Application Processing

To ensure that your application could be processed promptly, please submit your application form and all the required supporting documents on or before the deadline. The Student Finance Office, Working Family and Student Financial Assistance Agency will accord priority to those applications with complete information upon submission. In addition, if you are requested to submit supplementary information for processing of your application, please adhere to the deadline specified. Otherwise, the processing time of your application may be longer.

Students who have applied for the Tertiary Student Finance Scheme - Publicly-funded Programmes (TSFS), a means-tested financial assistance scheme, will be informed of their TSFS and NLSFT entitlement simultaneously in their TSFS notification of results as auto-created cases. However, if these students wish to apply for and be offered with the NLSFT loan earlier, they are required to submit a separate NLSFT application for processing.
1. THE NON-MEANS-TESTED LOAN SCHEME FOR FULL-TIME TERTIARY STUDENTS

1.1 The Non-means-tested Loan Scheme for Full-time Tertiary Students (NLSFT) is to complement the TSFS to provide loans to eligible students to settle tuition fees of recognised full-time study courses. Continuation fees for postgraduate courses are not covered by the NLSFT.

1.2 These Guidance Notes and the Application Form they refer to are meant for full-time students who are taking up a TSFS recognised course, i.e. an exclusively University Grants Committee (UGC)-funded or exclusively publicly-funded student place of a recognised course as listed in the Course Coding Sheet in the UGC-funded institutions, the Hong Kong Academy for Performing Arts, Hong Kong Institute of Vocational Education, Hong Kong Design Institute, Chinese Culinary Institute and International Culinary Institute, and Maritime Services Training Institute of the Vocational Training Council and the Prince Philip Dental Hospital. Please refer to the Course Coding Sheet available at your institution or the website of the Student Finance Office (the SFO), Working Family and Student Financial Assistance Agency at http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/general/coding.htm for the eligible courses under the TSFS/NLSFT.

1.3 If you are an eligible student under the TSFS, you may apply for the TSFS and the NLSFT simultaneously. For application details of the TSFS, please refer to the TSFS Application Guidance Notes [TSFS/1B(2020) or TSFS/1A(2020)].

1 The Non-means-tested Loan Scheme for Full-time Tertiary Students (NLSFT) was known as the Non-means-tested Loan Scheme (for full-time tertiary students who are covered under the Tertiary Student Finance Scheme - Publicly-funded Programmes) (NLS) before the 2013/14 academic year.
Part I – General Information

(b) have the right of abode in the Hong Kong Special Administrative Region (Hong Kong) or have resided or have had your home in Hong Kong continuously for three complete years prior to the commencement of the course.

(Remarks: This does not cover students holding -

(i) student visas/entry permits;

(ii) visas/entry permits under the Immigration Arrangements for Non-local Graduates; or

(iii) dependant visas/entry permits which were issued to them by the Director of Immigration when they were 18 years old or above.)

2.2 Your eligibility is restricted to only one eligible full-time course in any particular academic year.

2.3 If you are going to join an overseas exchange programme in the 2020/21 academic year, you are still eligible for applying for loans under the NLSFT provided that you are registered as a full-time student and take up an exclusively UGC-funded or exclusively publicly-funded student place of a recognised course at a recognised institution.

2.4 Even if you are eligible under the above circumstances, the SFO reserves the right to require you to submit supplementary documents/information as and when necessary; and the final approval of your NLSFT application will rest with the SFO.

3. MAXIMUM LEVEL OF LOAN AMOUNT AND LIFE-TIME LOAN LIMIT

3.1 Students who apply for the NLSFT loans only, i.e. have not applied for assistance (i.e. grant and loan) under the TSFS or fail to obtain assistance under the TSFS, may receive loan up to the maximum amount of their tuition fees payable.

3.2 Students who receive financial assistance under the TSFS may be entitled to loan under the NLSFT up to the difference between the maximum financial assistance (i.e. actual tuition fees payable plus the maximum amounts of academic expenses and living expenses) under the TSFS and the amount of financial assistance they may receive under the TSFS, subject to the NLSFT loan maximum (equivalent to the tuition fees payable) not being exceeded.

3.3 With effect from the 2012/13 academic year, a combined life-time loan limit is imposed on students eligible for receiving loans under the NLSFT and the Non-means-tested Loan Scheme for Post-secondary Students (NLSPS). The loan limit will be price-adjusted annually in accordance with the movement of the Composite Consumer Price Index. For the 2019/20 academic year, the combined life-time loan limit is HK$372,700. The combined life-time loan limit for the 2020/21 academic year will be announced in the SFO website at http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsft/general/loan_limit.htm later.

3.4 Loan(s) disbursed from the 2012/13 academic year and onwards will be counted towards the combined life-time loan limit, which is not of revolving nature and will not be reset by any repayments.
3.5 Students who have exhausted their life-time loan limit for studying courses for attaining their first degree-level study may make use of the Form in Part III of this Guidance Notes to apply to use up to HK$100,000 of their life-time loan limit under the Extended Non-means-tested Loan Scheme. Such applications will be considered on a case-by-case basis. The SFO will consider factors such as whether the students are studying for their first degree-level study and the tuition fee level of the course, etc.

4. INTEREST AND ADMINISTRATIVE FEE

4.1 The NLSFT operates on a full-cost recovery basis. Interest rate is set at the Government of the Hong Kong Special Administrative Region (the Government)’s no-gain-no-loss rate which is currently set at 3.977% below the average best lending rate (BLR) of the note-issuing banks, plus a risk-adjusted factor which seeks to cover the Government’s risk in disbursing unsecured loan. Interest is accrued upon loan drawdown and throughout the study period until the loan is repaid in full. The Director of Accounting Services will review the no-gain-no-loss interest rate by the end of each month according to any changes in the average BLR in the month and will adjust the rate with effect from the first day of the following month. The Finance Committee of the Legislative Council has approved to reduce the risk-adjusted factor to zero with effect from the 2012/13 academic year, and the arrangement is currently under review. You may refer to the SFO website at http://www.wfsfaa.gov.hk/sfo/pdf/common/Form/nls/NLS_interest_and_Admin_fee.pdf for the prevailing NLSFT interest rate.

4.2 An administrative fee, to cover the full costs of processing and administering the NLSFT loan, is chargeable for each application and each loan account:

4.2.1 Administrative fee is chargeable upon submission of application and annually thereafter until the NLSFT loan and interest accrued thereon are fully repaid. Administrative fee will be charged on each loan account on an academic year basis and is chargeable on 1 December each year. If there is any unsettled balance under the loan account on or after 1 December, administrative fee will be demanded for repayment in the demand note with due date falling on 1 January of the following year.

4.2.2 Administrative fee is a fixed fee and will not be charged on a pro-rata basis nor divided by instalments. Administrative fee paid is neither refundable nor transferable.

4.2.3 Under normal circumstances, loan recipients will not receive any demand note before the commencement of loan repayment. Thus, the administrative fee accrued during the study period will be demanded for repayment in the first demand note with due date falling on 1 January following the commencement of loan repayment as stipulated in paragraph 13.1 below (If loan recipients have opted for deferred activation of loan repayment, the administrative fee accrued will be demanded for repayment in the demand note with due date falling on 1 January of the following year). If the loan repayment period shall end before 1 December of the loan repayment commencement year, the administrative fee accrued during the study period will be demanded for repayment in the first demand note after commencement of loan repayment. In other words, loan recipients may be required to repay administrative fee accrued for more than one year in the above-mentioned demand note.

---

2 Applicable to students pursuing specific post-secondary/continuing and professional education courses in Hong Kong.
4.2.4 For each loan application, the fee payable will include the said administrative fee and a handling charge levied by and payable to your institution.

4.2.5 Administrative fee is subject to review regularly. You may refer to the SFO website at http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsft/general/interest_and_fee.htm for the current administrative fee.

4.3 In general, loan accounts will be created on a course basis. Interest and administrative fee will be calculated separately for each account. Request for merging loan accounts of different courses will not be accepted. If you obtain loans under the NLSFT as well as other financial assistance/loan schemes administered by the SFO in respect of the same course, separate loan accounts will be created under the respective loan schemes. Request for merging loan accounts of different schemes will also not be accepted.

(a) within three weeks from the date of the SFO’s issue of the “Acknowledgement of Receipt of Application”; or
(b) around mid-July when the TSFS’s grant and loan ceilings are determined (applicable to continuing students only), whichever is later.

7.1.1.2 Processing time of your application will be longer under the following circumstances:

If you obtain the NLSFT loan under such arrangement, it may be necessary to make adjustments to the loan amount after your TSFS results are known. Details of the offsetting arrangements are set out in paragraph 10 below.
7.2 You should check the information printed on the NLSFT notification of result, especially your personal particulars, institution, course of study, tuition fee payable and bank account number. Should there be any discrepancies, you should immediately notify the SFO the amendments required in writing by using Form TSF/C/18A(E) (applicable to change of applicant's personal particulars) or TSF/C/18B (applicable to change of institution/course data). These amendment forms can be downloaded from the SFO website at [http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsft/application/forms.htm](http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsft/application/forms.htm).

8.4 You can choose to accept the NLSFT loan offered either in full or in part. Before you accept any NLSFT loan offered, you may have a rough estimation on the repayment amount by using the repayment calculator made available in the SFO E-link at http://e-link.wfsfaa.gov.hk. Please consider carefully about your need and repayment ability. In completing the Undertaking, the Deed and the Student, Indemnifier and Witness Details Input Form (Form A), you are required to specify, among other things, the exact amount of NLSFT loan accepted for the whole academic year. If you do not submit the duly completed and signed loan documents to SFO for the acceptance of loan offered under the NLSFT within (i) 2 calendar months from the date of issuance of the Notification, (ii) 4 weeks from the date of issuance of the Notification of Adjusted Result of Application for Financial Assistance, or (iii) on or before 30 June 2021 (whichever is the latest), SFO will assume that you do not wish to accept the loan, and the loan offered to you will be automatically cancelled.

8.5 The amount of NLSFT loan accepted should not be greater than the amount of NLSFT loan offered as stated in the NLSFT notification of result or the TSFS notification of result and not be less than HK$1,000.

8.6 In completing the Details Input Form (Form A), you are required to specify how your NLSFT loan is to be applied for the settlement of your tuition fees. You may choose either one of the two loan payment options, i.e. Head (“H”) or Tail (“T”).

(a) If you choose “H”, the SFO will apply the full amount of the NLSFT loan, which is equal to your loan amount accepted, to settle the first instalment in the first instance, any remaining balance to the second instalment and, if applicable, any remaining balance to the third instalment.

(b) If you choose “T”, the SFO will apply the full amount of the NLSFT loan, which is equal to your loan amount accepted, to settle the final instalment in the first instance, any remaining balance to the preceding instalment(s) and so on.

8.7 The chosen option will remain effective for the whole academic year, regardless of any subsequent revision of the NLSFT loan offer.

Documentary evidence of residential address should be a letter issued by government bureaux/departments, public organisations/utilities or commercial organisations. Post office box numbers, public letter boxes, care of addresses and student hostels will not be accepted as valid residential address;
(h) able to produce documentary evidence showing his/her office/employer’s business address in Hong Kong (e.g. his/her business name card or letter issued to him/her by his/her employer, etc.); and
(i) able to produce documentary evidence showing his/her financial position upon request by the SFO.

8.9 The following person is not acceptable to act as an indemnifier if, at the time when he/she signs the Deed of Indemnity, he/she:

(a) is an undischarged bankrupt; or
(b) is aware that a bankruptcy petition will be filed by him/her or presented against him/her; or
(c) has applied/is applying for an Individual Voluntary Arrangement ("IVA"); or
(d) is aware that a receiver, administrator, administrative receiver, trustee or similar officer has been appointed over any or all of his/her assets; or

Besides, if a person who has any arrears (including but not limited to grant(s), loan(s), interest, overdue interest, administrative fee and any recovery costs (including legal costs and related expenses in the course of legal recovery action), etc.) under any financial assistance/loan scheme(s) administered by the SFO, or has previously failed to
comply with the terms and conditions of any financial assistance/loan scheme(s) administered by the SFO, he/she is not acceptable to act as an Indemnifier.

8.10 You should notify the SFO in writing immediately if for any reason your indemnifier becomes incapable of fulfilling the obligations required under the Deed of Indemnity; or deceased; or if you are aware that a bankruptcy petition is filed by him/her or presented against him/her or a bankruptcy order is made against him/her; or your indemnifier applies for an IVA; or if you are aware that a receiver, administrator, administrative receiver, trustee or similar officer has been appointed over any or all of your indemnifier’s assets; or your indemnifier is a party to any litigation, arbitration or administrative proceedings (whether inside or outside Hong Kong) or if there is any claim (whether inside or outside Hong Kong) against him/her or any of his/her assets after he/she signs the Deed of Indemnity. You are required to procure immediately or otherwise upon the first written demand of the SFO another alternative indemnifier located in Hong Kong and acceptable to the Government to execute the Indemnity in favour of the Government in light of the occurrence of any of the above circumstances, failing which the SFO has the power to demand your repayment of all outstanding balance of the NLSFT loan, interest, overdue interest (if any), administrative fee (if any) and recovery expenses.

8.11 To be acceptable as a witness, a person must be:
(a) a Hong Kong resident holding a Hong Kong Permanent Identity Card; and

8.12 You are not acceptable to act as the witness of your “Undertaking” and the corresponding “Deed of Indemnity”. The indemnifier is not acceptable to act as the witness of his/her “Deed of Indemnity” and the corresponding “Undertaking”.

8.13 The SFO may request a witness to produce documentary evidence showing his/her residential address. Post office box numbers, public letter boxes, care of addresses and student hostels will not be accepted as valid residential address.

9. PAYMENT OF NLSFT LOAN

9.1 The NLSFT loan will be paid direct to your institution by instalment(s) to settle your tuition fees in accordance with the loan payment options, i.e. Head (“H”) or Tail (“T”) as specified in your Details Input Form (Form A), subject to your successful submission of an acceptable Undertaking, the Deed of Indemnity, the Details Input Form (Form A and Form B) and documentary proofs mentioned in the Notice of Offer. The loan payment option once chosen will remain effective for the whole academic year in question, regardless of any subsequent revision of the NLSFT loan offer. Upon submission of your Details Input Form (Form A) to the SFO, request for change of loan payment option will not be accepted.

9.2 The actual amount of NLSFT loan to be paid to your institution will be adjusted according to the offsetting arrangements stipulated in paragraph 10 below which depend on the financial assistance (i.e. grant and/or loan) you may be provided under the TSFS. The NLSFT loan paid to the institution on your behalf will be deemed to have been borrowed and received by you. The payment dates are the NLSFT loan draw down dates which are set by the SFO. Under normal circumstances, payment will not be made earlier than the due dates of tuition fee instalments.
Part I – General Information

9.3 After the disbursement of NLSFT loan to your institution has been arranged, the SFO will issue a Remittance Advice to you stipulating the amount of the NLSFT loan to be disbursed and the loan disbursement date for your reference. The disbursement date stipulated in the Remittance Advice is the NLSFT loan draw down date of the specified NLSFT loan.

9.4 If your institution, for any reason, postpones the tuition fee instalments due date to other later date and then informs the SFO of such after the payment has already been made, the SFO will be unable to withhold/re-arrange the concerned payment. Under such circumstances, the SFO will continue the payment to your institution on the tuition fee instalments due date originally as set by your institution, which will be the NLSFT loan draw down date. The SFO will not bear the responsibility for any loss caused to you due to your institution’s decision in postponing the tuition fee instalments due date.

9.5 Neither your application nor the approval for an NLSFT loan carries any implication that the payment due date of your tuition fee has been or will be deferred automatically by your institution. If the payment of the NLSFT loan to your institution for any instalment cannot be made on or before the tuition fee instalment due date, it is your own responsibility to liaise with your institution in respect of your tuition fee payment. The SFO will not bear the responsibility for any loss caused to you due to your late settlement of tuition fee.

9.6 Under normal circumstances, the demand note issued to you by your institution should specify the balance of your tuition fee for your settlement on or before the due date, which is the difference between your full tuition fee instalment (including student union fee and other miscellaneous charges, if any) and the amount of NLSFT loan you have specified for that instalment. If the demand note does not show any adjustment following your acceptance of the NLSFT loan, you should immediately seek clarification from your institution on the amount.

9.7 Under all circumstances, NLSFT loan will only be paid direct to your institution for settling your tuition fee. If you have already paid your institution part/all of your tuition fee before the payment of your NLSFT loan, the SFO will neither adjust the amount of your NLSFT loan to be paid to your institution nor pay any NLSFT loan to the bank account specified in your application form. It is your own responsibility to liaise with your institution for the necessary refund arrangement on the extra tuition fee you have paid. The SFO will not bear any responsibility arising therefrom.

9.8 The application, acceptance and disbursement of NLSFT loan should serve the purpose of settling your tuition fee. If you submit the loan documents to accept the NLSFT Loan approaching the end of the respective academic year, you have to liaise with your Institution first and obtain its agreement, no matter you have paid your tuition fee or not, and notify the SFO in writing that your Institution guarantees to receive the NLSFT loan. In any case, SFO reserves the right not to accept your loan documents if such loan documents are submitted after 30 June 2021 since the respective academic year has been normally over, unless (i) your Notification of result is issued within the immediate past 2 months or (ii) your Notification of Adjusted Result is issued within the immediate past 4 weeks.

9.9 If you and/or your indemnifier has/have any arrears of grant and/or loan and/or subsidy under any financial assistance/loan scheme administered by the SFO, the SFO reserves the right to withhold the payment of loan to you and set off the overpaid amount from the loan to which you are entitled to in the year, even after processing of your application. The balance of the NLSFT loan after such set-off, if any, will be released to you. In addition or as an alternative, the SFO shall require you to refund the overpaid amount immediately upon the request of the SFO.
9.10 Any overpayment of the NLSFT loan made to you shall be refunded immediately upon demand.

9.11 If you:
(a) cease to be a registered full-time student; or
(b) decide to withdraw from, suspend or defer studies or apply for leave of absence for any reasons; or
(c) change your course/institution; or
(d) are not required to pay the full amount of tuition fee in the respective academic year,
you must immediately notify the SFO in writing for our follow-up action, including but not limited to withholding the payment of the NLSFT loan to your institution.

9.11.1 In the event that the NLSFT loan has been paid to your institution, you will be liable to the NLSFT loan paid and the interest accrued thereon and to repay the SFO the NLSFT loan so paid and the interest accrued thereon, plus any recovery costs incurred by the Government in a lump sum/by instalments.

9.12 If necessary, the SFO will contact your institution to verify your study status. The SFO will instruct your institution to refund to the Government the NLSFT loan already paid subject to the condition(s) in paragraph 9.11 above.

9.13 The SFO reserves the right to recover from you all or part of the NLSFT loan paid in case you cannot complete your studies for any reasons.

10. OFFSETTING ARRANGEMENTS

10.1 If you concurrently receive any financial assistance (grant and/or loan) provided by the Government under the TSFS for the course for the same academic year, you shall be liable to repay to the Government the amount of Overpaid NLSFT loan which is equal to the difference between (a) the amount of the NLSFT loan paid, and (b) the revised NLSFT loan offer [provided the amount of (a) is higher than the amount of (b)]. The amount of Overpaid NLSFT loan shall be repaid through deduction of the same amount from the TSFS financial assistance in the order firstly from the grant portion of the TSFS financial assistance, and if the grant portion is insufficient to fully offset the Overpaid NLSFT loan, the balance of the Overpaid NLSFT loan will be offset by deducting from the loan portion of the TSFS financial assistance.

10.2 Even if your NLSFT loan has been fully offset by your TSFS grant and/or loan and the revised loan balance is HK$0, NLSFT interest would still accrue for the Overpaid NLSFT loan for the period from the NLSFT loan first drawn down date to the date of offsetting. You are advised to submit an early repayment request of the NLSFT interest immediately after the offsetting to the Student Loan Unit of the SFO. Otherwise, an administrative fee will be accrued on this NLSFT loan account on an academic year basis in the same manner as ordinary loan accounts. The accrued interest and/administrative fee will be demanded upon your commencement of loan repayment. The administrative fee is chargeable on 1 December each year. You are required to repay the accrued interest and the administrative fee until the NLSFT loan and the interest accrued thereon are fully repaid. In addition, the NLSFT loan so offset by the loan portion of the TSFS financial assistance will be deemed to have been borrowed by you under the terms and conditions of the TSFS at an interest rate of 1% per annum chargeable from the commencement date of the loan repayment period under the TSFS.
10.3 If your NLSFT loan has been partially offset by your TSFS grant and/or loan and there is remaining loan balance, NLSFT interest would still accrue for the Overpaid NLSFT loan from the NLSFT loan first drawn down date to the date of adjustment. Your obligations in relation to the NLSFT interest so accrued and the amount of the NLSFT loan remaining after the partial offsetting shall remain unchanged and shall continue as stated on the terms and conditions as set out in the Notice of Offer, in the Undertaking signed by you, in this Guidance Notes and including the terms and conditions subsequently amended and supplemented by the SFO. In addition, the NLSFT loan so offset by the loan portion of the TSFS financial assistance will be deemed to have been borrowed by you under the terms and conditions of the TSFS at an interest rate of 1% per annum chargeable from the commencement date of the loan repayment period under the TSFS.

10.4 If you have accepted the NLSFT loan offer but not yet received it prior to the receipt of the TSFS notification of result, and subsequently being offered financial assistance under the TSFS, arrangements will then be made to reduce the loan amount of your NLSFT loan offer and the NLSFT loan payable (if any) to reflect the adjustment of NLSFT loan in direct relation to the financial assistance offered under the TSFS.

10.5 Your NLSFT loan will not be offset by your TSFS grant and/or loan automatically as above mentioned if your NLSFT loan does not exceed the difference between your maximum level of financial assistance under the TSFS and the financial assistance you should receive under the TSFS. Under such circumstances, if you wish to offset your NLSFT loan already paid to your institution by the TSFS grant and/or loan credited/to be credited to your designated bank account, you need to make an early repayment of the NLSFT loan; or apply for a cancellation of the NLSFT loan if the NLSFT loan has not yet been arranged to disburse to your institution (please refer to paragraphs 12 and 13.11 below).

11. APPLICATION FOR SECOND NLSFT LOAN

11.1 You may apply for a second NLSFT loan which is equivalent to the difference between the maximum amount of the NLSFT loan that you may borrow and the NLSFT loan that you have already accepted on your NLSFT loan application in the same academic year.

11.1.1 Please note that:

- An administrative fee (excluding the handling charge levied by institutions) is payable on the second application separately.
- Applications must be made by completing the “Application for a Second NLSFT Loan” form [NLSFT 113(2020)] and submitting the completed form in person or through an authorised person to the SFO at least 10 weeks before the payment due date of the tuition fee in question. The form can be downloaded from the SFO website at [http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsft/application/forms.htm](http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsft/application/forms.htm). Any late application for a second NLSFT loan will not be accepted.

12. CANCELLATION OF NLSFT LOAN

12.1 If you wish to apply for cancellation of your NLSFT loan for any of the tuition fee instalments, you should complete the “Application for Cancellation of NLSFT Loan” form [NLSFT 114 (Rev.2020)] and return it to the SFO in person at least five weeks before the payment due date of the tuition fee in question. The form is obtainable from the SFO.
Part I – General Information

No late applications for cancellation of NLSFT loan will be accepted. Applicants will be liable to the NLSFT loan paid and the interest accrued thereon and to repay the SFO the NLSFT loan so paid and the interest accrued thereon, plus any recovery costs incurred by the Government. Please refer to paragraph 13.11 for details of early repayment of the NLSFT loan.

12.2 As the time span between the date you confirm your acceptance of the NLSFT loan and the loan payment date for your first tuition fee instalment would normally be less than five weeks, it may not be possible for the SFO to arrange for cancellation of the NLSFT loan for the first tuition fee instalment after your acceptance. You are therefore reminded to critically assess your requirement for the NLSFT loan before you decide the exact amount of NLSFT loan to be borrowed and how the full amount should be applied to pay your tuition fee.

13. LOAN REPAYMENT & ELECTRONIC DEMAND NOTE AND NOTIFICATION

13.1 You are required to repay your NLSFT loan, which shall normally commence on 1 December of the year of your graduation or when the course has officially ended, until it is repaid in full. The first instalment of loan repayment will normally fall due on 1 January or 1 July (if opted for deferred activation of loan repayment) of the following year of your graduation. If you have not received the notice of commencement of repayment or demand of repayment within six months after your graduation or the course has officially ended, you should notify the SFO in writing immediately.

13.2 The NLSFT loan borrowed by you and the interest accrued thereon are repayable in 15 years (Repayment Period) by 180 equal monthly instalments, or in a shorter Repayment Period by equal monthly instalments as agreed by the SFO. If it is determined appropriate by the SFO, the loan borrowed and the interest accrued thereon are repayable within the Repayment Period by equal quarterly instalments. The Repayment Period shall commence after the course has officially ended while the interest shall accrue on the loan as soon as the loan has been disbursed until it is repaid in full.

13.3 If you:
(a) cease to be a registered full-time student of a recognised course; or
(b) withdraw or are suspended from or defer your studies in a recognised course; or
(c) transfer from the institution at which you have borrowed the NLSFT loans to another institution; or
(d) have not completed the course for any reason,
you are required to notify the SFO in writing immediately and repay the NLSFT loan in a lump sum or by equal instalments, and if by instalments over a revised Repayment Period, and also interest accrued under the loan at the prevailing NLSFT interest rate per annum. The length of the NLSFT loan Repayment Period, its commencement date, and repayment arrangements shall be decided by the SFO.

13.4 With a view to facilitating better financial management of loan borrowers, loan borrowers who have obtained NLSFT loans and without any loan accounts repaying with quarterly repayment arrangement under other financial assistance/loan schemes administered by the SFO are required to repay their NLSFT loans by monthly instalments.

(a) Monthly repayment instalments will normally fall due on 1st of each calendar month each year. Monthly demand notes and notifications will be issued 14 days before each due date as far as practicable.
Part I – General Information

(b) For environmentally friendly reason and to avoid possible non-receipt of postal demand notes, monthly demand notes would be uploaded to “SFO E-link” (http://e-link.wfsfaa.gov.hk) and notifications would be sent to “MyGovHK” Internet online platforms for your viewing, printing and downloading. You are required to register with “MyGovHK” and “SFO E-link – My Bills” service successfully when you accept the loan offer. You need to safekeep your “MyGovHK” account login username and password to facilitate receiving repayment notifications and demand notes through “SFO E-link – My Bills” service. If your MyGovHK account has not been logged into for a period of 36 months, MyGovHK will terminate your account, which makes you no longer have access to SFO E-link - My Bills service. To avoid account termination, you should log in your MyGovHK account regularly. The SFO may contact you by post, telephone, fax, e-mail or other forms of electronic notifications (e.g. SMS) for any repayment matters. If you have any difficulties in using “SFO E-link – My Bills” service, you should contact the SFO as soon as possible. Should you wish to save a copy of the concerned instalment demand note, you are reminded to download and/or print out the latest instalment demand note on or before the due date.

(c) Monthly demand notes and/or notifications given in electronic form via the Internet online platforms shall be deemed to have been duly given by the SFO and have been duly received by you regardless of whether you have actually accessed the demand notes or notifications via the Internet online platforms and regardless of whether you have actual notice of the availability of such demand notes or notifications. Requests for receiving demand notes and/or notifications by other means will not be accepted. If you do not receive demand notes and/or notifications seven days before each due date whether because of system failure or any other reason not due to your fault or otherwise beyond your control, you should contact the SFO without delay. Non-receipt of repayment demand notes or electronic notifications does not exempt you from the obligation to repay the instalment due on or before the due date. If repayment has not been made on or before the date the instalment becomes due, you will be required to repay the Government the overdue amount together with overdue interest as set out in paragraph 13.10 below.

(d) Your failure to visit “MyGovHK” and/or “SFO E-link – My Bills” service Internet online platform(s) to receive any repayment schedule or demand note(s) does not exempt you from the obligation to repay the instalment due on or before the due date. Otherwise, you will be regarded as breaching of the terms in the Undertaking and the SFO has the power to demand you and/or indemnifier(s) immediate repayment of all outstanding balance of the NLSFT loan, interest, overdue interest (if any), administrative fees (if any) and any recovery expenses. The SFO also has the power to withhold the consideration and processing of your other financial assistance/loan applications and/or various applications relating to loan repayment under different financial assistance/loan schemes administered by the SFO; and to demand you and/or your indemnifier(s) immediate repayment of all outstanding balance of loan(s), interest (if any), overdue interest (if any), administrative fee (if any) and any recovery expenses in relation to other course(s) taken by you notwithstanding that they have not become due under the terms of such loan(s).

13.5 In case you have loan accounts repaying with quarterly repayment arrangement under different financial assistance/loan schemes, the monthly repayment arrangement mentioned in paragraph 13.4 will not be applicable until further announcement by the SFO. Meanwhile, quarterly repayment arrangement will be applicable to all of your loan accounts under different financial assistance/loan schemes. Quarterly repayment instalments will normally fall due on 1 January, 1 April, 1 July and 1 October each year. Quarterly demand notes will be issued 14 days before each due date as far as practicable. If you do not receive demand notes seven days before each due
date, you should contact the SFO without delay. Non-receipt of a demand note for repayment does not exempt you from the obligation to repay the instalment due on or before the due date. If repayment is not made on or before the date the instalment becomes due, you will be required to repay with the Government the overdue amount together with overdue interest as set out in paragraph 13.10 below.

13.6 Within the Repayment Period, you can put up a request to change the Repayment Period. The request should be put up 14 days before the due date of the upcoming instalment so that the revised repayment schedule will take effect in the upcoming instalment. If you fail to put up your request by the above mentioned deadline or your NLSFT loan is currently under deferment, the effective date of your requested extension or shortening of Repayment Period will be postponed accordingly. Request could be made in writing by post, fax or email. Verbal request will not be accepted. For request by post, the postmark date on the envelope will be regarded as the date of request. Underpaid mail items will not be accepted. Please ensure sufficient mailing time and postage to make delivery in order. For request by fax or email, the date of the fax or email received by the SFO will be regarded as the date of request. You have to repay your instalments according to the original repayment schedule until the revised repayment schedule takes effect.

13.7 The interest on the NLSFT loan borrowed by you shall be charged at the prevailing NLSFT interest rate once the NLSFT loan is drawn down and throughout the Repayment Period until the NLSFT loan has been fully repaid. The NLSFT interest rate is reviewed periodically and any adjustment to the interest rate shall apply immediately to the outstanding principal until the next interest rate adjustment. You may refer to the SFO website at http://www.wfsfaa.gov.hk/sfo/pdf/common/Form/nls/NLS_interest_and_Admin_fee.pdf for the prevailing NLSFT interest rate. You may also have a rough estimation on the repayment amount by using the repayment calculator made available in the “SFO E-link” at http://e-link.wfsfaa.gov.hk.

13.8 Interest of each monthly instalment is the interest accrued for the month immediately preceding the instalment due date calculated based on the prevailing NLSFT interest rate.

13.9 Each instalment amount (instalment loan principal and instalment interest) shall not be less than HK$100.

13.10 Overdue interest shall be calculated by applying a rate equal to the average of the BLRs announced by the note-issuing banks in Hong Kong from time to time to accrue over the period from the due date to the day preceding the date of actual repayment by you of the overdue amount.

13.11 If you wish to make early repayment of the NLSFT loan in order to save interest, a request should be put up in writing by post, fax, email or via the “SFO E-link” (http://e-link.wfsfaa.gov.hk). Verbal request will not be accepted. For request by post, the postmark date on the envelope will be regarded as the date of request. Underpaid mail items will not be accepted. Please ensure sufficient mailing time and postage to make delivery in order. For request by fax, email or via the “SFO E-link”, the date received by the SFO will be regarded as the date of request. Normally you have to settle the early lump sum or partial repayment demand note in full within 14 days from the issue date of the concerned demand note. If you fail to repay the early lump sum or partial repayment demand note when it becomes due, overdue interest incurred due to such late repayment shall be calculated in the same way as set out in paragraph 13.10 above.

13.11.1 For early lump sum repayment of the NLSFT loan, the repayment amount shall include all outstanding principal, interest and administrative fee.
Part I – General Information

13.11.2 For early partial repayment of the NLSFT loan, the repayment amount shall not be less than an amount decided by the SFO (currently set at HK$5,000) or the total of one repayment instalment plus the remaining study interest already accrued before commencement of repayment period, whichever is greater.

13.11.3 Interest of early repayment is calculated as follows:

<table>
<thead>
<tr>
<th>Loan Account Status</th>
<th>Early Lump Sum Repayment Interest Cut-off Date</th>
<th>Early Partial Repayment Interest Cut-off Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Before commencement of repayment</td>
<td>Preceding day of the date of request</td>
<td>Preceding day of the date of request</td>
</tr>
<tr>
<td>During the repayment period</td>
<td>Preceding day of the date of request</td>
<td>Preceding day of the due date of the forthcoming instalment</td>
</tr>
</tbody>
</table>

13.11.4 You are advised to take note of the charging arrangement for administrative fee as set out in paragraph 4.2 above. Repayment of the NLSFT loan in a lump sum on or before 30 November can save the administrative fee for the ensuing academic year.

13.11.5 You are advised to submit a request for early repayment of NLSFT loan after careful consideration. If you cancel and make another request for early repayment of loan within the same month, the SFO may consider not accepting the second/ revised application. If you have fully settled the early partial/ lump sum repayment demand note, cancellation request to ask for refund of the sum of early partial/ lump sum repayment will not be accepted.

13.12 Any partial repayment made by you which does not discharge in full any amount due and payable shall be applied in or toward the discharge of: firstly the outstanding annual administrative fee, secondly (any balance thereof) the overdue interest, thirdly (any balance thereof) the interest accrued, fourthly (any balance thereof) the overdue principal portion of the loan, and finally all costs incurred by the Government for the recovery of the overdue amount and enforcement of the Undertaking and the Deed of Indemnity.

13.13 For repayment by post, the postmark date will be regarded as the repayment date for the purpose of charging overdue interest. Underpaid mail items will not be accepted. Please ensure sufficient mailing time and postage to make delivery in order. Underpaid mail items will be returned to the sender (with return address) or disposed of (without return address) by the Hongkong Post. Please ensure the return address is stated on your mail items. For repayment via internet online banking payment services, the actual date the bank effects its payment will be regarded as the repayment date for the purpose of charging overdue interest.

13.14 Any repayment or overpayment made by you before the instalment due date will be applied to repay the forthcoming instalment(s) according to the repayment schedule until the amount is exhausted. Interest payable for those instalments will not be reduced or exempted.

13.15 Loan borrowers are required to make repayments on time. If you plan to leave Hong Kong on or before the repayment due date, you are required to make prior repayment arrangement before leaving Hong Kong. If you intend to leave Hong Kong for a period longer than three months or to emigrate, you are required to notify the SFO immediately.
in writing. Upon receipt of such notification, unless the SFO has otherwise come to an agreement with you concerning the repayment schedule of the loan or unless the SFO is satisfied that you shall be able to continue to repay the loan based on the original repayment schedule, the SFO could demand your immediate repayment of all outstanding balance of the NLSFT loan, interest, overdue interest (if any), administrative fee (if any) and any recovery expenses. Under whatever circumstances, you have to repay the instalment due on or before the due date; if the repayment is not made after the instalment becomes due, you will be required to repay with the Government the amount of the overdue instalments, interest, overdue interest (if any), administrative fee (if any) and any recovery expenses.

13.16 You and/or your indemnifier are required to notify the SFO immediately in writing of any change of your and/or your indemnifier’s correspondence/residential address or other contact information, including mobile phone number, email address or fax number. For any changes in correspondence/residential address, you and/or your indemnifier are required to provide a photocopy of documentary evidence showing the updated address in the past three months. Post Office Box numbers, Public Letter Boxes, care of address or student hostels will not be accepted as valid residential address. Documentary evidence of address should be letters issued by government bureaux/departments, public organisations/utilities or commercial organisations. If necessary, you and/or your indemnifier may be required to produce the documentary evidence in originals. The amendment forms can be downloaded from the SFO website at http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsft/application/forms.htm.

13.17 You are required to procure immediately or otherwise upon the first repayment notification of the SFO another alternative indemnifier located in Hong Kong and acceptable to the Government to execute the indemnity in favour of the Government in the event that your indemnifier intends to leave or has already left Hong Kong for a period longer than three months or to emigrate or has already emigrated failing which the SFO has the power to demand you immediate repayment of all outstanding balance of the NLSFT loan, interest, overdue interest (if any), administrative fee (if any) and any recovery expenses.

13.18 If after your indemnifier signed the Deed of Indemnity,

(a) he/she becomes incapable of fulfilling the obligations under the Deed of Indemnity; or

(b) he/she deceased; or

(c) you are aware that a bankruptcy petition is filed by or presented against him/her or a bankruptcy order is made against him/her; or

(d) he/she applies for an IVA; or

(e) you are aware that a receiver, administrator, administrative receiver, trustee or similar officer has been appointed over any or all of his/her assets; or

(f) he/she is involved in any litigation, arbitration or administrative proceedings (whether inside or outside Hong Kong) or if there is any claim (whether inside or outside Hong Kong) against him/her or any of his/her assets,

you and/or your indemnifier is/are obliged to notify the SFO in writing immediately. You are also required to procure and provide full particulars of an alternative indemnifier located in Hong Kong to replace the original one upon occurrence of any of the above circumstances. The alternative indemnifier (if accepted by the Government) shall act in substitution and shall execute similar Deed.
13.19 If you have obtained loans for different courses, or for the same course under different financial assistance/loan schemes administered by the SFO, separate loan accounts will be created. Interest and administrative fee (if applicable) will be calculated separately for each account. Request for merging loan accounts will not be accepted.

13.20 In case of any breach of any of the terms and conditions of the NLSFT loan or late repayment of any instalment due, the SFO has the power to demand you and/or indemnifier(s) immediate repayment of all outstanding balance of the NLSFT loan, interest, overdue interest (if any), administrative fee (if any) and any recovery expenses (including legal costs and related expenses in the course of legal recovery actions). The SFO also has the power to withhold the consideration and processing of your other financial assistance/loan applications and/or various applications relating to loan repayment under different financial assistance/loan schemes administered by the SFO; and to demand you and/or your indemnifier(s) immediate repayment of all outstanding balance of loan(s), interest (if any), overdue interest (if any)/surcharge (if any), administrative fee (if any) and any recovery expenses in relation to other course(s) taken by you notwithstanding that they have not become due under the terms of such loan(s).

14. DEFERMENT OF LOAN REPAYMENT

14.1 If you have difficulties in repaying the NLSFT loan(s) due to further full-time study, financial hardship or serious illness, you may apply for deferment of loan repayment. For deferment of loan repayment on the grounds of financial hardship or serious illness, in case you have not opted for the standard repayment period of 15 years, the repayment period of your loan will initially be extended to 15 years for calculation when your application is being processed. The SFO will consider each application on its own merits. Application for deferment of loan repayment should be submitted in writing, together with the necessary documentary proof, to the SFO before the due date(s) of the instalment(s) under application. For application by fax or by email, the date of receipt of the fax or email will be considered to be the date of application. For application by post, the postmark date on the envelope will be regarded as the date of application. Relevant application forms are available at the SFO. You may also download the application form concerned from the SFO website at http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsft/loanrepayment/difficulties/forms.htm. Application for deferment of loan repayment is only applicable to the total amount due for repayment, which may comprise administrative fee(s), if any, interest(s) and outstanding principal(s). Application for deferment of only a part of the repayment amount will not be acceded to.

14.2 Save for the circumstance specified in paragraph 14.3 below, interest will accrue over the deferment period. The deferred loan may be repaid on a revised schedule with fewer numbers of instalments and at a larger amount or on any other terms as decided by the SFO. Interest accrued during the deferment period will be capitalised and form part of the outstanding principal for calculation of the amount to be repaid in the remaining instalments. In addition, for deferment of more than 12 calendar months, the interest accrued during the deferment period will be capitalised once every 12 calendar months. Loan recipients who have been granted approval for deferment of the NLSFT loan repayment are still required to pay the administrative fee during the period of deferment. The administrative fee accrued during the period of deferment will be demanded for repayment in the first demand note after resumption of loan repayment.

14.3 To alleviate the financial burden of loan borrowers with proven repayment difficulties, loan borrowers whose application for deferment has been approved may be eligible for
interest-free deferment and extension of the entire loan repayment period, subject to a maximum of two years (i.e. the entire repayment period will be up to 17 years). If loan borrowers have benefited from the one-off relief measure on deferment of loan repayment introduced in August 2009 and exhausted the 2-year interest-free extended repayment period, their loan account will not be eligible under this arrangement. If a loan borrower has more than one loan account, the eligibility for this arrangement will be considered on individual loan account basis.

16. IMPORTANT MATTERS

16.1 You must complete the application documents FULLY and TRUTHFULLY. It is an offence to obtain property or pecuniary advantage by deception. Any person who does so commits an offence and shall be liable on conviction upon indictment to imprisonment for 10 years under the Theft Ordinance (Chapter 210 of the Laws of Hong Kong). If any person being required or authorised by law to make any statement on oath for any purpose and being lawfully sworn (otherwise than in a judicial proceeding) willfully makes a statement which is material for that purpose and which he knows to be false or does not believe to be true, he shall be guilty of an offence and shall be liable on conviction upon indictment to imprisonment for 7 years and to a fine under the Crimes Ordinance (Chapter 200 of the Laws of Hong Kong).
Part I – General Information

16.2 The SFO reserves the right to cancel, reduce or recover, in full or in part, any award that has been made or is to be made to you as the SFO considers justified or when the SFO discovers that incomplete or inaccurate information has been given by you in the application documents. 16.3 If you have previously applied for any financial assistance schemes for post-secondary studies from the SFO (including TSFS, NLSFT, Financial Assistance Scheme for Post-secondary Students (FASP), Non-means-tested Loan Scheme for Post-secondary Students (NLSPS) and Student Travel Subsidy (STS) for Tertiary or Post-secondary Students), your correspondence address under the above-mentioned financial assistance schemes will also be updated in accordance with the correspondence address provided in your latest application for financial assistance in the 2020/21 academic year.

The amendment forms can be downloaded from the SFO website at http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsft/application/forms.htm. Failure in timely provision of changes of information to the SFO will cause delay in processing your application or making payment to your institution or lead to additional loan being drawn down and extra interest accrued therefrom.

16.5 Once your loans have been drawn down, should there be any changes in your study status (such as change in expected graduation date, withdrawal of study, continuing study after completion of the programme which has been granted the loans, etc.), you should immediately notify the SFO by submitting the duly completed “Notification of Study Status” form [SFO297_E]. The form can be downloaded from the SFO website at http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsft/application/forms.htm. Timely provision of updated information is important as it may affect the activation date of your loan repayment and interest to be incurred.

16.6 Any successful applicant who withdraws from the course before its completion for any reasons other than those acceptable to the SFO will be required at the discretion of the SFO to refund, in full or in part, any NLSFT loan which has been made to him/her for the said course together with the interest accrued thereon.
