IMPORTANT NOTES

I. Household Application for Student Financial Assistance Schemes

- “Household Application Form for Student Financial Assistance Schemes” is a family-based application form which facilitates families with child(ren) attending primary and secondary school(s) or kindergarten(s) / child care centre(s) to apply for student financial assistance.
- If families wish to apply for student financial assistance in 2026/27 school year, please complete the paper-based application form and return the completed application form together with all necessary supporting documents to the Student Finance Office (SFO) direct by post; or complete the “Electronic Household Application Form for Student Financial Assistance Schemes” (Electronic application form), upload all necessary supporting documents and submit them together online, according to this Guidance Notes. The electronic application form and relevant application documents are available at our e-service platform (<https://eWFSFAA.gov.hk>). Please note that applicants are NOT required to submit the application form to the attending schools of their children for processing. Please read every paragraph of this Guidance Notes carefully before completing the application form.
- If applicants have already submitted the application form for 2026/27 school year to the SFO, please do not submit the application form again (including electronic or paper-based application form) [unless advised by the SFO]. Multiple applications from the same applicant will be voided and lead to delay in processing the application. If applicants wish to amend any information in their application submitted or to provide supplementary information, they should notify the SFO in writing. The notification should be duly signed by the applicants and submitted together with relevant supporting documents.
- Generally speaking, if families currently in receipt of the Comprehensive Social Security Assistance (CSSA) have children studying in primary and secondary schools or kindergartens and other class levels below, they should apply direct to the Social Welfare Department (SWD) for school-related assistance for school fees, examination fees, textbook and stationery costs, transport fares, Internet access charges at home, etc. for the 2026/27 school year. They do not need to submit “Household Application Form for Student Financial Assistance Schemes” to the SFO.

II. Applicable to Applicants of Financial Assistance for Primary and Secondary Students

- Applicants should return the completed application form together with all necessary supporting documents to the SFO direct by post or through online submission preferably on or before 31 May 2026 as application processing takes time. If applicants who submit applications on or before 31 May 2026 have provided all necessary information with supporting documents, met the eligibility criteria and passed the means test, the SFO will issue the student-based Eligibility Certificates (ECs) to eligible families from around August 2026 onwards. Applicants should return the completed ECs to the schools in which the children are attending within one week after the commencement date of the schools or within two weeks from the issue date of the ECs (whichever is the later) for processing. After receiving the ECs verified by schools, the SFO will release subsidies to eligible applicants from around end October / November 2026 onwards. (Please refer to paragraph 4.1.1 for details).

III. Applicable to Applicants of Financial Assistance for Pre-primary Students

- Applicants with children newly attending kindergarten / child care centre in the 2026/27 school year or who have not received financial assistance for pre-primary students in the 2025/26 school year, if interested in applying for financial assistance for pre-primary students for the 2026/27 school year, may obtain the paper-based application form from schools or other distribution locations starting from around July 2026, or use the online electronic application form. Applicants should then return the completed application form together with all necessary supporting documents to the SFO direct by post or through online submission as soon as possible for processing.
- Besides, applicants must also complete the student-based School Certificate (SC) (obtainable from schools or other distribution locations) and submit the SC to the school concerned by 31 August 2026, and the school will then pass the SC to the SFO. Upon receipt of the SC from the school, the SFO will arrange disbursement of fee remission / subsidy after verifying the eligibility of the student-applicants. The SFO will disburse fee remission to the successful applicants through the schools concerned and / or disburse the Grant for School-related Expenses for Kindergarten Students (Grant-KG) through autopay by batches starting from end September 2026. (Please refer to paragraph 4.1.2 for details).

- 2.2 **Other Financial Assistance** – Families of student-applicants passing the means test, apart from eligible for applying for subsidies listed in the table at paragraph 2.1 above in accordance with the conditions of individual schemes, are also eligible to apply for the Examination Fee Remission (EFR) Scheme to the Hong Kong Examinations and Assessment Authority (HKEAA) through the attending schools. The EFR Scheme is to provide assistance to eligible students attending designated public examinations administered by the HKEAA. Please refer to the Circular on Applications for Examination Fee Remission issued by the HKEAA for details of application and eligibility criteria.

3. The Means Test and Levels of Assistance

- 3.1 The SFO will use the “Adjusted Family Income” (AFI) mechanism as the means test to assess the eligibility of a family for student financial assistance and its assistance level.
- 3.2 The AFI mechanism is based on the following formula:

$$\text{AFI} = \frac{\text{Gross annual income of the family}}{\text{Number of family members} + (1)}$$

- (i) Gross annual income of the family includes the annual income of applicant and his / her spouse; 30% of the annual income of unmarried child / children residing with the family if applicable; and the contribution from relatives / friends if applicable.
- (ii) The members of a family normally refer to the applicant, his / her spouse, unmarried child / children residing with the family and the dependent parent(s) who are supported by the applicant and / or his / her spouse (Please refer to Paragraph 2.3 of “Notes on How to Complete and Return Household Application Form” (SFO 75B(2)) (referred below as “Notes on How to Complete the Form”) for definition of “Dependent Parent”).
- (iii) For single-parent families of 2 to 3 members, the “plus 1 factor” in the divisor of AFI formula will be increased to 2.
- 3.3 The AFI eligibility benchmarks for various levels of assistance in the 2026/27 school year are listed in the tables below. **Please note that the AFI is not the average monthly income of a family.**

3.3.1 Applicable to Financial Assistance Schemes for Primary and Secondary Students

2026/27 school year - AFI Groups (HK\$)	Level of Assistance
0 – 46,292	Full*
46,293 – 89,515	Half
> 89,515	Ineligible (applications not successful)

3.3.2 Applicable to Financial Assistance Schemes for Pre-primary Students

2026/27 school year - AFI Groups (HK\$)	Level of Assistance
0 – 46,292	Full (100%)*
46,293 – 56,707	3/4 (75%)
56,708 – 89,515	Half (50%)
> 89,515	Ineligible (applications not successful)

AFI thresholds for full level of assistance for 3-member and 4-member families are \$56,044 and \$51,561 respectively in the 2026/27 school year. For 2-member single-parent families and 3-member single-parent families, they are regarded as 3-member families and 4-member families respectively for determining the AFI thresholds for full level of assistance and calculation of AFI.

3.4 Computation method of fee remission for KCFR Scheme:

- (i) Nursery, Lower and Upper classes in Kindergarten (K1 to K3) joining the kindergarten education scheme:

$$\text{Half-day class monthly fee remission} = \frac{[\text{Annual net fee* or fee remission ceiling (whichever is the less)} \times \text{level of assistance}]}{\text{No. of operating months of the kindergarten}}$$

$$\begin{array}{lcl} \text{Whole-day class} & & \text{[Annual net fee* or fee remission ceiling} \\ \text{monthly fee} & = & \text{(whichever is the less)} \\ \text{remission} & & \text{x level of assistance} \\ & & \text{No. of operating months of the} \\ & & \text{kindergarten} \\ & & \text{+} \\ & & \text{[Actual monthly meal charge or} \\ & & \text{maximum meal allowance} \\ & & \text{(whichever is the less)} \\ & & \text{x level of assistance]} \\ & & \text{---} \\ & & \text{(Meal Allowance)} \\ & & \text{---} \\ & & \text{(Tuition Fee Subsidy)} \end{array}$$

* refer to the annual school fee after deducting all the government subsidies under the Kindergarten Education Scheme

- (ii) Child Care Centre (group aged 0-2) / Child Care Centre (group aged 2-3):

$$\text{Monthly fee remission} = \text{Monthly fee inclusive of meal charge or fee remission ceiling (whichever is the less) x level of assistance}$$

- (iii) Fee Remission Ceilings:

The fee remission ceilings for various levels of KCFR Scheme and the maximum meal allowance (for whole-day kindergarten classes) will be available soon after the commencement of the 2026/27 school year on the website of the Working Family and Student Financial Assistance Agency (WFSFAA) (www.wfsfaa.gov.hk).

3.5 “Social needs” test is required for the application with children aged between 0 and 3 attending whole-day child care centre or kindergarten-cum-child care centre. Applicants with children receiving whole-day child care services (i.e. groups aged 0 to 2 and 2 to 3) must pass the AFI means test and the “social needs” test within the same assessment period in order to qualify themselves for the fee remission. Therefore, applicants should complete the “Social Needs” Assessment Form for Kindergarten and Child Care Centre Fee Remission (SFO 235A) in addition to the application form and submit the completed forms and the supporting documents. Those receiving half-day child care services are not eligible to apply for KCFR Scheme.

3.6 In case any student-applicant who has applied for / is receiving fee remission later transfers to another school during the school year, the applicant should obtain Form C (Application Renewal Form for student-applicant who has changed school / resumed class within the 2026/27 school year) from the kindergarten / child care centre newly attended and return the completed form to the SFO through the new school soonest possible. The effective month of fee remission will be the month in which Form C is received by the kindergarten / child care centre, or the month in which the student-applicant is admitted to the school, whichever is the later. If the student-applicant has received fee remission for a particular month from the previous kindergarten / child care centre, he / she will not be granted fee remission for the same month from the new kindergarten / child care centre.

3.7 KCFR Scheme aims to provide financial assistance to students only for the period that they are studying in kindergartens / children receiving whole-day child care services in child care centres. Hence, to qualify for the month's fee remission, the student-applicant must have paid the tuition fee and has attended the kindergarten / child care centre in that month. If a student-applicant has been absent from kindergarten / child care centre for an entire month, under normal circumstances, the SFO will cease payment for his / her fee remission for the month(s) of non-attendance.

4. Application Procedure and Timetable

6. Payment and Adjustment Arrangement

- 6.1 For financial assistance for primary and secondary students, the SFO will disburse the subsidies to eligible applicants by autopay from around end October / November 2026 onwards.
- 6.2 For Kindergarten and Child Care Centre Fee Remission, the approved amount of fee remission will be paid to the kindergartens / child care centres concerned directly by the Treasury in about 10 working days after the issue of notification of result with fee remission amount. Payment to applicants will then be arranged by the kindergartens / child care centres.
- 6.3 The SFO will disburse the Grant for School-related Expenses for Kindergarten Students through autopay to the bank account of the eligible applicants starting from end September 2026 at the earliest.
- 6.4 If applicants would like to apply for re-assessment due to substantial changes in the applicant's family particulars after the assessment period or other reasons, they may apply in writing to the SFO, specifying in the written request the application number or the HKID card number of the applicants, and providing detailed justifications and any documentary evidence in support of their application. The application for re-assessment must be duly signed by the applicants. Re-assessment normally takes three months to process. Since longer processing time will be needed for re-assessment, applicants should apply as promptly as possible for re-assessment within one month from the issue date of the notification of result or before the school year ends, whichever is the earlier.

- 6.5 The subsidy under STS Scheme is calculated on the basis of the average unit fare relevant to the districts in which the student studies and resides during term-time. Full or half rate of subsidy will be provided based on the level of assistance assessed. It is not in a form of actual reimbursement. As such, the subsidy provided is not equivalent to the actual home-school travelling expenses incurred by the students. If applicants would like to seek a review of the subsidy amount, they could raise such a request in writing within one month from receiving the subsidy. The applicants need to provide detailed justifications, specify the application number or the HKID card number, and duly sign the request for review. The review will normally be completed within three months.

 - (ii) the applicant fails to provide the complete information as required by the WFSFAA during the detailed checking exercise in respect of any previous applications made by the applicant under any of the financial assistance schemes mentioned in paragraph 2 above before the stipulated deadline; and

- 6.7 Without prejudice to any rights and remedies available to the Government against an applicant and any other persons, if there is any overpayment to the applicants under any of the financial assistance schemes (including but not limited to those mentioned in paragraph 2 above) or loan schemes administered by the WFSFAA, regardless of the cause for such overpayment, the applicant is liable to refund the overpaid amount immediately upon the request of the WFSFAA.
- 6.8 Without prejudice to paragraph 6.7 above, if any overpayment was made to the applicant or any amount was due to be paid by the applicant to the Government under or in connection with any of the financial assistance schemes (including but not limited to those mentioned in paragraph 2 above) or loan schemes administered by the WFSFAA, the WFSFAA may offset the amount overpaid or the amount due against the financial assistance which the applicant is entitled to under any financial assistance schemes administered by the WFSFAA.
