFO in writing that you do NOT wish to accept it, the grant, if any, will be credited to your designated bank account by autopay. For acceptance of the loan offer, please refer to paragraphs 6.9 to 6.13 below.

6.4 Payment of financial assistance is subject to your being or becoming a registered full-time student and taking up a full-time locally-accredited self-financing post-secondary education programme in the 2021/22 academic year (please refer to paragraph 2.1 above). The grant offered and/or the loan accepted will normally be paid in 2 equal instalments.

<tr>

After February 2022, depending on the issuance date of notification of result and the date of submitting the whole set of loan documents, the financial assistance may be credited to your designated bank account in one single instalment.</td>
</tr>
</tbody>
</table>
6.5 If you and/or your Indemnifier have/have any arrears of grant and/or loan and/or subsidy under any financial assistance / loan schemes administered by the SFO, the SFO reserves the right to withhold the payment of financial assistance to you and set-off the overpaid amount from the financial assistance (including grant and/or loan and/or subsidy administered and disbursed by the SFO) to which you are entitled to in the year. The balance of the financial assistance after such set-off, if any, will be released to you. In addition or as an alternative, the SFO shall require you to refund the overpaid amount immediately upon the request of the SFO.

6.6 The grant and/or the accepted loan will be credited to your designated bank account. You must also be the sole holder of the account. Only a Hong Kong dollar savings or current account is accepted for payment purposes.

6.6.1 You are required to provide a valid bank account solely owned by you in your application, together with the photocopy of the first page of the bank passbook / bank statement showing the name of the account holder and the account number as documentary proof. If you do not have a valid bank account of your own, you must open one before submitting your application.

6.6.2 If you are under the age of 18 and do not have a valid bank account of your own, please note that not all banks currently provide bank account service to persons under the age of 18. You should make your own decision in choosing which bank / which kind of bank service to open your own valid bank account. You should make your own enquiries with individual banks on their service provided and the related terms and conditions, service charge required (if any) and/or processing time required. Not being able to open a bank account on time before submitting the application will not be accepted as the reason for you to request late submission of application.

6.6.3 You must accurately fill in your bank account number in the application form.

6.6.4 If you change your bank account, please notify the SFO of your new account number immediately by completing a Notification of Change of Personal Data Form (FASP/C/1A) which is obtainable from the SFO’s webpage. You must submit a photocopy of the first page of the bank passbook / bank statement which shows the name of the account holder and the account number with the form.

6.7 Under the following circumstances, you must notify the SFO in writing immediately for follow-up action(s), including but not limited to withhold the payment of financial assistance:

(i) you cease to be a registered full-time student; or
(ii) you decide to withdraw from, suspend or defer your studies or apply for leave of absence for whatever reasons; or
(iii) you change course / institution; or
(iv) you are not required to pay full amount of tuition fee in the 2021/22 academic year.

6.8 The SFO will review the application and adjust your entitlements of financial assistance, if necessary. In the event that there is overpayment of financial assistance, you will be required to refund in one lump sum the overpaid amount. If you cease to be a registered full-time student or withdraw from/suspend/defer studies or being granted leave of absence for any reason by your institution:

(i) before commencement of the first school term of the academic year, you will be required to refund all grant/loan paid to you for that academic year;
(ii) during the first school term of the academic year, you will be required to refund all the academic expenses grant and the loan paid to you for that academic year; and the overpaid tuition fee grant, which is the difference between (a) the tuition fee grant paid to you, and (b) the revised tuition fee grant calculated based on the proportion of the tuition fee paid by you (excluding overpaid tuition fee) to the total tuition fee payable by you for the whole academic year; or
(iii) before commencement or during other school term(s) of the academic year, you will be required to refund the academic expenses grant and the loan for the concerned school term(s) of that academic year, if paid to you; and the overpaid tuition fee grant, which is the difference between (a) the tuition fee grant paid to you, and (b) the revised tuition fee grant calculated based on the proportion of the tuition fee
paid by you (excluding overpaid tuition fee) to the total tuition fee payable by you for the whole academic year.

6.8.1 If you fail to inform the SFO immediately on your cessation to be a registered full-time student or decision to withdraw from, suspend or defer studies or apply for leave of absence for any reason, interest may be charged on the overpaid amount with retrospective effect from the date of your withdrawal/suspension of studies.

6.8.2 The SFO reserves the right to recover all or part of the grant/loan paid to you in case you cannot complete your studies for any reason.

6.9 If you have not applied for the NLSPS separately, you will be informed of the financial assistance you are entitled under NLSPS, if any, simultaneously in the notification of result. If you wish to accept the NLSPS loan offered, you may obtain the required loan documents from SFO’s Homepage at: http://www.wfsfaa.gov.hk/sfo/pdf/common/Form/fasp/nilsloandocuments.pdf and submit the whole set of completed loan documents and the original copy of administrative fee payment proof to the SFO by mail5 or through SFO’s drop-in boxes6 on or before the deadline stated in your FASP notification of result. Please refer to the NLSPS Guidance Notes (http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsp/application/forms.htm) for details.

6.10 The approved loan is conditional upon your acceptance of the loan by submitting to the SFO the loan documents (including the “Undertaking”, the “Deed of Indemnity” and the “Student, Indemnifier and Witness Details Input Forms (Form A and Form B)”) and other related documents listed on the “Checklist for Submission of Loan Documents” by mail or through SFO’s drop-in boxes on or before the specified deadline in the notification of result. Documents submitted by fax or email are not acceptable. The full set of loan documents and other related documents (including the “Checklist for Submission of Loan Documents”) can be downloaded at the SFO website (http://www.wfsfaa.gov.hk/sfo/pdf/common/Form/fasp/nilsloandocuments.pdf).

6.11 You can choose to accept the loan offered either in full or in part. When you complete the Undertaking, the Deed of Indemnity and the Student, Indemnifier and Witness Details Input Form, you need to state the exact amount of loan that you wish to accept for the whole academic year (i.e. the sum of the first and second instalments). Before you accept any loan offered, you may have a rough estimation on the repayment amount by referring to the repayment calculator made available in the “SFO E-link” at http://e-link.wfsfaa.gov.hk. Please consider carefully about your need and repayment ability.

6.12 If you do not submit the duly completed and signed loan documents to the SFO for the acceptance of loan offered under the FASP within (i) 2 calendar months from the date of issuance of the notification of result, (ii) 4 weeks from the date of issuance of the notification of adjusted result, or (iii) on or before 30.6.2022 (whichever is the latest), the SFO shall assume that you do not wish to accept the loan and the loan offered to you will be automatically lapsed.

6.13 To be acceptable as an indemnifier or a witness, a person must meet the relevant criteria as set out in paragraphs 14 to 21 in the Notice of Offer of Financial Assistance which can be downloaded at the SFO website (http://www.wfsfaa.gov.hk/sfo/pdf/common/Form/fasp/nilsloandocuments.pdf).

7. Review Mechanism

7.1 If there is a substantial change to the family and financial circumstances after the submission of the 2021/22 FASP application form, which you consider may significantly affect the support that you may obtain from the family; and/or you have sufficient grounds / justifications for adjusting the amount of financial assistance offered, you may apply to the SFO for a review of the level of financial assistance within the following deadline. Each applicant may only request a review once for each academic year.

(i) within 3 weeks from the date of issue of the notification of result; or
(ii) on or before 31.3.2022, whichever is later.

The completed "FASP - Application for Review Form" together with detailed justifications and relevant supporting documents, should be submitted to the Appeal Registry of FASP of the SFO.

7.2 In general, you will be notified of the review result within 10 weeks from the date of the SFO’s acknowledging receipt of the application for review. However, the processing time of the application for review will be longer if the information provided is incomplete and the SFO requires you to give an explanation or provide supplementary information.

7.3 Paragraph 4.4 in Part I of the Guidance Notes has clearly stipulated that if the applicant fails to report / provide the required information / supporting document(s) in the application form at the time of submitting the application, and the information / supporting document(s) is only reported / provided upon the SFO’s enquiry, this would be treated as a misrepresentation and / or an omission in the application. The SFO has the authority to reject the application.

7.4 If your application has been rejected due to omission / misrepresentation of information, you may lodge an application for review in writing by completing the “FASP - Application for Review against Rejection Form” within three weeks from the date of the rejection letter. Please state clearly the reasons (e.g. the reasons for the omission / understatement, any special family hardship) with proof if applicable. The review will be considered by the Review Committee.
8. Loan Repayment and Deferment

8.1 You are required to repay your loan, which shall normally commence on 1 December of the year of your graduation or when the course has officially ended, until it is repaid in full. The first instalment of loan repayment will normally fall due on 1 January or 1 July of the following year of your graduation. A reference table on repayment of FASP loan is at Appendix VII of Part III of the Guidance Notes. If you have not received the notice of commencement of repayment or demand of repayment within 6 months after your graduation or the course has officially ended, you should notify the SFO in writing immediately.

8.2 With a view to facilitating better financial management of loan recipients, loan recipients who have obtained FASP loans and without any loan accounts repaying with quarterly repayment arrangement under other financial assistance/loan schemes administered by the SFO are required to repay their loans by monthly instalment. The loan borrowed by you and the interest accrued thereon are repayable in 15 years (“Repayment Period”) by 180 equal monthly instalments, or in a shorter Repayment Period by equal monthly instalments as agreed by the SFO. Whereas if as determined appropriate by the SFO, the loan borrowed and the interest accrued thereon are repayable within the Repayment Period by equal quarterly instalments.

8.3 If you cease to be registered as a full-time student or withdraw or are suspended from or defer your studies in the course or you have not completed the course for any reason, you are required to notify the SFO in writing immediately and repay the loan in one lump sum or by equal instalments, and if by instalments over a revised Repayment Period, and also interest accrued under the loan at the rate of 1% per annum. The length of the loan Repayment Period, its commencement date, and repayment arrangements shall be decided by the SFO.

8.4 Interest at a rate of 1% per annum shall be charged on the loan borrowed by you from the commencement date of the loan Repayment Period. You may have a rough estimation on the repayment amount by referring to the repayment calculator made available in the “SFO E-link” at http://e-link.wfsfaa.gov.hk.

8.5 For environmental friendly reason and to avoid possible non-receipt of postal demand notes, monthly demand notes and/or notifications would be sent to “SFO E-link” (http://e-link.wfsfaa.gov.hk) and “MyGovHK” Internet online platforms for your viewing, printing and downloading. You are required to register with “MyGovHK” and/or “SFO E-link - My Bills” service when you accept the loan offer. Monthly demand notes and/or notifications given in electronic form via the Internet online platforms shall be deemed to have been duly given by the SFO and have been duly received by you regardless of whether you have actually accessed the demand notes or notifications via the Internet online platforms and regardless of whether you have actual notice of the availability of such demand notes or notifications. Requests for receiving demand notes and/or notifications by other means will not be accepted. If you do not receive demand notes and/or notifications 7 days before each due date whether because of system failure or any other reasons not due to your fault or otherwise beyond your control, you should contact the SFO without delay. Non-receipt of demand notes for repayment or electronic notifications does not exempt you from the obligation to repay the instalment due on or before the due date. If repayment is not made on or before the date the instalment becomes due, you will be required to repay with the Government the overdue amount together with a surcharge at the rate of 5%.

8.6 Please refer to Appendix VIII of Part III of the Guidance Notes for other terms and conditions on repayment of loan under FASP.

8.7 If you have difficulties in repaying the loans due to further full-time study, financial hardship or serious illness, you may apply for deferment of loan repayment. For deferment of loan repayment on the grounds of financial hardship or serious illness, in case you have not opted for the standard repayment period of 15 years, the repayment period of your loan will initially be extended to 15 years for calculation when your application is being processed. The SFO will consider each application on its own merits. Application for deferment of loan repayment should be submitted in writing, together with the necessary documentary proof, to the SFO before the due date(s) of the instalment(s) under application. For application by fax or by email, the date of receipt of the fax or email will be considered to be the date of application. For application by post, the postmark date on the envelope will be regarded as the date of application. Relevant application forms are available at the SFO. You may also download the application form concerned from SFO website at http://www.wfsfaa.gov.hk/sfo/en/postsecondary/fasp/loans/repayment/deferment/forms.htm. Application for
deferment of loan repayment is only applicable to the total amount due for repayment, which may comprise interest and outstanding principal. Application for deferment of only a part of the repayment amount will not be acceded to. If approval for deferment of loan repayment is granted, the standard repayment period may be extended up to a maximum of two years (i.e. the entire repayment period will be up to 17 years). Interest will not accrue over the period of deferment, which is from the month immediately preceding the start date of the approved deferment to the month immediately preceding the date of resumption of repayment. The deferred loan may be repaid on a revised schedule with fewer numbers of instalments and at a larger amount or on any other terms as decided by the SFO.

Time deposit account, credit card account and foreign currency account will **not** be accepted for payment purpose. If you do not have a valid bank account of your own, please open one before submitting your online application. If you need to exchange to a new bank account after submitting the application, please notify the SFO by using the **Notification of Change of Personal Data Form (FASP/C/1A)** and submit it with supporting documents (e.g. photocopy of the first page of the bank passbook showing the name of the account holder and the account number). Please note that the new bank account will replace all the bank accounts(s) provided by you previously under other financial assistance schemes for post-secondary students of the SFO.

(ii) If you are under the age of 18 and do not have a valid bank account of your own, you should note that not all banks currently provide bank account service to persons under the age of 18. You should make your own decision in choosing a bank which provides the services required by you. You should clarify with the bank its terms and conditions, service charge required (if any) and/or processing time required. Failure to open a bank account on time before submission of an application will not be accepted as a reason for late application.

You can only select one account for payment of financial assistance. The account must be a Hong Kong Dollar savings account or Hong Kong Dollar current account.

You must ensure accuracy of the bank account number to avoid error or delay in payment of financial assistance.

4.1 Please refer to the items on the Checklist of Supporting Documents downloadable from the online application platform and check carefully to see if the application has been filled in properly and if copies of all the supporting documents have been provided. If you fail to report / provide the required information / supporting document(s) in / to the Application Form at the time of submitting your application, and the information / supporting document(s) is only reported / provided upon the SFO’s enquiry, this would be treated as a misrepresentation and/or omission in the application. If there is misrepresentation or omission in the application, the SFO has the authority to reject your application.
