for Overseas Studies 2026/27**

Assessment by School Principal

(ONLY for candidates currently pursuing senior secondary education)

Notes for School Principal

Secondary school principal is invited to provide a report on the candidate's latest academic performance at school, including an indication of the relative position of the candidate in the entire form, as well as to predict the grades the candidate would attain in the coming public examination for his / her current curriculum.

In selecting candidates currently pursuing senior secondary education for the Sir Edward Youde Memorial (SEYM) Scholarships for Overseas Studies, the SEYM Fund Council heavily relies on the school principal's assessment.

Comments on the strengths and weaknesses of the applicant's academic ability, personality, qualifications for the proposed study and suitability as a representative of Hong Kong to study abroad would be particularly useful to the Council.

Please note that the applicant has the right of access to the assessment provided by you in accordance with the provisions of the Personal Data (Privacy) Ordinance.

Format Requirement

The "**Annex D Page 1**" should be completed and returned in the pre-set format. However, the item C (i.e. General remarks on the applicant) could be incorporated either in "**Annex D Page 2**" or an official letter of the secondary school.
