Dear Parents,

Online Application
Household Application for Student Financial Assistance Schemes (Household Application)
for 2025/26 School Year

The Household Application for Student Financial Assistance Schemes for the 2025/26 school year will start accepting applications for student financial assistance at pre-primary level soon. Needy families may submit applications to the Student Finance Office (SFO) of the Working Family and Student Financial Assistance Agency to apply for student financial assistance for students at pre-primary, primary or secondary levels.

SFO encourages applicants to **apply online**. Using E-form is convenient and saves time. Applicants may complete and submit applications online with their personal computers or smart phones and upload supporting documents online anytime and anywhere. Applicants no longer need to submit applications in person or by post, and this can also save money on postage and photocopying.
