1. FINANCIAL ASSISTANCE SCHEME FOR POST-SECONDARY STUDENTS (FASP)

1.1 The Financial Assistance Scheme for Post-secondary Students (FASP), which is administered by Student Finance Office (SFO) under the Working Family and Student Financial Assistance Agency (WFSFAA), provides means-tested financial assistance to needy full-time students pursuing locally-accredited, self-financing post-secondary education programmes at the level of associate degree, higher diploma or degree. The scheme aims to provide financial assistance to needy students so that no eligible students will be denied access to post-secondary education because of lack of means. Financial assistance is provided in the form of grant and/or loan. The grant is to cover tuition fees and academic expenses. The loan is for living expenses and is interest-bearing at 1% per annum chargeable from the commencement of the repayment period.

1.2 Applicants will be assessed by both an income test and an asset test to determine the percentage of the maximum grant and loan offered under FASP (see paragraph 5 below).

2. ELIGIBILITY

2.1 You are eligible to apply for FASP in 2019/20 if you:

(a) are a registered full-time\(^1\) student, aged 30 or below (i.e. born on or after 1 September 1988);
(b) are engaged in full-time locally-accredited\(^2\) self-financing post-secondary education programmes at sub-degree (i.e. associate degree or higher diploma) or degree level;
(c) have not accepted financial assistance under any other publicly-funded student finance assistance scheme [e.g. the Continuing Education Fund (CEF)] for the programme/course covered by the application in the same academic year; and
(d) have the right of abode in the Hong Kong Special Administrative Region (Hong Kong) or have resided or have had your home in Hong Kong continuously for three complete years prior to the commencement of the course*.

(Remarks: This does not cover students holding –

- student visas/entry permits;
- visas /entry permits under the Immigration Arrangements for Non-local Graduates; or
- dependant visas/entry permits which were issued to them by the Director of Immigration when they were 18 years old or above.)

\(^*\) Applicants without the right of abode in Hong Kong (without the alphabet “A” beneath the Date of Birth field of the Hong Kong Identity Card) should also provide a copy of their entry permits to Hong Kong, e.g. one-way permit/dependent visa, etc., with their applications.

2.2 Your eligibility is restricted to only **one** eligible full-time course in any **one** academic year. If you have applied for the Tertiary Student Finance Scheme – Publicly-funded Programmes (TSFS) in 2019/20, you must not apply for FASP in the same academic year.

2.3 Full-time students of exclusively University Grants Committee-funded or exclusively publicly-funded places covered by TSFS are **not** eligible for assistance under FASP.

---

\(^1\) For face-to-face teaching programmes, “full-time” study refers to a curriculum of not less than 450 contact hours per year or a minimum of 30 credit points per year (i.e. one credit point equalling 15 contact hours). For non-face-to-face teaching programmes, “full-time” study means a curriculum of not less than 1 350 study hours.

\(^2\) Locally-accredited programmes refer to those included in the Register of Locally-accredited Programmes recognized by the Secretary for Education. For the 2019/20 academic year, only programmes which have been included in the Register on or before 31 December 2019 will be covered by FASP. Please refer to the Course Coding Sheet at the SFO’s website (http://www.wfsfaa.gov.hk/sfo/en/postsecondary/fasp/general/coding.htm) which lists out the programmes covered under FASP and their course codes. Please approach the relevant institutions for more information about the programmes. You may also visit the Information Portal for Accredited Post-secondary Programmes (https://www.cspe.edu.hk/en/ipass/index.html).
2.4 If you are eligible to apply for assistance under FASP in the 2019/20 academic year, you may also apply for subsidy under the Student Travel Subsidy (STS) Scheme. Please refer to Appendix II of Part III of the Guidance Notes for details.

2.5 If you are eligible to apply for assistance under the FASP in the 2019/20 academic year, you are also eligible to apply for loan under the Non-means-tested Loan Scheme for Post-secondary Students (NLSPS). The NLSPS provides non-means-tested loan to eligible students to settle their tuition fees payable. The maximum level of loan amount is equal to the tuition fees payable for the academic year. If you have not applied for NLSPS, you will be informed of the loan amount you are entitled under the NLSPS, if any, simultaneously in your FASP notification of result. For acceptance of the NLSPS loan offered, please refer to paragraph 6.12 below. If you wish to apply for and be offered with the NLSPS loan earlier, you may consider submitting an NLSPS application separately. For details of the NLSPS, please refer to NLSPS Guidance Notes [NLSPS/1B(2019)] (http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlps/application/forms.htm).
### 3. HOW TO APPLY

<table>
<thead>
<tr>
<th>Step 1</th>
<th>Proceed application at the webpage of SFO E-link – My Applications (<a href="https://ess.wfsfaa.gov.hk">https://ess.wfsfaa.gov.hk</a>)</th>
</tr>
</thead>
</table>

- There are three types of application forms. Please choose to use the appropriate application form:

<table>
<thead>
<tr>
<th>Form</th>
<th>Applicable to</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full Version</td>
<td>The general application form for use by all applicants.</td>
</tr>
</tbody>
</table>
| Simplified Version | The simplified application form. You may **choose** to submit the Simplified Version of Application instead of Full Version of Application if and only if:  
  (i) you have an unmarried sibling residing with you and he/she has submitted or is submitting the Full Version of Online Application under FASP or TSFS for the 2019/20 academic year; and  
  (ii) you are not married. |
| Simplified Version for CSSA family | Simplified Application Form for Comprehensive Social Security Assistance (CSSA) family for which the applicants are not required to provide their families’ income and assets information. If your family is currently in receipt of CSSA or received CSSA throughout the assessment period from 1.4.2018 to 31.3.2019 by meeting one of the following criteria, you can submit your application by using the Simplified Version of Application for CSSA family:  
  (i) both your father and mother are CSSA recipients (If only one of your parents is a CSSA recipient, the Simplified Version of Application Form for CSSA family is not applicable to you.);  
  (ii) you come from a single-parent family and the parent who lives with you and supports your living is a CSSA recipient;  
  (iii) you are an independent CSSA recipient; or  
  (iv) you are married and your spouse is a CSSA recipient. |

- **Notes for Simplified Version of Application**
  - If you submit your application using the Simplified Version, any errors or omissions relating to the financial data reported in your sibling’s Full Version application will also be taken as your errors / omissions. If, as a result of the errors / omissions, your sibling’s level of assistance is subsequently adjusted, a warning letter is issued, or the application is rejected, such same treatment will also apply to you. In this regard, you may choose to submit an application using the Full Version of Application instead of Simplified Version of Application.
  - Both you and your sibling(s) submitting Full Version of Online Application must also sign on the declaration of Simplified Version of Application.
  - If you are eligible to use the Simplified Version of Application but would like to provide a full set of information on yourself and your family members, you may still choose to submit the Full Version of Application instead of the Simplified Version of Application.
### Step 1 (Cont’d)

**Proceed application at the webpage of SFO E-link – My Applications**

(https://ess.wfsfaa.gov.hk)

- **Notes for Applicants Using the Simplified Version of Application for CSSA family**
  - You are not required to provide the income and assets information of your family in the Simplified Version of Application Form for CSSA family. The SFO will ascertain whether you meet the above criteria for using the form with reference to the supporting documents provided by you. If the SFO verifies that you do not meet the criteria for using the form or considers necessary, the SFO will request you to supplement the income and assets information of your family (including re-submitting the Full Version of Application Form, re-signing the declaration and providing all the supporting documents).
  - Please note that the SFO will assess your application on reliance of the documentary proof provided by you showing you or your family was in receipt of CSSA at the time of the submission of your application or received CSSA throughout the relevant assessment period (“CSSA status”). If it comes to the knowledge of the SFO that you and your family was obtaining / obtained CSSA by misrepresentation or provision of false information or omission of information or withholding any information or deceptive means or that your documentary proof contained inaccurate particulars to show you or your family’s CSSA status, your application may be rejected. You will be required to refund all student financial assistance you have received. You and your family may also be liable to prosecution.

Part I – General Information

4. IMPORTANT MATTERS

4.1 It is your responsibility to complete the application form fully and truthfully and submit all the supporting documents. The SFO will rely on the information and documentary proof provided in your application and the application(s) from your sibling(s) under FASP/TSFS, if any, to determine the eligibility and the level of financial assistance to be offered under the Scheme(s). During the course of vetting your current year application, the SFO will, if necessary, make reference to your submitted application form(s) / information of the previous academic year(s) and ask you to clarify or provide additional information / explanation on the application form(s) / information submitted in the / these academic year(s). Any misrepresentation or omission or improperly filling in information in the application form in any one of the said application(s) may lead to rejection and/or full recovery of financial assistance already offered to you and/or your sibling(s) and court proceedings. If you submit the financial assistance application by using the Simplified Version of Application Form for CSSA family, the SFO will assess your application on reliance of the documentary proof provided by you showing you or your family was in receipt of CSSA at the time of the submission of your application or received CSSA throughout the relevant assessment period (“CSSA status”). If it comes to the knowledge of the SFO that you or your family was obtaining / obtained CSSA by misrepresentation or provision of false information or omission of information or withholding any information or deceptive means or that your documentary proof contained inaccurate particulars to show you or your family’s CSSA status, your application may be rejected. You will be required to refund all student financial assistance you have received. You and your family may also be liable to prosecution. You are reminded that it is an offence to obtain property or pecuniary advantage by deception. Any person who does so commits an offence and shall be liable on conviction upon indictment to imprisonment for 10 years under the Theft Ordinance (Chapter 210 of the Laws of Hong Kong). You are also reminded that if any person being required or authorised by law to make any statement on oath for any purpose and being lawfully sworn (otherwise than in a judicial proceeding) wilfully makes a statement which is material for that purpose and which he knows to be false or does not believe to be true, he shall be guilty of an offence and shall be liable on conviction upon indictment to imprisonment for 7 years and to a fine under the Crimes Ordinance (Chapter 200 of the Laws of Hong Kong).

4.2 If you fail to report / provide the required information / supporting document(s) in / to the Application Form at the time of submitting your application, and the information / supporting document(s) is only reported / provided upon the SFO’s enquiry, this would be treated as a misrepresentation and/or omission in the application. Therefore, you have the responsibility to complete the Application Form in full details and submit all supporting documents. If there is misrepresentation or omission in the application, the SFO has the authority to reject your application.

4.3 Please note that in the event of overpayment due to erroneous calculation or assessment, you are required to refund the overpaid amount (including amounts that may have been overpaid in previous academic years) and, if necessary, forfeit the amount that may be payable.

4.4 Please check the personal data and course data contained in the acknowledgement of receipt and the notification of result which will be issued to you upon receipt of your application and upon completion of the assessment of your application respectively. Should there be any discrepancies in the institution/ programme of study, tuition fees paid/payable in the 2019/20 academic year, correspondence address or the bank account number to which the financial assistance is to be credited, you should notify the SFO immediately by using Form FASP/C/1A (applicable for change of Personal Data) or FASP/C/1B (applicable for change of Institutions/ Course Data). These forms can be downloaded from the SFO’s webpage (http://www.wfsfaa.gov.hk/sfo/en/postsecondary/fasp/application/forms.htm). Late notification will result in unnecessary delay in processing your application and payment of financial assistance.

4.5 If you choose to accept the loan offered, once your loans have been drawn down, should there be any changes in your study status (such as change in expected graduation date, withdrawal of study, continuing study after completion of the programme which has been granted the loan, etc.), you should immediately notify the SFO by submitting the duly completed “Notification of Change of Study Status” from [SFO303_E]. The form can be downloaded from the SFO website at:

Timely provision of updated information is important as it may affect the activation date of your loan repayment.
4.6 As a measure to verify the truthfulness and completeness of the information supplied, the SFO has a mechanism to counter-check successful applications, which may be in the form of home visits, bank search or other means. During these counter-checks, the SFO staff may need to seek clarifications/additional information on the information already provided. They may also examine the originals of all the supporting documents, including those for applications submitted in previous academic years. Applicants and their family members are requested to keep all related application documents submitted in current and previous academic years and to cooperate with our staff. Intentional obstruction to our staff in the course of their verification, concealment of information or failure to provide the information/clarification as required may lead to full recovery of the financial assistance already awarded and even court proceedings. If, after completion of the counter-checking exercise, the applicants and their family members are found to have seriously omitted/understated their family income and/or assets, the SFO will issue warning letters to the applicants and/or demand the applicants to partially/fully refund the financial assistance already awarded to them. Depending on the gravity of omission, the SFO may institute court proceedings against the applicants and their family members.

4.7 Please note that during the course of vetting/counter-checking/reviewing your application(s) (including this and previous academic years), the SFO may immediately withhold the payment of assistance if irregularity is suspected or omitted information is spotted. Payment of assistance would only resume after the vetting/counter-checking/reviewing procedures have completed and all irregularities/omitted information have been clarified/rectified.

4.8 If you have any arrears of grant and/or loan and/or subsidy under any financial assistance/loan schemes administered by the SFO, your application for financial assistance/loan will be considered by the SFO on individual merits.

4.9 Any overpayment of financial assistance (including grant and/or loan and/or subsidy administered and disbursed by the SFO) made to you shall be refunded immediately upon demand.

5. LEVEL AND CALCULATION OF FINANCIAL ASSISTANCE

5.1 The maximum level of assistance under FASP is made up of the following components:

(a) tuition fees grant at annual tuition fees payable subject to a ceiling. The ceiling for the 2019/20 academic year is $84,230;
(b) academic expenses grant. The maximum amount of academic expenses grant of the 2019/20 academic year is $5,810; and
(c) living expenses loan. The maximum amount of loan of the 2019/20 is $51,470.

5.2 The ceilings will be reviewed annually.

5.3 Your eligibility for financial assistance depends on the financial position of your family. Your level of assistance will be determined by a two-tier means test, details as follows:

(a) First, compare your Adjusted Family Income (AFI) against the “Ready Reckoner” to get the first percentage of grant and loan, then apply this percentage to calculate (i) the tuition fees grant; (ii) academic expenses grant; and (iii) living expenses loan.

(b) Second, compare the Net Asset Value of your family against the “Sliding Scale of Asset Value for Discounting Financial Assistance” to get the discount factor of grant and loan, then adjust the level of grant and loan calculated under paragraph 5.3 (a) by the discount factor to get your final level of grant and loan.

3 “Adjusted Family Income” (AFI): (Total family annual income – deductible medical expenses) ÷ {number of family members + 1 (for single-parent families of 2 to 3 members is + 2)}
5.4 The Ready Reckoner under the AFI formula and the Sliding Scale of Asset Value for Discounting Financial Assistance for 2019/20 are at Appendix III and Appendix IV of Part III of the Guidance Notes respectively. If you would like to have a rough idea of your level of assistance, you may try the Calculator provided in the SFO’s webpage ([http://www.wfsfaa.gov.hk/sfo/en/postsecondary/fasp/overview.htm](http://www.wfsfaa.gov.hk/sfo/en/postsecondary/fasp/overview.htm)). 5.5 The “Net Asset Value per Family Member” is the net value of your family’s fixed assets and value of liquid assets (excluding the value of your family’s first home and the assets of your grandparents and siblings) divided by the actual number of family members. You need to declare the family’s assets and their value as at 31.3.2019 in the application form. Debts of family members cannot be deducted from the total value of family assets.

5.6 The SFO will make an assessment of your family income and assets and the number of family members based on the information reported in your FASP application form and other information reported by your sibling(s), if any, under FASP and/or TSFS before determining your eligibility for and level of financial assistance. The SFO will normally accept reported information which is supported by documentary proof. **If proper documentary proof cannot be provided or the documents provided cannot substantiate the reported income/asset information of the family concerned** (e.g. claim for prolonged unemployment is not substantiated or only self-written statement of income is provided), the **SFO may need to make adjustments and apply benchmark figures based on the statistical information provided by the relevant government departments, such as the Census and Statistics Department, the Rating and Valuation Department and the Transport Department, etc. to assess the income and/or net value of the assets held by the family members concerned.** The SFO may apply projected figures in the assessment of family income if necessary.

5.7 If necessary, arrangements will be made for you and your father or mother to come to the SFO for an interview. You will be required to bring to the interview for our examination all the **originals** of the supporting documents, such as all bankbooks and receipts for medical expenses. Before the interview, your father or mother will be required to make a declaration at the SFO in accordance with the Oaths and Declarations Ordinance (Chapter 11 of the Laws of Hong Kong) to declare that the information given in the application is true and complete. During interview, the SFO staff may need to seek clarifications/ additional information on the information already provided.

6. **NOTIFICATION OF RESULT, PAYMENT ARRANGEMENTS / RECOVERY, UNDERTAKING OF LOAN**

6.1 In general, if the information you provided is complete, you will be notified of the FASP result within about two months from the date of the SFO’s acknowledging receipt of your application. **However, the processing time will vary, depending on the particular circumstances of individual applications. Some examples leading to prolonged processing time are provided below:**

   (a) If the information provided is incomplete or inconsistent, the SFO will require you to give an explanation for the discrepancy or provide supplementary information;  
   (b) If your or your sibling’s previous application(s) under FASP/TSFS has/have been selected for authentication (including home visits, bank searches or other means), the processing of your current year’s application will be withheld pending the outcome of the authentication;

---

4 For single-parent families of 2 to 3 members, the “plus 1 factor” in the divisor of the AFI formula will be increased to 2.
The SFO will issue the first batch of notifications of result around mid-July 2019.

6.2 You should check the information printed on the notification of result including but not limited to your personal particulars, institution, course of study, tuition fee payable and your bank account number. Should there be any discrepancies, you should immediately notify the SFO in writing by Forms FASP/C/1A (applicable for change of Personal Data) or FASP/C/1B (applicable for change of Institutions / Course Data). These forms are available at the SFO or can be downloaded from SFO’s Homepage at (http://www.wfsfiaa.gov.hk/sfo/en/postsecondary/fasp/application/forms.htm).

6.3 The grant offered by the FASP, if any, is calculated in accordance with the result of vetting. However, not all successful applicants will be offered a grant in addition to a loan. The SFO assumes that applicants will accept the grant, if offered. Unless you indicate that you do NOT wish to accept it in writing, the grant, if any, will be released to you.

6.4 The approved loan is conditional upon your acceptance of the loan by submitting to the SFO the following documents in person or through your authorised person (at the age of 18 or above with a HKID card) on or before the specified deadline. Documents submitted by mail or fax or email are not acceptable:

For document (e), if you are required to register with “SFO E-link – My Bills” service as stated in the notification issued to you by the SFO, you are required to click “SFO E-link – My Bills” service at the “SFO E-link” at http://e-link.wfsfaa.gov.hk and login your “MyGovHK” account, then proceed to register with “SFO E-link – My Bills” service and print the acknowledgement of receipt/confirmation message as the proof of successful registration. You can view the registration guidelines at the “SFO E-link” website at http://e-link.wfsfaa.gov.hk/EBILLPRD/docs/E_link_Registration_Guidelines_sla_EN.pdf.

You can choose to accept the loan offered either in full or in part. When you complete the Undertaking, the Deed of Indemnity and the Student, Indemnifier and Witness Details Input Form, you need to state the exact amount of loan that you wish to accept for the whole academic year (i.e. the sum of the first and second instalments). Before you accept any loan offered, you may have a rough estimation on the repayment amount by referring to the repayment calculator made available in the “SFO E-link” at http://e-link.wfsfaa.gov.hk. Please consider carefully about your need and repayment ability.

6.5 Payment of financial assistance is subject to your being or becoming a registered full-time student and taking up a full-time locally-accredited self-financing post-secondary education programme in the 2019/20 academic year (please refer to paragraph 2.1 above). The grant offered and/or the loan accepted will normally be paid in 2 equal instalments.

6.5.1 If you and/or your Indemnifier have/has any arrears of grant and/or loan and/or subsidy under any financial assistance / loan schemes administered by the SFO, the SFO reserves the right to withhold the payment of financial assistance to you and offset the overpaid amount from the financial assistance (including grant and/or loan and/or subsidy administered and disbursed by the SFO) to which you are entitled to in the year. The balance of the financial assistance after such offset, if any, will be released to you. In addition or as an alternative, the SFO shall require you to refund the overpaid amount immediately upon the request of the SFO.

6.5.2 If you have received the NLSPS loan, and the total amount of NLSPS loan received and financial assistance offered under the FASP exceeds the maximum level of financial assistance* under both schemes, the SFO will then reduce your NLSPS loan offer and payable to reflect the adjustment of NLSPS loan in direct relation to the financial assistance offered under the FASP. Also, the SFO will offset the overpaid NLSPS loan by the FASP grant to be payable to you. If the grant is insufficient to fully offset the overpaid NLSPS loan, the balance of the overpaid NLSPS loan will be offset by deducting from the amount of the FASP loan to be provided to you. Any amount of the NLSPS loan overpaid which is deducted from your FASP assistance will be deemed to have been accepted by you under the terms and conditions of the FASP (please refer to the “Notice of Offer of Financial Assistance under FASP [SFO 263 (2019)] which is available at the SFO’s webpage (http://www.wfsfaa.gov.hk/sfo/pdf/common/Form/fasploandocuments.pdf)). You can refer to the NLSPS Application Guidance Notes [NLSPS/1B (2019)] (available at the SFO’s website http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsp/application/forms.htm) for details on the maximum level of financial assistance under both schemes and related adjustment of the NLSPS loan.

FASP/1B(2019) 11
* If you have received the loan under the Extended Non-means-tested Loan Scheme (ENLS) for the same programme in 2019/20, the ENLS loan amount will be regarded as part of the NLSPS loan amount for calculating the maximum level of financial assistance.

6.6 If you do not submit the duly completed and signed loan documents to the SFO for the acceptance of loan offered under the FASP within (i) 2 calendar months from the date of issuance of the notification of result, (ii) 4 weeks from the date of issuance of the notification of adjusted result, or (iii) on or before 30.6.2020 (whichever is the latest), the SFO shall assume that you do not wish to accept the loan and the loan offered to you will be automatically cancelled.

Failure to open a bank account before submission of an application will not be accepted as a reason for late application.

If you cease to be a registered full-time student or withdraw from/suspend/defer studies or being granted leave of absence for any reason by your Institution:

| (c) | before commencement or during other school term(s) of the academic year, you will be required to refund the academic expenses grant and the loan for the concerned school term(s) of that academic year, if paid to you; and the overpaid tuition fee grant, which is the difference between (i) the tuition fee grant paid to you, and (ii) the revised tuition fee grant calculated based on the proportion of the revised tuition fee paid by you (excluding overpaid tuition fee) to the total tuition fee payable by you for the whole academic year. |

6.11.1 If you fail to inform the SFO immediately on your cessation to be a registered full-time student or decision to withdraw from, suspend or defer studies or apply for leave of absence for any reason, interest may be charged on the overpaid amount with retrospective effect from the date of your withdrawal/suspension of studies.

6.11.2 The SFO reserves the right to recover all or part of the grant/loan paid to you in case you cannot complete your studies for any reason.

6.12 If you have not applied for the NLSPS, you will be informed of the financial assistance you are entitled under the FASP and NLSPS, if any, simultaneously in the FASP notification of result. If you wish to accept the NLSPS loan offered, you may obtain the required loan documents from SFO’s Homepage at: http://www.wfsfaa.gov.hk/sfo/pdf/common/Form/fasp/nlspslodanddocuments.pdf and submit the whole set of completed loan documents and the bank pay-in slip for the administrative fee paid in person or through your authorised person who must have attained 18 years of age with HKID card to the SFO on or before the deadline stated in your FASP notification of result. Please refer to the NLSPS Guidance Notes [NLSPS/1B(2019)] (http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlspslodapplication/forms.htm) for details.
7. REVIEW MECHANISM

7.1 If you have sufficient grounds/justifications for adjusting the amount of financial assistance offered, you may apply to the SFO for a review of the level of financial assistance within 3 weeks from the date of notification of result. Each applicant may only request for a review once for each academic year. You should give sufficient reasons in the “Application Form for Review under FASP” and return it to the Appeal Section of FASP of the SFO together with any documentary evidence in support of your application for review. The form can be downloaded from the SFO’s webpage: (http://www.wfsfaa.gov.hk/sfo/en/postsecondary/fasp/application/forms.htm)

7.2 If there is a substantial change to the family and financial circumstances after submission of your FASP application, which you consider may significantly affect the support that you may obtain from your family, you may submit an application for review. However, the application must be submitted by the following deadline:

| (a) | within 3 weeks from the date of notification of result; or |
| (b) | on or before 31.3.2020, whichever is later. |

7.3 In general, you will be notified of the review result within 10 weeks from the date of the SFO’s acknowledging receipt of your application for review. However, the processing time will be longer if (a) the information provided is incomplete or the SFO requires you to give further explanation or provide supplementary information; or (b) referral to the Review Committee (RC) is required for final decision in view of the special family financial circumstances of the case. The Review Committee is composed of representatives from student unions and institutions covered by FASP.

7.4 You may choose to accept the loan offer first without waiting for the result of the application for review. However, in the course of processing the application for review, if it was found by the Office that the amount of assistance provided in the original assessment was higher than your actual entitlement, you should refund the overpaid amount upon demand.

8. LOAN REPAYMENT AND DEFERMENT

Loan Repayment

8.1 You are required to repay your loan, which shall normally commence on 1 December of the year of your graduation or when the course has officially ended, until it is repaid in full. The first installment of loan repayment will normally fall due on 1 January or 1 July of the following year of your graduation. A reference table on repayment of loan is at Appendix VII of Part III of these Guidance Notes. If you have not received the notice of commencement of repayment or demand of repayment within 6 months after your graduation or the course has officially ended, you should notify the SFO in writing immediately.

8.2 The loan borrowed by you and the interest accrued thereon are repayable in 15 years (‘Repayment Period’) by 180 equal monthly instalments, or in a shorter Repayment Period by equal monthly instalments as agreed by the SFO. Whereas if as determined appropriate by the SFO, the loan borrowed and the interest accrued thereon are repayable within the Repayment Period by equal quarterly instalments.

8.3 If you cease to be registered as a full-time student or withdraw or are suspended from or defer your studies in the course or you have not completed the course for any reason, you are required to notify the SFO in writing immediately and repay the loan in one lump sum or by equal instalments, and if by instalments over a revised Repayment Period, and also interest accrued under the loan at the rate of 1% per annum. The length of the loan Repayment Period, its commencement date, and repayment arrangements shall be decided by the SFO.

8.4 Interest at a rate of 1% per annum shall be charged on the loan borrowed by you from the commencement date of the loan Repayment Period. You may have a rough estimation on the repayment amount by referring to the repayment calculator made available in the “SFO E-link” at http://e-link.wfsfaa.gov.hk.

8.5 Please refer to Appendix VIII of Part III of these Guidance Notes for other terms and conditions on repayment of loan under FASP.
Deferment of repayment

8.6 If you have difficulties in repaying the loans due to further full-time study, financial hardship or serious illness, you may apply for deferment of loan repayment. For deferment of loan repayment on the grounds of financial hardship or serious illness, in case you have not opted for the standard repayment period of 15 years, the repayment period of your loan will initially be extended to 15 years for calculation when your application is being processed. The SFO will consider each application on its own merits. Application for deferment of loan repayment should be submitted in writing, together with the necessary documentary proof, to the SFO before the due date(s) of the instalment(s) under application. For application by fax or by email, the date of receipt of the fax or email will be considered to be the date of application. For application by post, the postmark date on the envelope will be regarded as the date of application. Relevant application forms are available at the SFO. You may also download the application form concerned from SFO website at http://www.wfsfaa.gov.hk/sfo/en/postsecondary/fasp/loanrepayment/difficulties/forms.htm. Application for deferment of loan repayment is only applicable to the total amount due for repayment, which may comprise interest and outstanding principal. Application for deferment of only a part of the repayment amount will not be acceded to. If approval for deferment of loan repayment is granted, the standard repayment period may be extended up to a maximum of two years (i.e. the entire repayment period will be up to 17 years). Interest will not accrue over the period of deferment, which is from the month immediately preceding the start date of the approved deferment to the month immediately preceding the date of resumption of repayment. The deferred loan may be repaid on a revised schedule with fewer numbers of instalments and at a larger amount or on any other terms as decided by the SFO.

9. ELECTRONIC REPAYMENT NOTIFICATION AND DEMAND NOTE

9.1 With a view to facilitating better financial management of loan borrowers, loan borrowers who have obtained FASP LE loans and without any loan accounts repaying with quarterly repayment arrangement under other financial assistance/loan schemes administered by the SFO are required to repay their loans by monthly instalment.

   (a) Monthly repayment instalments will normally fall due on 1st of each calendar month each year. Monthly demand notes and notifications will be issued 14 days before each due date as far as practicable.

   (b) For environmental friendly reason and to avoid possible non-receipt of postal demand notes, monthly demand notes would be uploaded to “SFO E-link” (http://e-link.wfsfaa.gov.hk) and notifications would be sent to “MyGovHK” Internet online platforms for your viewing, printing and downloading. You are required to register with “MyGovHK” and/or “SFO E-link - My Bills” service when you accept the loan offer. You need to safekeep your “MyGovHK” account login username and password to facilitate receiving repayment notifications and demand notes through “SFO E-link - My Bills” service. If your MyGovHK account has not been logged into for a period of 36 months, MyGovHK will terminate your account, which makes you no longer have access to SFO E-link - My Bills service. To avoid account termination, you should log in your MyGovHK account regularly. The SFO may contact you by post, telephone, fax, e-mail or other forms of electronic notifications (e.g. SMS) for any repayment matters. If you have any difficulties in using “SFO E-link - My Bills” service, you should contact the SFO as soon as possible. Should you wish to save a copy of the concerned instalment demand note, you are reminded to download and/or print out the latest instalment demand note on or before the due date.

   (c) Monthly demand notes and/or notifications given in electronic form via the Internet online platforms shall be deemed to have been duly given by the SFO and have been duly received by you regardless of whether you have actually accessed the demand notes or notifications via the Internet online platforms and regardless of whether you have actual notice of the availability of such demand notes or notifications. Requests for receiving demand notes and/or notifications by other means will not be accepted. If you do not receive demand notes and/or notifications by other means will not be accepted. If you do not receive demand notes and/or notifications by other means will not be accepted. If you do not receive demand notes and/or notifications 7 days before each due date whether because of system failure or any other reasons not due to your fault or otherwise beyond your control, you should contact the SFO without delay. Non-receipt of demand notes for repayment or electronic notifications does not exempt you from the obligation to repay the instalment due on or before the due date. If repayment is not made on or before the date the instalment becomes due, you will be required to repay with the Government the overdue amount together with a surcharge at the rate of 5%. 

FASP/1B(2019) 16
Part I – General Information

(d) Your failure to visit “MyGovHK” and “SFO E-link - My Bills” service online platform(s) to receive any repayment schedule or demand note(s) does not exempt you from the obligation to repay the instalment due on or before the due date. Otherwise, you will be regarded as breaching of the terms in the Undertaking and the SFO has the power to demand you and/or indemnifier(s) immediate repayment of all outstanding balance of the FASP LE loan, interest, surcharge (if any) and any recovery expenses. The SFO also has the power to withhold the consideration and processing of your other financial assistance/loan applications and/or various applications relating to loan repayment under different financial assistance/loan schemes administered by the SFO; and to demand you and/or your indemnifier(s) immediate repayment of all outstanding balance of loan(s), interest, surcharge(if any) and any recovery expenses in relation to other course(s) taken by you notwithstanding that they have not become due under the terms of such loan(s).

9.2 In case you have loan accounts repaying with quarterly repayment arrangement under different financial assistance / loan schemes, the monthly repayment arrangement mentioned in paragraph 9.1 will not be applicable until further announcement by the SFO. Meanwhile, quarterly repayment arrangement will be applicable to all of your loan accounts under different financial assistance / loan schemes. Quarterly repayment instalments will normally fall due on 1 January, 1 April, 1 July and 1 October each year. Quarterly demand notes will be issued 14 days before each due date as far as practicable. If you do not receive demand notes 7 days before each due date, you should contact the SFO without delay. Non-receipt of a demand note for repayment does not exempt you from the obligation to repay the instalment due on or before the due date. If repayment is not made on or before the date the instalment becomes due, you will be required to repay with the Government the amount of the overdue instalment together with a surcharge at the rate of 5%.

4.7.2.1 Please be reminded to report fixed/ time deposits.

4.7.2.2 Please provide photocopies of documents that can identify the name of the holder of the account and the account number (for instance, the first page of a savings passbook) and photocopies of all bank accounts or monthly statements that can show all transactions between 1.4.2018 and 31.3.2019.

For time deposits, if the receipts / documents do not show the balance as at 31.3.2019, please state the balance at the nearest date to 31.3.2019. If the maturity date is beyond 31.3.2019, you should still write down the principal amount and provide copies of the notice of the time deposit with the deposit period covering 31.3.2019. For example, if a time deposit covers the period 1.2.2019 to 30.4.2019, as the deposit period covers 31.3.2019, the principal amount should also be reported. If the money deposited is transferred from a savings account to a time deposit account, it is insufficient if only the savings account is reported without reporting the concerned time deposit account.

If the account was closed between 1.4.2018 and 31.3.2019, you still have to report the account and provide the transaction records up to the closing date; you should also report in Step 12 “Additional Information” on how the savings were disposed of.

If you have lost the documents concerned, please ask the bank to reproduce one. If you fail to do so, your application will not be considered.

If the bank account reported was opened after 1.4.2019, you will need to photocopy the first page of the passbook / first set of bank statement to prove the name of the account holder and the account number and the first inner page of the passbook to show the opening date of the account.
4.7.2.3 To ensure that the financial circumstances reported in the application are true and complete, the SFO will make enquiries on transactions shown in bank statements. To speed up the processing of the application, you should give explanations for the following transactions:

(i) an amount of $100,000 or more (which may be fixed deposits);
(ii) any other deposits of odd cents (which may be interest from time deposits or dividends from stocks and shares);
(iii) other regular cash / cheque deposits (which may be contributions / remittance from relatives or income from part-time jobs), and provide documentary proof with your application.

If situation warrants, the SFO may contact you for clarifications and documentary proof of the bank transactions.

4.7.2.4 For the bank account for payment of financial assistance, you must be the sole holder of the account. The account should be a Hong Kong dollar savings or current account. Time deposit account, credit card account and foreign currency account will not be accepted for payment purpose.

4.7.2.5 If you do not have a valid bank account of your own, please open one before submitting your online application. If you have reasons to use a new bank account number, please notify the SFO by using the Notification of Change of Personal Data Form (FASP/C/1A) (which is obtainable from the SFO’s webpage) and submit it with supporting documents (e.g. photocopy of the first page of the bank passbook showing the name of the account holder and the account number) to this application. Please note that the new bank account will replace all the bank accounts(s) provided by you previously under the FASP / NLSPS / Student Travel Subsidy Scheme.

4.7.2.6 If you are under the age of 18 and do not have a valid bank account of your own should note that not all banks currently provide bank account service to persons under the age of 18. You should make your own decision in choosing a bank which provides the services required by you. You should clarify with the bank its terms and conditions, service charge required (if any) and/or processing time required. Failure to open a bank account on time before submission of an application will not be accepted as a reason for late application.

Appendix II

Student Travel Subsidy (STS) Scheme

1. If you are eligible to apply for assistance under the Financial Assistance Scheme for Post-secondary Students (FASP) and wish to apply for student travel subsidy at the same time, you should do so through the FASP application. You may indicate your wish to apply for the STS along with the FASP application and fill in your term-time residential address in Step 5.

2. If you are a student of an accredited programme covered by the FASP, are successful in your applications for assistance under the FASP, reside (at home/ in hostel) beyond 10 minutes’ walking distance from your normal place of study and require the use of public transport for travelling to school, you may be eligible for travel subsidy. Please note that students undertaking the following programmes will not be eligible for the STS:
   - distance-learning programmes, on-line programmes or programmes outside Hong Kong;
   - term-day placement with allowance of any kinds; or
   - periods of exchange/ placement programme outside Hong Kong.

3. There are two levels of subsidy, namely full level and half level. If you are entitled to maximum financial assistance under the FASP, you will be eligible for full level travel subsidy. If you are entitled to assistance below the maximum level, you will be eligible for travel subsidy at half level.

4. The amount of travel subsidy is calculated on the basis of the average fare on public transport between the districts in which you study and reside during term-time. If you change your residential address during term-time, you should inform the SFO by filling in the form on notification of change of personal data (FASP/C/1A).

5. If you have not applied for travel subsidy at the time of your application for assistance under the FASP but wish to re-apply for the STS thereafter, you should submit in writing to the SFO for consideration by completing Form (FASP/STS/1C) with the residential address proof. Under normal circumstances, the SFO will not accept any application for STS for tertiary student submitted on or after 1.4.2020. Late application under exceptional circumstances must be accompanied by a recommendation letter from the institution in support of the case.

6. Payment procedures and Application result:

   a) STS will normally be released two months after the FASP assistance is released. Payment of the travel subsidy for the school year will be made by autopay by instalments or in one lump sum and credited into the bank account specified in the application form.

      i) For institutions with hostel accommodation/ exchange programme/ placement
      As the residence/ study status of the applicant will directly affect whether and how the SFO will disburse the travel subsidy to the applicant, it is necessary for the SFO to confirm whether the applicants are hostel/ exchange/ placement students in the first semester before the disbursement of the first instalment of STS payment. The remaining balance can only be released to applicants after the list of hostel/ exchange/ placement students for the whole school year is received from the institutions.

      ii) For institutions without hostel accommodation/ exchange programme/ placement
      It is necessary for the SFO to confirm the course information before the disbursement of the STS payment. If the institutions concerned provide the course information before our disbursement of the STS payment, the applicants will be paid in one lump sum. Otherwise, the SFO may need to arrange payment to the applicants by instalments.

   b) The SFO bears no responsibility for any erroneous entry made by the applicants. Any such errors may cause delay in receipt of payment. Any bank charges incurred due to such error will have to be borne by the applicants.

   c) List of institutions with payment made to their students will be posted onto the SFO’s webpage from time to time. Separately, the SFO will send SMS message to the successful applicants in accordance with the mobile phone number provided by the applicants to notify them that the payment of subsidy has been made by auto transfer.

   d) In case the institutions update any information provided that affects the payment of travel subsidy, the SFO will recalculate the subsidy accordingly. The applicants may be required to refund any overpaid subsidy.

   e) If your payment has been rejected by the Autopay System due to incorrect information on the application form, you will be notified to approach the Student Travel Subsidy Section of the SFO for rectification of incorrect data.

   f) In case your application is unsuccessful, you will be notified separately.

Note 1: Loan borrowers who have obtained LE loans and without any loan accounts repaying with quarterly repayment arrangement under different financial assistance / loan schemes administered by the SFO are required to repay their LE loans by monthly instalments. In case you have loan accounts repaying with quarterly repayment arrangement under different financial assistance / loan schemes, the above monthly repayment arrangement will not be applicable until further announcement by the SFO. Meanwhile, the quarterly repayment arrangement will be applicable to all of your loan accounts under different financial assistance / loan schemes.

Note 2: Under FASP, interest is not charged during the study period. Thus, the fixed interest rate of 1% p.a. is nominal only. The effective interest rate over the entire loan period depends on the length of the study period as well as the period of repayment.

Note 3: The estimated amount is for reference only. Under FASP, the minimum amount of each repayment instalment is $100 except for the last instalment. If the principal is small, say $1,000, the amount of each instalment will be less than $100 if the LE loan is to be repaid in 60 instalments. Under such circumstances, the loan borrowers will be required to repay at the minimum amount of $100 per instalment and the length of repayment will be shortened.
INFORMATION NOTES ON REPAYMENT OF LOAN
UNDER FINANCIAL ASSISTANCE SCHEME FOR POST-SECONDARY STUDENTS
(FASP)

1. You are required to repay your living expenses loan, which shall normally commence on 1 December of the year of your graduation or when the course has officially ended, until it is repaid in full. The first instalment of loan repayment will normally fall due on 1 January or 1 July of the following year of your graduation. If you have not received the notice of commencement of repayment or demand of repayment within 6 months after your graduation or the course has officially ended, you should notify the SFO in writing immediately.

2. The LE loan borrowed by you and the interest accrued thereon are repayable in 15 years (‘Repayment Period’) by 180 equal monthly instalments, or in a shorter Repayment Period by equal monthly instalments as agreed by the SFO. Whereas if as determined appropriate by the SFO, the loan borrowed and the interest accrued thereon are repayable within the Repayment Period by equal quarterly instalments.

3. If you cease to be registered as a full-time student or withdraw or defer or are suspended from your studies before graduation of a FASP/TSFS programme or you have not completed the programme for any reason, you must immediately notify the SFO in writing. Under such circumstances, you will be required to start repayment of the loan immediately in one lump sum or by equal instalments, and if by instalments over a revised Repayment Period, and also interest accrued under the loan at the rate of 1% per annum. The length of the loan Repayment Period, its commencement date, and repayment arrangements shall be decided by the SFO.

4. Monthly repayment instalments will normally fall due on 1st of each calendar month each year. Monthly demand notes will be issued, as far as practicable, 14 days before each repayment due date in electronic form. If you do not receive the demand note 7 days before each due date, you should contact the SFO without delay.

5. Non-receipt of demand notes for repayment or electronic notifications does not exempt you from the obligation to repay the instalment due on or before the due date. If the repayment of any instalment is not made on or before the instalment becomes due, you will be required to repay with the Government of the Hong Kong Special Administrative Region (‘Government’) the amount of the overdue instalment together with a surcharge as set out in paragraph 10 below.

6. Within the Repayment Period, you can put up a request to change the Repayment Period. The request should be put up 14 days before the due date of the upcoming instalment so that the revised repayment schedule will take effect in the upcoming instalment. If you fail to put up your request by the above mentioned deadline or your loan is currently under deferment, the effective date of your requested extension or shortening of Repayment Period will be postponed accordingly. Request could be made in writing by post, fax or email. Verbal request will not be accepted. For request by post, the postmark date on the envelope will be regarded as the date of request. Underpaid mail items will not be accepted. Please ensure your mail items bear sufficient postage before posting. For request by fax or email, the date of the fax or email received by the SFO will be regarded as the date of request. You have to repay your instalments according to the original repayment schedule until the revised repayment schedule takes effect.

7. Interest at a rate of 1% per annum shall be charged on the loan borrowed by you from the commencement date of the loan Repayment Period. You may have a rough estimation on the repayment amount by referring to the repayment calculator made available in the “SFO E-link” at http://e-link.wfsfaa.gov.hk.

8. Interest of each monthly instalment is the interest accrued for the month immediately preceding the instalment due date.

9. Each instalment amount (instalment loan principal and instalment interest) shall not be less than $100.

10. If you fail to repay the loan or interest or any part thereof when it becomes due, you will be required to repay with the Government the overdue amount together with a surcharge at the rate of 5%.
11. With a view to facilitating better financial management of loan borrowers, loan borrowers who have obtained LE loans and without any loan accounts repaying with quarterly repayment arrangement under different financial assistance / loan schemes administered by the SFO are required to repay their LE loans by monthly instalments. In case you have loan accounts repaying with quarterly repayment arrangement under different financial assistance / loan schemes, the above monthly repayment arrangement will not be applicable until further announcement by the SFO. Meanwhile, the quarterly repayment arrangement will be applicable to all of your loan accounts under different financial assistance / loan schemes.

12. If you wish to make early repayment of the loan, a request should be put up in writing by post, fax, email or via the “SFO E-link” (http://e-link.wfsfaa.gov.hk). Verbal request will not be accepted. For request by post, the postmark date on the envelope will be regarded as the date of request. Underpaid mail items will not be accepted. Please ensure your mail items bear sufficient postage before posting. For request by fax, email or via the “SFO E-link”, the date received by the SFO will be regarded as the date of request. Normally you have to settle the early lump sum or partial repayment demand note in full within 14 days from the issue date of the concerned demand note. If you fail to repay the early lump sum or partial demand note when it becomes due, surcharge incurred due to such late repayment shall be calculated in the same way as set out in paragraph 10 above.

(a) For early lump sum repayment of the loan, the repayment amount shall include all outstanding principal, interest and surcharge (if any).

(b) For early partial repayment of the loan, the repayment amount shall not be less than an amount decided by the SFO (currently set at HK$5,000) or the total of one repayment instalment, whichever is greater.

(c) Interest of early repayment is calculated as follows:

<table>
<thead>
<tr>
<th>Loan Account Status</th>
<th>Early lump sum repayment</th>
<th>Early partial repayment</th>
</tr>
</thead>
<tbody>
<tr>
<td>Before commencement of repayment</td>
<td>Interest will not be charged</td>
<td>Interest will not be charged</td>
</tr>
<tr>
<td>During the repayment period</td>
<td>Interest will be charged up to the preceding day of the date of request</td>
<td>Interest will be charged up to the preceding day of the due date of the forthcoming instalment</td>
</tr>
</tbody>
</table>

(d) You are advised to submit a request for early partial/ lump sum repayment of FASP loan after careful consideration. If you cancel and make another request for early repayment of loan within the same month, the SFO may consider not accepting the second/ revised application. If you have fully settled the early partial/ lump sum repayment demand note, cancellation request to ask for refund of the sum of early partial/ lump sum repayment will not be accepted.

13. Any partial repayment made by you which does not discharge in full any amount due and payable shall be applied in or toward the discharge of: firstly the surcharge, secondly (any balance thereof) the interest, thirdly (any balance thereof) the overdue principal portion of the loan and finally all costs incurred by the Government for the recovery of the overdue amount.

14. For repayment by post, the postmark date will be regarded as the repayment date for the purpose of charging the surcharge. Underpaid mail items will not be accepted. Please ensure your mail items bear sufficient postage before posting. For repayment via internet online banking payment services, the actual date the bank effects its payment will be regarded as the repayment date for the purpose of charging surcharge.

15. Any repayment or overpayment made by you before the instalment due date will be applied to repay the forthcoming instalment(s) according to the repayment schedule until the amount is exhausted. Interest payable for those instalments will not be reduced or exempted.

16. Loan borrowers are required to make repayments on time. If you plan to leave Hong Kong on or before the repayment due date, you are required to make prior repayment arrangement before leaving Hong Kong. If you intend to leave Hong Kong for a period longer than 3 months or to emigrate, you are required to notify the SFO immediately. Upon receipt of such notification, unless the SFO has otherwise come to an agreement with you concerning the repayment schedule of the loan or unless the SFO is satisfied that you shall be able to continue to repay the loan based on the original repayment schedule, the SFO could demand your immediate repayment of all outstanding balance of the loan, interest and surcharge (if any) and recovery expenses. Under whatever circumstances, you have to repay the instalment due on or before the due date; if the repayment is not made before the instalment becomes due, surcharge incurred due to such late repayment shall be calculated in the same way as set out in paragraph 10 above.
17. If you are bankrupt; and/or have applied for IVA; and/or are aware that legal proceeding(s) has / have been started (or are pending or being threatened) against you for your bankruptcy or for the appointment of a receiver, administrator, administrative receiver, trustee or similar officer over any or all of your assets, you are obliged to notify the SFO in writing immediately.

18. You and your indemnifier are required to notify the SFO immediately in writing of any change of your or your indemnifier’s correspondence address or other contact information, including mobile phone number, email address or fax number. For any changes in correspondence address, you are required to provide together with a copy of documentary evidence showing your address in the past 3 months. Documentary evidence of address should be letters issued by government bureaux/departments, public organisations/utilities or commercial organisations. If necessary, you may be required to produce the documentary evidence in originals. You should use the amendment form [FASP/IDM/INFO/E] for change of indemnifier’s personal particulars. The amendment form can be downloaded from the SFO website at http://www.wfsfaa.gov.hk/sfo/en/postsecondary/fasp/application/forms.htm.

19. You are required to procure immediately or otherwise upon the first repayment notification of the SFO another alternative Indemnifier located in Hong Kong and acceptable to the Government to execute the Indemnity in favour of the Government in the event that your Indemnifier intends to leave or has already left Hong Kong for a period longer than 3 months or to emigrate or has already emigrated failing which the SFO has the power to demand you to repay all outstanding balance of the loan, interest and surcharge (if any).

20. If your indemnifier after signing the Deed becomes incapable of fulfilling the obligations required under the Deed; or deceased; or if you are aware that a bankruptcy petition is filed by or presented against him/her or a bankruptcy order is made against him/her; or your Indemnifier applies for IVA; or you are aware that a receiver, administrator, administrative receiver, trustee or similar officer has been appointed over any or all of your Indemnifier’s assets; or your Indemnifier is involved in any litigation, arbitration or administrative proceedings (whether inside or outside Hong Kong) or if there is any claim (whether inside or outside Hong Kong) against him/her or any of his/her assets after he/she signs the Deed; you and/or your Indemnifier is/are obliged to notify the SFO in writing immediately. You are also required to procure and provide full particulars of an alternative qualified Indemnifier located in Hong Kong and acceptable to the SFO to replace the original one upon occurrence of the above circumstances. The alternative Indemnifier (if accepted by the Government) shall act in substitution and shall execute similar Deed.

21. If you have obtained loans for different courses, or for the same Course under different loan schemes administered by the SFO, separate loan accounts will be created under the respective loan schemes. Interest and administrative fee (if applicable) will be calculated separately for each account. Request for merging loan accounts will not be accepted.

22. In case of any breach of any of the terms and conditions of loan or late repayment of any instalment(s) due, the SFO has the power to demand you and/or your Indemnifier(s) to repay all outstanding balance of the loan, interest and surcharge (if any) and any recovery costs (including legal costs and related expenses in the course of legal recovery actions). The SFO also has the power to withhold the consideration and processing of your other financial assistance applications and/or repayment applications under different financial assistance schemes administered by the SFO.

23. Terms and conditions applicable to the repayment of grant / loan may be altered and supplemented at any time by the SFO and shall be deemed incorporated and form part of the terms and conditions. The altered version will be uploaded to the website of the SFO and/or sent to your last address notified to the SFO.

Students pursuing full-time locally-accredited self-financing post-secondary education programmes and meeting other eligibility criteria may apply for financial assistance under the FASP. If you are eligible to apply for financial assistance under the FASP, you will generally be excluded from the CSSA Scheme. The SWD will include post-secondary students in CSSA families in the calculation of rent allowance with effect from April 2014, so that the amount of special grant to cover rent for the CSSA families will not be affected if they have members receiving post-secondary education. If you have financial difficulties in the period between cessation of CSSA and disbursement of financial assistance from the SFO, you may approach staff of the concerned Social Security Field Unit under the SWD for assistance. Under the special arrangement, CSSA can continue to be paid to the student in need on a “loan” basis. In other words, the applicant has to refund the CSSA payment for that period once he receives financial assistance from the SFO.

(40) My father has got some deposits, which are not his income, in his bank account. Am I required to provide information about those deposits and how to report the information?

To ensure that the financial circumstances as reported in the application are true and complete, the SFO will make enquiries on transactions shown in bank statements. To speed up the processing of your application, you should give explanations beside the transactions and provide documentary proof as far as possible, in particular for an amount of $100,000 or more (which may be fixed deposits); any other deposits of odd cents (which may be interest from time deposits or dividends from stocks and shares); and other regular cash / cheque deposits (which may be contributions / remittance from relatives or income from part-time jobs).
