1. NLSPS

- 1.1 The NLSPS is to complement the FASP to provide loans to eligible students to settle tuition fees of locally-accredited¹, self-financing full-time² post-secondary education programmes at the level of associate degree, higher diploma or degree.

2. Eligibility

- 2.1 Applicants applying for an NLSPS loan to cover their tuition fees payable in the 2025/26 AY must:
- (a) be registered students engaged in a full-time locally-accredited self-financing post-secondary education programme at sub-degree (i.e. associate degree or higher diploma) or bachelor's degree level in the 2025/26 AY. Please refer to the "Course Coding Sheet" on the WFSFAA website (<https://www.wfsfaa.gov.hk/en/sfo/postsecondary/fasp/coding.php>) which lists out the programmes covered under the FASP and the NLSPS and their course codes;
and
 - (b) have the right of abode in the Hong Kong Special Administrative Region ("Hong Kong"); or alternatively, applicants or their families must have resided in Hong Kong continuously for three complete years prior to the commencement of the programme³.
- 2.2 Applicants' eligibility is restricted to only one eligible full-time programme in any one AY. If applicants have applied for the Non-means-tested Loan Scheme for Full-time Tertiary Students ("NLSFT"), they cannot apply for the NLSPS simultaneously in the same AY. Application should be submitted on an AY basis, and the NLSPS loan offer will only be used to cover the tuition fee for the AY concerned.
- 2.3 Full-time students of exclusively publicly-funded, including the University Grants Committee-funded, student places covered by the NLSFT are not eligible for assistance under the NLSPS.
- 2.4 Even if applicants meet the above eligibility criteria, the SFO reserves the right to require them to submit supplementary documents / information as and when necessary; and the final approval of their NLSPS applications will rest with the SFO.

3. Maximum Level of Loan Amount and Life-time Loan Limit

- 3.1 Eligible students who apply for the NLSPS loans only, i.e. have not applied for financial assistance (i.e. grant and/or loan) or have failed to obtain financial assistance under the FASP, may receive loan **up to their total tuition fees payable in the AY**.
- 3.2 Students who receive financial assistance under the FASP may be entitled to loan under the NLSPS **up to the difference between the maximum financial assistance (i.e. actual tuition fees payable plus the maximum amounts of assistance for academic expenses and living expenses) under the FASP and the amount of financial assistance they may receive under the FASP, subject to the NLSPS loan maximum (equivalent to the total tuition fees payable) not being exceeded**.
- 3.3 With effect from the 2012/13 AY, a combined life-time loan limit is imposed on students eligible for receiving loans under the NLSPS and the NLSFT. The loan limit will be price-adjusted annually in accordance with the movement of the Composite Consumer Price Index. The relevant limit for the 2025/26 AY is HK\$413,600.
- 3.4 Loan(s) disbursed from the 2012/13 AY and onwards will be counted towards the combined life-time loan limit, which is not of revolving nature and will not be reset by any repayments.

¹ Locally-accredited programmes refer to those included in the Register of Locally-accredited Programmes recognised by the Secretary for Education. For the 2025/26 AY, only programmes which have been included in the Register on or before 31 December 2025 will be covered by the FASP and the NLSPS.

² For face-to-face teaching programmes, "full-time" study refers to a curriculum of not less than 450 contact hours per year, or a minimum of 30 credit points per year based on each credit point equaling 15 contact hours. For non-face-to-face teaching programmes, "full-time" study means a curriculum of not less than 1 350 study hours.

³ This does not cover non-local students holding (i) student visas / entry permits; (ii) visas / entry permits under the Immigration Arrangements for Non-local Graduates; or (iii) dependant visas / entry permits which were issued by the Director of Immigration when the relevant students have reached 18 years old.

- 3.5 Eligible students who have exhausted their combined life-time loan limit for studying courses for attaining their first degree-level study may apply to use up to HK\$100,000 of their life-time loan limit under the Extended Non-means-tested Loan Scheme⁴. The SFO will consider such applications on a case-by-case basis. Factors under consideration include whether the students are studying a course for attaining their first degree-level study and the tuition fee level of the course, etc.

4. Interest and Administrative Fee

- 4.1 The NLSPS operates on a full-cost recovery basis. Loan borrowers have to pay interest for their loans. Interest is accrued at the prevailing interest rate for the non-means-tested loan schemes upon drawdown of the NLSPS loan and throughout the study period until the loan is repaid in full. The interest rate of non-means-tested loans is derived on a no-gain-no-loss (“NGNL”) basis (the NGNL interest rate is currently set at 2.910% below the average best lending rate (“BLR”) of the note-issuing banks) plus a risk-adjusted-factor (“RAF”) rate which seeks to cover the risk of the Government of the Hong Kong Special Administrative Region (“the Government”) in disbursing unsecured loans. The NGNL rate will be reviewed by the end of each month and if adjustment is to be made, the adjusted rate will take effect from the first day of the following month. The RAF rate has been reduced to zero since the 2012/13 AY. Please refer to the WFSFAA website (https://www.wfsfaa.gov.hk/sfo/pdf/common/Form/nls/NLS_interest_and_Admin_fee.pdf) for the prevailing NLSPS interest rate.
- 4.2 An administrative fee is chargeable for **each application and each loan account** under the NLSPS in every AY to recover the full costs of processing the applications and administering the NLSPS:
- 4.2.1 Administrative fee is chargeable upon submission of application and annually thereafter until the NLSPS loan and interest accrued thereon are fully repaid. Administrative fee will be charged on each loan account on an AY basis and is chargeable on 1 December each year. If there is any unsettled balance under the loan account on or after 1 December, administrative fee will be demanded in the demand note with due date falling on 1 January of the following year, and should be paid on or before the due date.
- 4.2.2 Administrative fee is a fixed fee and will not be charged on a pro-rata basis nor paid by instalments. **Administrative fee paid is neither refundable nor transferable.**
- 4.2.3 Under normal circumstances, loan borrowers will not receive any demand note before the commencement of loan repayment. Thus, the administrative fee accrued during the study period will be demanded for payment in the first demand note with due date falling on 1 January following the commencement of loan repayment as stipulated in paragraph 13.1 below (If loan borrowers have opted for deferred activation of loan repayment, the administrative fee accrued will be demanded for payment in the demand note with due date falling on 1 January of the following year). If the loan repayment period shall end on or before 1 December of the loan repayment commencement year, the administrative fee accrued during the study period will be demanded for payment in the first demand note after commencement of loan repayment. In other words, **loan borrowers may be required to pay administrative fee accrued for more than one year in the above-mentioned demand note.**
- 4.2.4 The amount of administrative fee is subject to review regularly. Please refer to the WFSFAA website (https://www.wfsfaa.gov.hk/en/sfo/postsecondary/nlsp/s/interest_and_fee.php) for the prevailing amount of administrative fee.
- 4.3 In general, loan accounts will be created on a course basis. Interest and administrative fee will be calculated separately for each loan account. Request for merging loan accounts of different courses will not be accepted. If loan borrowers obtain loans under the NLSPS as well as other financial assistance / loan schemes administered by the SFO in respect of the same course, separate loan accounts will be created under the respective loan schemes. Request for merging loan accounts of different schemes will also not be accepted.

⁴ Applicable to students pursuing specific post-secondary / continuing and professional education courses in Hong Kong.

- 8.3 **Applicants can choose to accept the NLSPS loan offered either in full or in part.** Before accepting any loan offered, applicants may have a rough estimation on the repayment amount by using the Calculator available online (https://www.wfsfaa.gov.hk/calculator_e.htm). Applicants should consider carefully their need and repayment ability. In completing the “Undertaking”, the “Deed of Indemnity” and the “Student, Indemnifier and Witness Details Input Form (Form A)”, applicants are required to specify the exact **total amount** of NLSPS loan that they wish to accept for the **whole AY**. If applicants do not submit the duly completed and signed loan documents to the SFO for the acceptance of loan offered under the NLSPS (i) within two calendar months from the issuance date of the “NLSPS Notification of Result” or the “FASP Notification of Result”; (ii) within four weeks from the issuance date of the “Notification of Adjusted Result of Application for Financial Assistance”; or (iii) on or before 30 June 2026 (whichever is the latest), the SFO will assume that they do not wish to accept the loan, and the loan offered will be automatically cancelled.

⁷ Please refer to paragraph 5.1 above for the location of the drop-in boxes.

9. Disbursement of Loan

- 9.1 The NLSPS loan accepted will be credited to the bank account designated by applicants directly by two equal instalments, if applicable, after successful submission of the required documents as set out in paragraph 8.1 above by applicants. The actual amount of the NLSPS loan to be disbursed to the applicants will be adjusted, in light of the financial assistance (i.e. grant and/or loan) that may be provided under the FASP, according to the offsetting arrangements stipulated in paragraph 10 below.
- 9.2 The NLSPS loan will be disbursed subject to the terms and conditions as stipulated in the “Undertaking” and “Deed of Indemnity”. The disbursement dates are the NLSPS loan drawdown dates set by the SFO. The Bank’s certification of payment to the bank account will be regarded as conclusive evidence of the applicants’ receipt of the NLSPS loan.
- 9.3 As stated in paragraph 8.3 above, in completing the “Undertaking”, the “Deed of Indemnity” and the “Student, Indemnifier and Witness Details Input Form (Form A)”, applicants have to state the **total amount** of NLSPS loan that they wish to accept for the **whole AY** (i.e. the sum of the first and second instalments). If applicants submit the full set of duly completed loan documents and other required supporting documents in accordance with paragraph 8.1 above to the SFO successfully by the specified deadline (“specified deadline”) as detailed in the “NLSPS Notification of Result” or “FASP Notification of Result”, the SFO will normally credit the first instalment of loan to their designated bank account within three weeks from the specified deadline. If applicants submit the required documents beyond the specified deadline, the relevant loan will be disbursed in around three weeks after the SFO receives the aforesaid documents. The second instalment of the NLSPS loan (i.e. the remaining loan balance) will normally be disbursed between December 2025 and February 2026. However, if applicants have enrolled in a programme which is charged on credit-based mode, the second instalment of their NLSPS loan will be disbursed after the respective institutions have confirmed with the SFO the total credits taken by the applicants for this AY.
- 9.4 Should applicants be notified of the result of their NLSPS application only after January 2026, the loan accepted will be disbursed in one single instalment normally within a period of three weeks from the specified deadline if applicants submit the required documents set out in paragraph 8.1 above by the specified deadline. If applicants miss the specified deadline, the loan accepted will be disbursed in one single instalment in around three weeks after the SFO receives the aforesaid documents.
- 9.5 During the course of vetting / authentication / reviewing the application(s) (including application(s) of the current and previous AYs), the SFO may withhold disbursement of loan immediately if irregularity is suspected or omitted information is spotted. Disbursement of loan (if any) would only resume after vetting / authentication / reviewing procedures have been completed and all irregularities or omitted information have been clarified / rectified.
- 9.6 After the disbursement of the NLSPS loan to the loan borrower’s bank account has been arranged, the SFO will issue a Remittance Advice to loan borrowers stipulating the NLSPS loan disbursement date and loan amount for reference. The disbursement date stipulated in the Remittance Advice is the loan drawdown date of the specified NLSPS loan.
- 9.7 If the loan cannot be credited to the bank account because of the incorrect bank account information provided by the applicants; or the bank account concerned has been cancelled or frozen, the SFO will not bear the responsibility for any loss caused. The applicants should submit the duly completed “Notification of Change of Applicant’s Personal Particulars” form (FASP/C/1A) and a copy of bank account proof to the SFO to update the designated bank account. The form is available on the WFSFAA website (<https://www.wfsfaa.gov.hk/en/sfo/postsecondary/nlsp/forms.php>). The new drawdown date(s) will be determined by the SFO.
- 9.8 Even though an NLSPS application has been submitted or an NLSPS loan has been approved, it carries no implication that the payment due date of tuition fee has been or will be deferred automatically by institutions. If the disbursement of the NLSPS loan for any instalment cannot be made on or before the tuition fee instalment due date, it is the applicants’ own responsibility to liaise with the institutions in

respect of the tuition fee payment. The SFO will not bear the responsibility for any loss incurred by applicants due to late settlement of tuition fee.

- 9.9 In any case, the SFO reserves the right not to accept loan documents submitted after 30 June 2026 since the respective AY should normally be over by then, unless the “NLSPS Notification of Result” or the “FASP Notification of Result” is issued within the immediate past two calendar months, or the “Notification of Adjusted Result of Application for Financial Assistance” is issued within the immediate past four weeks.
- 9.10 If there is a change of the total tuition fees payable by the applicant in the AY after the issuance of the “NLSPS Notification of Result”, the SFO may adjust the NLSPS loan amount offered accordingly. Any overpaid NLSPS loan shall be refunded immediately upon demand of the SFO.
- 9.11 If applicants:
- (a) cease to be registered full-time students of locally-accredited self-financing programmes;
 - (b) decide to withdraw from, suspend or defer studies or apply for leave of absence for any reasons;
 - (c) change the programme / institution; or
 - (d) are not required to pay the full amount of tuition fee or there is a change of payable tuition fee in the 2025/26 AY,

they must notify the SFO in writing **immediately** for follow-up action, including but not limited to **withholding the disbursement of the NLSPS loan to the applicants**. In the event that the disbursement of the NLSPS loan has been or is being arranged, cancellation of the NLSPS loan will not be accepted. Loan borrowers will be liable for the NLSPS loan arranged/to be arranged for disbursement and the interest accrued/to be accrued thereon and to repay the SFO the NLSPS loan so disbursed/to be disbursed and the interest accrued/to be accrued thereon, plus any recovery costs incurred by the Government in a lump sum / by instalments.

- 9.12 The SFO reserves the right to recover from loan borrowers all or part of the NLSPS loan disbursed in case they cannot complete their studies for any reasons.

10. Offsetting Arrangements

- 10.1 If applicants concurrently receive any financial assistance (i.e. grant and/or loan) provided by the Government under the FASP for the course in the same AY, they shall be liable to repay the Government the amount of overpaid NLSPS loan which is equal to the difference between (a) the amount of the NLSPS loan disbursed, and (b) the revised NLSPS loan offer (provided that the amount of (a) is higher than the amount of (b)) (“overpaid NLSPS loan”). The amount of overpaid NLSPS loan shall be repaid through deduction of the same amount from the FASP financial assistance in the order firstly from the grant portion of the FASP financial assistance, and if the grant portion is insufficient to fully offset the overpaid NLSPS loan, the balance will be offset by deducting from the loan portion of the FASP financial assistance.
- 10.2 Even if the NLSPS loan has been fully offset by the FASP grant and/or loan and the revised loan balance is HK\$0, NLSPS interest would still accrue for the overpaid NLSPS loan for the period from the first drawdown date of the NLSPS loan to the date of offsetting. **Loan borrowers are advised to submit an early repayment request of the NLSPS interest immediately after the offsetting to the Student Loan Unit of the SFO.** Otherwise, an administrative fee will be accrued on this NLSPS loan account on an AY basis in the same manner as ordinary loan accounts. The accrued interest and/or administrative fee will be demanded upon the commencement of loan repayment. The administrative fee is chargeable on 1 December each year. Loan borrowers are required to repay the accrued interest and the administrative fee until the NLSPS loan and the interest accrued thereon are fully repaid. In addition, the loan portion of the FASP financial assistance applied to offset the NLSPS loan will be deemed to have been borrowed by loan borrowers under the terms and conditions of the FASP at an interest rate of 1% per annum chargeable from the commencement date of the loan repayment period under the FASP.

- 10.3 If the NLSPS loan has been partially offset by the FASP grant and/or loan and there is remaining loan balance, NLSPS interest would still accrue for the overpaid NLSPS loan for the period from the first drawdown date of the NLSPS loan to the date of offsetting. Loan borrowers' obligations in relation to the NLSPS interest so accrued and the remaining amount of the NLSPS loan after the partial offsetting shall remain unchanged and shall continue according to the terms and conditions as set out in the "Notice of Offer of Loan", in the "Undertaking" signed by them, in these Guidance Notes and including the terms and conditions subsequently amended and supplemented by the SFO. In addition, the loan portion of the FASP financial assistance applied to offset the NLSPS loan will be deemed to have been borrowed by loan borrowers under the terms and conditions of the FASP at an interest rate of 1% per annum chargeable from the commencement date of the loan repayment period under the FASP.
- 10.4 If applicants have accepted the NLSPS loan offer prior to the receipt of the "FASP Notification of Result" but the disbursement of such NLSPS loan has not yet been arranged, and subsequently being offered financial assistance under the FASP, arrangements may then be made to reduce the amount of their NLSPS loan offer and the NLSPS loan payable (if any) to reflect the adjustment of NLSPS loan in direct relation to the financial assistance offered under the FASP.
- 10.5 The NLSPS loan will not be offset by the FASP grant and/or loan automatically as above mentioned if the NLSPS loan does not exceed the difference between the maximum level of financial assistance under the FASP and the financial assistance loan borrowers should receive under the FASP. Under such circumstances, if loan borrowers wish to offset the NLSPS loan already disbursed by the FASP grant and/or loan credited/to be credited to the designated bank account, they should make an early repayment of the NLSPS loan (please refer to paragraph 13.12 below); or request a cancellation of disbursement of the NLSPS loan if it has not yet been arranged (please refer to paragraph 12 below).

11. Application for Accepting the Remaining Loan Amount

- 11.1 Applicants may apply for accepting the remaining NLSPS loan amount which is equivalent to the **difference** between the maximum amount of the NLSPS loan offered and the NLSPS loan that they have already accepted in respect of their NLSPS loan application in the **same AY**.
- 11.2 Applicants should submit the duly completed "Application Form for Accepting the Remaining Loan Amount" (NLSPS 166) to the SFO **within three calendar months** from the commencement of the programme. The relevant application form is available on the WFSFAA website (<https://www.wfsfaa.gov.hk/en/sfo/postsecondary/nlsp/forms.php>).
- 11.3 Please note that:
- **An administrative fee must be paid again when applying for accepting the remaining NLSPS loan amount.**
 - Late applications for accepting the remaining NLSPS loan amount may not be accepted.

12. Request for Cancellation of Disbursement of Loan

- 12.1 If loan borrowers have submitted the loan documents for accepting the NLSPS loan but they wish to request a cancellation of the NLSPS loan which **has not yet been arranged for disbursement**, they should submit the duly completed "Request for Cancellation of Disbursement of Loan" (NLSPS 167) to the SFO. The relevant form is available on the WFSFAA website (<https://www.wfsfaa.gov.hk/en/sfo/postsecondary/nlsp/forms.php>).
- 12.2 In the event that the disbursement of the NLSPS loan **has been or is being arranged, cancellation of disbursement of the NLSPS loan will not be accepted**. Loan borrowers will be liable for the NLSPS loan disbursed/to be disbursed and the interest accrued/to be accrued thereon and are obliged to repay the SFO the NLSPS loan so disbursed/to be disbursed and the interest accrued/to be accrued thereon, plus any recovery costs incurred by the Government. Loan borrowers may in turn choose to make early repayment of the NLSPS loan. Please refer to paragraph 13.12 for details.

13. Loan Repayment & Electronic Demand Note and Notification

- 13.1 Loan borrowers are required to repay the NLSPS loan, normally commencing from 1 December of the year of graduation or when the course has officially ended, or lapse of six years from the first disbursement of the NLSPS loan, whichever is the earliest, until the NLSPS loan and interest accrued thereon are fully repaid. The first instalment of loan repayment will normally fall due on 1 January or 1 July (if opted for deferred activation of loan repayment) of the following year of graduation. If loan borrowers have not received the “Notice of Commencement of Repayment” or “Demand of Repayment” within six months after their graduation or the course has officially ended, they should notify the SFO in writing immediately.
- 13.2 With a view to facilitating better financial management of loan borrowers, loan borrowers who have obtained NLSPS loans and without any loan accounts repaying with quarterly repayment arrangement under other financial assistance / loan schemes administered by the SFO are required to repay by monthly instalments. The NLSPS loan borrowed and the interest accrued thereon are repayable in 15 years (“Repayment Period”) by 180 equal monthly instalments; or in a shorter Repayment Period by equal monthly instalments as agreed by the SFO.
- 13.3 If loan borrowers:
- (a) cease to be registered full-time students of locally-accredited self-financing programmes;
 - (b) withdraw or suspend from or cease or defer studies;
 - (c) transfer from the institution where loan borrowers have borrowed the NLSPS loans to another institution; or
 - (d) have not completed the programme for any reasons,
- they are required to notify the SFO in writing **immediately** and repay the NLSPS loan in a lump sum or by equal instalments; and if by instalments over a revised Repayment Period, also the interest accrued at the prevailing NLSPS interest rate per annum. The length of the Repayment Period, its commencement date, and any repayment arrangements shall be decided by the SFO.
- 13.4 Arrangements of demand notes and notifications are as follows:
- (a) Instalments will normally fall due on the first day of each calendar month for monthly repayment; while on 1 January, 1 April, 1 July and 1 October each year for quarterly repayment⁸. Demand notes and/or notifications will be issued 14 days before each due date as far as practicable. If loan borrowers do not receive the demand note seven days before each due date, they should contact the SFO immediately. Non-receipt of demand note does not exempt them from the obligation to repay the instalment due on or before the due date. If repayment has not been made by the due date, loan borrowers will be required to repay the Government the overdue amount together with overdue interest as set out in paragraph 13.9 below.
 - (b) For environmentally friendly reason and to avoid possible non-receipt of postal demand notes by loan borrowers, monthly demand notes would be uploaded to the “SFO E-link — My Bills” (<https://e-link.wfsfaa.gov.hk>) (login through “eWFSFAA” online platform) for their viewing, printing and downloading. Loan borrowers should safekeep their “eWFSFAA” account login username and password (if applicable) to facilitate receipt of demand notes through the “SFO E-link — My Bills” service in future. Electronic demand notes shall be deemed to have been duly given by the SFO and have been duly received by loan borrowers regardless of whether loan borrowers have actually accessed the electronic demand notes and whether they have actually noticed the availability of those electronic demand notes. Requests for receiving demand notes by other means will not be accepted. The SFO may also contact loan borrowers by mail, telephone, fax, email or other forms of electronic notifications (e.g. SMS) for any repayment matters. Should

⁸ In case loan borrowers have loan accounts repaying with quarterly repayment arrangement under other financial assistance/ loan schemes administered by the SFO, the monthly repayment arrangement mentioned in paragraph 13.2 will not be applicable until further announcement by the SFO. Meanwhile, quarterly repayment arrangement will be applicable to all of their loan accounts under other financial assistance / loan schemes administered by the SFO.

loan borrowers wish to save a copy of the latest instalment demand note, they should download and/or print it out on or before the due date.

- (c) Failure to log in to the “SFO E-link – My Bills” service to receive any repayment schedule or demand note(s) does not exempt loan borrowers from the obligation to repay the instalment due on or before the due date. Otherwise, loan borrowers will be regarded as breaching the terms in the “Undertaking”.

- 13.5 Within the Repayment Period, loan borrowers can put up a request to restructure the period. The request should be put up 14 days before the due date of the demand note so that the revised repayment schedule will take effect in the upcoming instalment. If loan borrowers fail to put up the request by the above mentioned deadline, or their NLSPS loan account is currently under deferment, the effective date of their requested revised Repayment Period will be postponed accordingly. Request could only be made in writing to the SFO. Verbal request will not be accepted. Loan borrowers have to repay their instalments according to the original repayment schedule until the revised Repayment Period takes effect.
- 13.6 The interest on the NLSPS loan borrowed shall be charged at the prevailing NLSPS interest rate once the NLSPS loan is drawn down until the loan has been fully repaid. The NLSPS interest rate is reviewed periodically and any adjustment to the interest rate shall apply immediately to the outstanding principal until the next interest rate adjustment. Please refer to the WFSFAA website (https://www.wfsfaa.gov.hk/sfo/pdf/common/Form/nls/NLS_interest_and_Admin_fee.pdf) for the prevailing NLSPS interest rate. Loan borrowers may also have a rough estimation on the repayment amount by using the Calculator available online (https://www.wfsfaa.gov.hk/calculator_e.htm).
- 13.7 Interest of each monthly instalment is the interest accrued for the month preceding the instalment due date calculated based on the prevailing NLSPS interest rate.
- 13.8 Each instalment amount (instalment loan principal and interest) shall not be less than HK\$100.
- 13.9 Overdue interest shall be calculated by applying a rate which is equal to the average of the BLRs announced by the note-issuing banks in Hong Kong from time to time to accrue over the period from the due date to the day preceding the date of actual repayment of the overdue amount.
- 13.10 Any partial repayment which does not discharge in full any amount due and payable shall be applied in or toward the discharge of: firstly the outstanding administrative fee, secondly (any balance thereof) the overdue interest, thirdly (any balance thereof) the interest accrued, fourthly (any balance thereof) the overdue principal portion of the loan, and finally all costs incurred by the Government for the recovery of the overdue amount and enforcement of the “Undertaking” and the “Deed of Indemnity”.
- 13.11 Any repayment before the instalment due date or overpayment will be applied to repay the forthcoming instalment(s) according to the repayment schedule until the amount is exhausted. Interest payable for those instalments will not be reduced or exempted.
- 13.12 If loan borrowers and/or their indemnifiers wish to make early lump sum or partial repayment of the NLSPS loan, a request should be put up in writing by the specified form. Verbal request will not be accepted. The relevant application form is available on the WFSFAA website (<https://www.wfsfaa.gov.hk/en/resources/loanrepayment/forms.htm>). Normally loan borrowers and/or their indemnifiers have to settle the “Early Partial / Lump Sum Repayment Demand Note” in full within 14 days from its issuance date. If failing to repay on time, overdue interest as calculated in the same way as set out in paragraph 13.9 above will be incurred.
 - 13.12.1 For early lump sum repayment, the repayment amount shall include all outstanding principal, interest, overdue interest and administrative fee.
 - 13.12.2 For early partial repayment, the repayment amount shall not be less than an amount decided by the SFO (currently set at HK\$5,000) or the total of one repayment instalment plus the remaining study interest already accrued before commencement of repayment, whichever is greater.

13.12.3 Interest of early repayment is calculated as follows:

Loan Account Status	Early Lump Sum Repayment Interest Cut-off Date	Early Partial Repayment Interest Cut-off Date
Before commencement of repayment	Preceding day of the date of request	Preceding day of the date of request
During the repayment period	Preceding day of the date of request	Preceding day of the due date of the forthcoming instalment

13.12.4 Loan borrowers and/or their indemnifiers should take note of the charging arrangement of the administrative fee as set out in paragraph 4.2 above. Repayment of the NLSPS loan in a lump sum on or before 30 November can save the administrative fee for the AY concerned.

13.12.5 Loan borrowers and/or their indemnifiers should consider carefully before submitting an early repayment request. If loan borrowers and/or their indemnifiers cancel and make another request within the same month, the SFO may consider not accepting the second / revised application. If loan borrowers and/or their indemnifiers have fully settled the “Early Partial / Lump Sum Repayment Demand Note”, cancellation request to ask for refund of the repayment already made will not be accepted.

13.13 For request and/or repayment by mail, the postmark date will be regarded as the request and/or repayment date. For proper delivery of the mail items to the SFO, and to avoid unnecessary delivery delay or unsuccessful delivery, please ensure that the mail items bear sufficient postage with return address before mailing. Underpaid mail items will be returned to the senders (with return address) or disposed of (without return address) by the Hongkong Post. For repayment via internet online banking payment services, the actual date the bank effects its payment will be regarded as the repayment date. Repayment date will determine the charging of overdue interest. For request by fax, email or online form, the date received by the SFO will be regarded as the date of request.

13.14 Loan borrowers are obliged to repay the instalment due on or before the due date. If loan borrowers plan to leave Hong Kong, they are required to make prior repayment arrangements. If loan borrowers intend to leave Hong Kong for a period longer than three months or to emigrate, they are obliged to notify the SFO in writing immediately. Upon receipt of such notification, unless the SFO has otherwise come to an agreement with loan borrowers concerning the repayment arrangement or unless the SFO is satisfied that they shall be able to continue to repay the loan based on the original repayment schedule, the SFO could demand their immediate repayment of all outstanding balance of the NLSPS loan, interest, overdue interest (if any), administrative fee (if any) and any recovery expenses.

13.15 If loan borrowers have obtained loans for different courses, or for the same course, under different financial assistance / loan schemes administered by the SFO, separate loan accounts will be created. Interest and administrative fee (if applicable) will be calculated separately for each loan account. Request for merging loan accounts will not be accepted.

13.16 Loan borrowers and/or their indemnifiers are obliged to notify the SFO in writing immediately of any change of their correspondence / residential address or other contact information, including mobile phone number, email address or fax number. **Failure to serve timely notification of changes of information may cause delay in processing the applications and disbursing the loan(s), and extra interest expenses due to failure in communication. The SFO accepts no responsibility for any loss, charge or expense so caused.** For any changes in correspondence / residential address, loan borrowers and/or their indemnifiers are required to provide a copy of documentary evidence showing the new address in the past three months. Post Office Box numbers, Public Letter Boxes, care of addresses and student hostels will not be accepted as valid residential address. Documentary evidence of address should be letters issued by the Government bureaux / departments, public organisations / utilities or commercial organisations. If necessary, loan borrowers and/or their indemnifiers may be required to produce the documentary evidence in originals. The relevant forms for change of information are available on the WFSFAA website (<https://www.wfsfaa.gov.hk/en/sfo/postsecondary/nlsp/s/forms.php>).

13.17 If after the indemnifier signed the “Deed of Indemnity”, the loan borrower is aware that:

- (a) the indemnifier is deceased;
- (b) a bankruptcy petition is filed by or presented against the indemnifier or a bankruptcy order is made against the indemnifier;
- (c) the indemnifier has applied/is applying for an IVA under the Bankruptcy Ordinance;
- (d) a receiver, administrator, administrative receiver, trustee or similar officer has been appointed over any or all of the indemnifier’s assets;
- (e) the indemnifier is involved in any litigation, arbitration or administrative proceedings (whether inside or outside Hong Kong);
- (f) there is any claim (whether inside or outside Hong Kong) against the indemnifier or any of his/her assets;
- (g) the indemnifier intends to leave/has left Hong Kong for a period longer than three months or to emigrate; or
- (h) the indemnifier for other reasons becomes incapable of fulfilling the obligations under the “Deed of Indemnity”,

the loan borrower should notify the SFO in writing **immediately** and procure **immediately**, or otherwise upon the first written demand of the SFO, an alternative indemnifier located in Hong Kong and acceptable to the Government to execute the “Deed of Indemnity” in favour of the Government, failing which the SFO has the power to demand the loan borrower to make immediate repayment of all outstanding balance of the NLSPS loan, interest, overdue interest (if any), administrative fee (if any) and any recovery expenses.

13.18 If any of the circumstances as set out in (b) to (h) of paragraph 13.17 above occur after the indemnifier signed the “Deed of Indemnity”, the indemnifier is required to notify the SFO in writing **immediately**. If after examining the relevant supporting documents, the SFO decides that the indemnifier is incapable of fulfilling the obligations required under the “Deed of Indemnity”, the loan borrower will be required to procure another alternative indemnifier located in Hong Kong and acceptable to the Government to execute the “Deed of Indemnity” in favour of the Government, failing which the SFO has the power to demand the loan borrower to make immediate repayment of all outstanding balance of the NLSPS loan, interest, overdue interest (if any), administrative fee (if any) and any recovery expenses. Before the successful procurement of an alternative indemnifier acceptable to the Government by the loan borrower, the existing indemnifier remains obliged to continue to fulfill the obligations under the “Deed of Indemnity”.

13.19 In case of any breach of any of the terms and conditions of the NLSPS loan, or late repayment of any instalment due, the SFO has the power to demand loan borrowers and/or their indemnifiers to make immediate repayment of all outstanding balance of the NLSPS loan, interest, overdue interest (if any), administrative fee (if any) and any recovery expenses (including legal costs and related expenses in the course of legal recovery actions). The SFO also has the power to demand loan borrowers and/or their indemnifiers to make immediate repayment of all outstanding balance of loan(s), interest (if any), overdue interest (if any), surcharge (if any), administrative fee (if any) and any recovery expenses in relation to loan(s) taken up by loan borrowers for study of other course(s), regardless of whether or not such loan(s) have already become due for repayment under the terms of such loan(s).

14. Deferment of Loan Repayment

- 14.1 If loan borrowers have proven difficulties in repaying the NLSPS loan(s) due to further full-time study, financial hardship or serious illness, they may apply for deferment of loan repayment. In case loan borrowers have not opted for the standard repayment period of 15 years, the SFO will extend the repayment period of the loan account(s) of the loan borrower to 15 years irrespective of the application result. The SFO will consider each application on its own merits. Application for deferment of loan repayment should be submitted in writing by the specified form, together with the necessary documentary proof, to the SFO before the due date(s) of the instalment(s) under application. For application by fax or by email, the date of receipt of the fax or email will be regarded as the date of application. For application by mail, the postmark date on the envelope will be regarded as the date of application. The application form concerned is available on the WFSFAA website (<https://www.wfsfaa.gov.hk/en/resources/loanrepayment/forms.htm>). Application for deferment of loan repayment is only applicable to the total amount due for repayment, which may comprise administrative fee(s) (if any), interest and outstanding principal. Application for deferment of only a part of the repayment amount will not be acceded to.
- 14.2 Save for the circumstance specified in paragraph 14.3 below, interest will accrue over the deferment period. The deferred loan may be repaid on a revised repayment schedule with fewer numbers of instalments and at a larger amount or on any other terms as decided by the SFO. Accumulated interest will be added to the principal during the deferment period, and will be capitalised once every 12 months to calculate the remaining amount due for each instalment. Loan borrowers who have been granted approval for deferment of the NLSPS loan repayment are still required to pay the administrative fee during the period of deferment. The administrative fee accrued during the period of deferment will be demanded for repayment in the first demand note after resumption of loan repayment.
- 14.3 To alleviate the financial burden of loan borrowers with proven repayment difficulties, loan borrowers whose application for deferment has been approved may be eligible for interest-free deferment and extension of the entire loan repayment period, subject to a maximum of two years (i.e. the entire repayment period will be up to 17 years). If loan borrowers have been benefited from the one-off relief measure on deferment of loan repayment introduced in August 2009 and exhausted the two-year interest-free extended repayment period, their loan account will not be eligible under this arrangement. If a loan borrower has more than one loan account, the eligibility for this arrangement will be considered on his/her individual loan account basis.

Please refer to paragraph 7.2 above for details. Failure to serve timely notification of changes of information may cause delay in processing the applications and disbursing the loan to applicants, or lead to additional loan being drawn down and extra interest accrued therefrom. The SFO accepts no responsibility for any loss, charge or expense so caused.
- 16.5 Once loans have been drawn down, should there be any changes in loan borrowers’ study status (such as change in expected graduation date, withdrawal of study, continuing study after completion of the programme which has been granted the loans, etc.), loan borrowers must notify the SFO **immediately** by submitting the duly completed “Notification of Change of Study Status” form (SFO303_E). The relevant form is available on the WFSFAA website (<https://www.wfsfaa.gov.hk/en/sfo/postsecondary/nlsp/forms.php>). Timely provision of updated information on study status by loan borrowers is important as it may affect the activation date of their loan repayment and interest to be incurred.
- 16.6 Successful NLSPS applicants who withdraw from the course before its completion for any reasons other than those acceptable to the SFO will be required at the discretion of the SFO to refund, in full or in part, any NLSPS loan which has been disbursed for the said course together with the interest accrued thereon.
- 16.7 **If applicants and/or their indemnifiers have any arrears of grant / scholarship / loan / subsidy under any financial assistance / scholarship / loan scheme administered by the WFSFAA, or they have previously failed to comply with the terms and conditions of any financial assistance / scholarship / subsidy / loan scheme administered by the WFSFAA, the WFSFAA reserves the right to withhold the processing of application or disbursement of loan and set off the overpaid amount from the loan to which the applicants are entitled to in this AY, even after processing of the applications.** The balance of the NLSPS loan after such set-off, if any, will be released to the applicants. In addition or as an alternative, the WFSFAA shall require the applicants to refund the overpaid amount immediately.
- 16.8 If any overpayment of financial assistance / scholarships is made to the applicant or any amount was due to be paid by the applicant to the Government under or in connection with any of the financial assistance / scholarship / loan schemes (including but not limited to the scheme of this application) administered by the WFSFAA, the WFSFAA reserves the right to withhold the consideration and processing of the applicant’s other financial assistance / loan applications or scholarship nominations and/or various applications relating to loan repayment under any schemes administered by the WFSFAA. The WFSFAA may also set-off the amount overpaid or the amount due against the financial assistance / scholarships which the applicant is entitled to under any financial assistance scheme(s) administered by the WFSFAA.

- 16.9 Terms and conditions applicable to the NLSPS loan may be altered and supplemented at any time by the Government and shall be deemed incorporated and form part of the terms and conditions. The altered version will be uploaded to the WFSFAA website.

17. Review Mechanism

- 17.1 Unsuccessful applicants under the NLSPS may apply for a review of their application by writing to the SFO providing detailed justifications and related documentary evidence in support of their review request. The SFO will review the case based on the information provided. Under normal circumstances, the SFO will issue the result within three weeks from the date of receipt of the application that contains complete information.
