1. THE TERTIARY STUDENT FINANCE SCHEME – PUBLICLY-FUNDED PROGRAMMES (TSFS)

1.1 The Tertiary Student Finance Scheme – Publicly-funded Programmes (TSFS), which is administered by the Student Finance Office (SFO) under Working Family and Student Financial Assistance Agency (WFSFAA), provides financial assistance to eligible full-time students who pass the means test. It aims to ensure that no eligible student who has been offered a place in one of the institutions covered by this scheme would be unable to accept it because of lack of means. Financial assistance is provided in the form of a grant and/or loan. The grant is to cover tuition fees, academic expenses and compulsory union fees. The loan is for living expenses and is interest-bearing at 1% per annum chargeable from the commencement of the repayment period.

2. ELIGIBILITY

2.1 You (the applicant) may be eligible for assistance if:

(a) you are registered as a full-time student and take up an exclusively University Grants Committee-funded or exclusively publicly-funded student place of a recognised course at one of the following institutions in the 2018/19 academic year:

- CITY UNIVERSITY OF HONG KONG (CityU)
- HONG KONG BAPTIST UNIVERSITY (HKBU)
- HONG KONG INSTITUTE OF VOCATIONAL EDUCATION (IVE), CHINESE CULINARY INSTITUTE (CCI) and INTERNATIONAL CULINARY INSTITUTE (ICI), HONG KONG DESIGN INSTITUTE (HKDI) and MARITIME SERVICES TRAINING INSTITUTE (MSTI) of the Vocational Training Council

2.2 Your eligibility is restricted to only one eligible full-time course in any one academic year.

Part I - General Information

4. IMPORTANT MATTERS

4.1 It is your responsibility to complete the application form fully and truthfully and submit all the supporting documents. The SFO will rely on the information and documentary proofs provided in your application and the application(s) from your sibling(s) under TSFS / FASP, if any, to determine the eligibility and the level of financial assistance to be offered under the Scheme(s). During the course of vetting your current year application, the SFO will, if necessary, make reference to your submitted application form(s) / information of the previous academic year(s) and ask you to clarify or provide additional information / explanation on the application form(s) / information submitted in the / these academic year(s). Any misrepresentation or omission or improperly filling in information in the application form in any one of the said application(s) may lead to rejection and/or full recovery of financial assistance already offered to you and/or your sibling(s) and court proceedings. If you apply for the financial assistance by using the Simplified Version of Application Form for CSSA family, SFO will assess your application on reliance of the documentary proof provided by you showing you or your family was in receipt of CSSA at the time of the submission of your application or received CSSA throughout the relevant assessment period (“CSSA status”). If it comes to the knowledge of the SFO that you or your family was obtaining / obtained CSSA by misrepresentation or provision of false information or omission of information or withholding any information or deceptive means or that your documentary proof contained inaccurate particulars to show you or your family’s CSSA status, your application may be rejected. You will be required to refund all student financial assistance you have received. You and your family may also be liable to prosecution. You are reminded that it is an offence to obtain property or pecuniary advantage by deception. Any person who does so commits an offence and shall be liable on conviction upon indictment to imprisonment for 10 years under the Theft Ordinance (Chapter 210 of the Laws of Hong Kong). You are also reminded that if any person being required or authorised by law to make any statement on oath for any purpose and being lawfully sworn (otherwise than in a judicial proceeding) wilfully makes a statement which is material for that purpose and which he knows to be false or does not believe to be true, he shall be guilty of an offence and shall be liable on conviction upon indictment to imprisonment for seven years and to a fine under the Crimes Ordinance (Chapter 200 of the Laws of Hong Kong).

4.2 If you fail to report / provide the required information / supporting document(s) in / to the Application Form at the time of submitting your application, and the information / supporting document(s) is only reported / provided upon the SFO’s enquiry, this would be treated as a misrepresentation and/or omission in the application. Therefore, you have the responsibility to complete the Application Form in full details and submit all supporting documents. If there is misrepresentation or omission in the application, SFO has the authority to reject the your application.

4.3 Please note that in the event that there is overpayment due to error of calculation or assessment, you are required to refund the amount overpaid (including amounts that may have been overpaid in previous academic year(s)) and, if necessary, forfeit the amount that may be payable.
Part I - General Information

4.4 Please check the personal data and course data contained in the acknowledgement letter and the notification which will be issued to you upon receipt of application and completion of assessment respectively. Should there be any discrepancies in your institution, course of study, tuition fee paid / payable in the 2019/20 academic year, correspondence address or the bank account number to which the grant / loan will be credited, you should **immediately** notify the SFO by using Form TSF/C/18A (applicable for change of Applicant’s Personal Particulars) or TSF/C/18B (applicable for change of Institutions / Course Data). These forms can be downloaded from the SFO’s Homepage at [http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/application/forms.htm](http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/application/forms.htm). Late notification will result in unnecessary delay in the processing of your application and the payment of financial assistance.

4.5 If you choose to accept the loan offered, once your loans have been drawn down, should there be any changes in your study status (such as change in expected graduation date, withdrawal of study, continuing study after completion of the programme which has been granted the loans, etc.) after you have drawn down your loan(s), you should **immediately** notify the SFO by submitting the duly completed “Notification of Study Status” form [SFO297 E]. The form can be downloaded from the SFO website at [http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/application/forms.htm](http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/application/forms.htm). Timely provision of updated information is important as it may affect the activation date of your loan repayment.

4.6 You are also required to notify the SFO in writing **immediately** once you are offered or there is any change to the studentship / appointment by institution for the 2019/20 academic year (including the summer months of year 2018) / during the study period covered by the tuition fees paid / payable.

4.7 As a measure to verify the truthfulness and completeness of the information supplied, the SFO will conduct counter-checking on some of the successful applications, through home visits, bank search and / or other means. During these counter-checks, the SFO staff may need to seek clarifications / additional information on the information already provided. They may also examine the originals of all the supporting documents, including those for applications submitted in previous academic year(s). Applicants and their family members are requested to keep all (including this and previous academic year(s)) application documents and to co-operate with our staff. Intentional obstruction to our staff in the course of their verification, concealment of information or failure to provide the information / clarifications as required may lead to the full recovery of the financial assistance already awarded and even court proceedings.

4.8 Please note that during the course of vetting / counter-checking / reviewing your application(s) (including this and previous academic year(s)), the SFO will, if necessary, immediately withhold the payment of assistance to you if any irregularity is suspected. When the vetting / counter-checking / reviewing processes have been completed and the suspected irregularity has been rectified / clarified, the SFO will resume payment of assistance, if any, to you.

4.9 If you have any arrears of grant and/or loan and/or subsidy under any financial assistance / loan schemes administered by the SFO, your application for financial assistance / loan will be considered by the SFO on individual merits.

4.10 Any overpayment of financial assistance (including grant and/or loan and/or subsidy administered and disbursed by the SFO) made to you shall be refunded immediately upon demand.
### 5. LEVEL AND CALCULATION OF FINANCIAL ASSISTANCE

5.1 The maximum grant and loan under the TSFS are as follows:

<table>
<thead>
<tr>
<th>Maximum Grant</th>
<th>Maximum Loan</th>
</tr>
</thead>
<tbody>
<tr>
<td>is equal to your:</td>
<td>Irrespective of the institutions / courses of students, maximum loan is the same for all students.</td>
</tr>
<tr>
<td>• tuition fee (not including continuation fee) payable to the concerned local institution;</td>
<td>(For reference: The maximum loan of the 2018/19 academic year is $50,020.)</td>
</tr>
<tr>
<td>• academic expenses for course of study;</td>
<td></td>
</tr>
<tr>
<td>• compulsory union fees.</td>
<td></td>
</tr>
</tbody>
</table>

For students attending full-year graduation-tied placement, academic expenses are not normally offered unless the institutions advise that expense related to academic study is still required. Such cases will be considered on individual merits.

5.2 The maximum amounts for the grant and the loan for the 2019/20 academic year will be provided to the institutions covered by the TSFS around July 2019. You may check with your institution the maximum level of assistance applicable to your course of study if you wish so.

5.3 The financial assistance is calculated on the basis of the local institution fee. The SFO will deduct the part of tuition fee in the financial assistance you are entitled under the TSFS if your institution will not charge you for any tuition fee during the period of your overseas exchange programme in 2019/20.

5.4 Depending on your financial circumstances, you may be eligible for a grant and/or loan. The assessment is made according to the “Adjusted Family Income” (AFI) Formula\(^1\). Please see the examples available at SFO’s website. The Ready Reckoner under the AFI shows the percentage of the maximum financial assistance for your AFI group. The resulting amount is subject to discounting by the percentage set out against the Net Asset Value per family member as shown in the Sliding Scale of Asset Value for Discounting Financial Assistance. The Ready Reckoner and Sliding Scale of Asset Value for Discounting Financial Assistance for 2019/20 are at Appendix III and Appendix IV of Part III. You may calculate the rough estimation of your financial entitlement by accessing the Calculator in the SFO’s Homepage (http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/general/level.htm).

² Studentship includes Postgraduate/Research Studentship, Graduate/Research/Student Research/Teaching/Instructional Assistantship, Demonstratorship; any award/income derived from appointments as Teaching Assistant, Student Assistant, Research Assistant, Research Fellow, Graduate Assistant, Demonstrator, Instructor, Student Research Assistant; income derived from teaching company associate scheme; and income received from any form of scheme run by the institution exclusively or in collaboration with other parties.

³ For single-parent families of 2 to 3 members, the "plus 1 factor" in the divisor of the AFI formula will be increased to 2.
5.5 The “Net Asset Value per Family Member” is the net value of your family’s fixed assets and value of liquid assets (excluding the value of your family’s first home and the assets of your grandparent(s) and sibling(s)), divided by the actual number of family members. You would need to declare the family’s assets and their value as at 31.3.2019 in the application form. Debts of family members cannot be deducted from the total value of family assets.

5.6 The SFO will make an assessment of your family income and assets and the number of family members based on the reported information in your TSFS application form and other information reported by your sibling(s), if any, under the TSFS and/or the FASP, before determining your eligibility for and the level of financial assistance. The SFO will normally accept the information reported based on the documentary proofs provided. If documentary proof is unavailable (e.g. unexplained prolonged unemployment); or the documents provided cannot substantiate the reported income / asset information of the family member concerned (e.g. self-written statement of income), the SFO may need to make adjustments and apply benchmark figures on the basis of statistical information provided by the relevant government departments, such as the Census and Statistics Department, the Rating and Valuation Department, and the Transport Department, etc. to assess the income of and/or net value of the assets held by the family member concerned. The SFO may apply projected figures in the family income in the assessment if necessary.

5.7 If necessary, arrangements will be made for you and your father or mother to be interviewed by our staff. You will be required to bring to the interview for our examination all the originals of the supporting documents, such as all bank passbooks and receipts for medical expenses. Before the interview, your father or mother will be required to make a declaration at the SFO, according to the Oaths and Declarations Ordinance (Chapter 11 of the Laws of Hong Kong), that the information given in the application is true and complete. During the interview, our staff might ask you to further clarify the information provided in your application and to provide additional information.
6. NOTIFICATION OF RESULT, PAYMENT ARRANGEMENTS / RECOVERY, UNDERTAKING OF LOAN

6.1 In general, if the information you provided is complete, you will be notified of the result in about 2 months’ time from the date of the SFO’s acknowledging receipt of your application. However, the processing time will vary, depending on the circumstances of each application. For example:

<tr>
<td>If the information provided is incomplete or inconsistent, the SFO will require you to give an explanation or provide supplementary information;</td>
<td>If your or your sibling’s previous application(s) under the TSFS / FASP has / have been selected for authentication (including home visits, bank searches or other means), the processing of your current year’s application will be withheld pending the outcome of the authentication;</td>
<td>If the SFO has to seek additional information from your institution (e.g. for postgraduate students who will receive studentship, the amount of the studentship receivable or for repeaters, the actual amount of tuition fees payable), under the above or other circumstances, the processing time will also be longer.</td>
</tr>
</tbody>
</table>

6.1.1 Notifications of result are mailed in batches every 1 to 2 weeks.

6.2 You should check the information printed on the notification of result including but not limited to your personal particulars, institution, course of study, tuition fee payable and your bank account number. Should there be any discrepancies, you should immediately notify the SFO in writing by Forms TSF/C/18A (applicable for change of Applicant’s Personal Particulars) or TSF/C/18B (applicable for change of Institutions / Course Data). These forms are available at the SFO or can be downloaded from the SFO’s Homepage at [http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/application/forms.htm](http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/application/forms.htm).

6.3 The grant offered by the TSFS, if any, is calculated in accordance with the result of vetting in same effect to all parts contributing to the maximum grant (i.e. tuition fees payable, academic expenses for your course of study plus your compulsory union fees) as described in paragraph 5.1 above. Not all successful applicants will be offered a grant in addition to a loan. The SFO however assumes that you will accept a grant, if offered. Unless you indicate that you do NOT wish to accept it in writing, the grant, if any, will be released to all successful applicants.

6.4 The loan offer is conditional upon your submission of the documents appended below to the SFO in person or through your authorised person (at the age of 18 or above with HKID card) on or before the deadline as specified in the notification of result. ### 6.7.2 The SFO may request a witness to produce documentary evidence showing his / her residential address. Post office box numbers, public letter boxes, care of address and student hostels will not be accepted as valid residential address.

## 6.8 The grant and/or the accepted loan will be credited to your designated bank account. You must also be the sole holder of the account. Only Hong Kong dollar savings or current accounts are accepted for payment purposes.

### 6.8.1 You are required to provide a valid bank account of your own in the application form together with photocopy of the first page of the bank passbook showing the name of the account holder and the account number as documentary proof. If you do not have a valid bank account of your own, you should open one before submitting the application.

### 6.8.2 If you are under the age of 18 and do not have a valid bank account of your own, please note that not all banks currently provide bank account service to persons under the age of 18. You should make your own decision in choosing which bank / which kind of bank service to open your own valid bank account. You should make your own enquiries with individual banks on their service provided and the related terms and conditions, service charge required (if any) and/or processing time required. Not being able to open a bank account on time before submitting the application will not be accepted as the reason for you to request late submission of application.

### 6.8.3 You must fill in your bank account number in the application with care and ensure that the account number is accurate.

### 6.8.4 If you have changed the bank account, you are required to notify the SFO immediately in writing or by change request Form TSF/C/18A which is available for download from the SFO’s Homepage at [http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/application/forms.htm](http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/application/forms.htm). ## 6.10 Additional financial assistance in the form of grant may be awarded to you if you are required to participate in overseas compulsory field trip(s) which constitute(s) the essential part of the course / programme.

### 6.10.1 To avoid withholding processing your application for financial assistance pending provision of information of field trip expenses from your institution, the SFO will process your application without considering the compulsory field trip factors and issue the results of applications first.

### 6.10.2 You are reminded that not all overseas field trip(s) arranged by your institution is / are those which constitute(s) the essential part of the course / programme. Generally speaking, if a field trip is only compulsory for an elective course/subject, it should not be eligible for awarding additional financial assistance. Upon the beginning of the academic year, the SFO will obtain from the institutions a list of compulsory one(s) which constitute(s) the essential part of the course / programme in that academic year. If you have doubts, you may contact your institution.
### Part I - General Information

#### 6.10.3 Provision of additional grant under the TSFS for the participation of overseas compulsory field trip(s) which constitute(s) the essential part of the course / programme is calculated based on the result of vetting of application and subject to your attendance of the concerned field trip(s) as confirmed by your institution. Upon receiving from your institution the information about the expenses of compulsory field trip(s), the SFO will re-assess your financial entitlement and inform you of the revised financial entitlement, if any, accordingly. The grant will then be released as a reimbursement for your expenses incurred. There is no discretion for early payment before completion of the field trip(s). **You need not** inform the SFO of the details of the compulsory field trip(s), or request for a review of your application on the grounds of the expenses incurred in the overseas compulsory field trip(s).

#### 6.11 Payment of financial assistance is subject to your being or becoming a registered full-time student taking up an exclusively University Grants Committee-funded or exclusively publicly-funded student place of a recognised Course at one of the Institutions for the 2019/20 academic year. Under the following circumstances, you must immediately notify the SFO in writing for follow up action(s):

#### 6.12.1 If you fail to inform the SFO immediately on your cessation to be a registered full-time student or decision to withdraw from, suspend or defer studies or apply for leave of absence for any reason, interest may be charged on the overpaid amount with retrospective effect from the date of your withdrawal/suspension of studies.

#### 6.12.2 The SFO reserves the right to recover all or part of the grant/loan paid to you in case you cannot complete your studies for any reason.
6.13 You will be informed of the financial assistance you are entitled under the TSFS and NLSFT, if any, simultaneously in the TSFS notification of result. If you wish to accept the NLSFT loan offered, you may obtain the required loan documents from the SFO's Homepage at http://www.wfsfaa.gov.hk/sfo/pdf/common/Form/nls/nlsloandocuments.pdf and submit the whole set of completed loan documents and the bank pay-in slip for the administrative fee paid in person or through your authorised person who must have attained 18 years of age with HKID card to the SFO on or before the deadline stated in your TSFS notification of result. Please refer to the NLSFT Application Guidance Notes [NLSFT 111B(2018)] (http://www.wfsfaa.gov.hk/sfo/en/postsecondary/nlsft/application/forms.htm) for details.
7. REVIEW MECHANISM

7.1 If you have sufficient grounds / justifications for adjusting the amount of financial assistance offered, you may apply to the SFO for a review of the level of financial assistance within 3 weeks from the date of notification of result. Each applicant may only request for a review once for each academic year. You should give sufficient reasons in the “Application Form for Review under the TSFS” and return it to the Appeal Section of the TSFS of the SFO together with any documentary evidence in support of your application for review. The form can be downloaded from the SFO’s Homepage at [http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/application/forms.htm](http://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/application/forms.htm).

7.2 If there is a substantial change to the family and financial circumstances after the submission of the TSFS application form, which you consider may significantly affect the support that you may obtain from the family, you may seek for a review of the amount of assistance that you have already obtained. However, the application for review must be submitted within the following deadline:

<table>
<thead>
<tr>
<th>(a)</th>
<th>within 3 weeks from the date of the notification of result; or</th>
</tr>
</thead>
<tbody>
<tr>
<td>(b)</td>
<td>on or before 31.3.2020, whichever is later.</td>
</tr>
</tbody>
</table>

7.3 In general, you will be notified of the review result within 10 weeks from the date of the SFO’s acknowledging receipt of the application for review. However, the processing time of the application for review will be longer if (a) the information provided is incomplete and the SFO requires you to give an explanation or provide supplementary information; or (b) referral to the Review Sub-Committee (RSC) of the Joint Committee on Student Finance is required to consider whether flexible treatment is justified due to special family financial circumstances. Members of the RSC include representatives from student unions and the institutions covered by the TSFS.

7.4 You may choose to accept the loan first without waiting for the result of the application for review. However, in the course of processing the application for review, if there are grounds to demonstrate that the amount of assistance provided in the original assessment was higher than the actual entitlement, you will be required to refund the overpaid amount upon demand.
8. **LOAN REPAYMENT AND DEFERMENT**

8.1 You are required to repay your loan, which shall normally commence on 1 December of the year of your graduation or when the course has officially ended, until it is repaid in full. The first instalment of loan repayment will normally fall due on 1 January or 1 July of the following year of your graduation. A reference table on repayment of TSFS loan is at Appendix VII of Part III of these Guidance Notes. If you have not received the notice of commencement of repayment and/or demand of repayment within 6 months after your graduation or the course has officially ended, you should notify the SFO in writing immediately.

8.2 The loan borrowed by you and the interest accrued thereon are repayable in 15 years (‘Repayment Period’) by 180 equal monthly instalments, or in a shorter Repayment Period by equal monthly instalments as agreed by the SFO. Whereas if as determined appropriate by the SFO, the loan borrowed and the interest accrued thereon are repayable within the Repayment Period by equal quarterly instalments.

8.3 If you cease to be registered as a full-time student or withdraw or are suspended from or defer your studies in the course or you have not completed the course for any reason, you are required to notify the SFO in writing immediately and repay the loan in lump sum or by equal instalments, and if by instalments over a revised Repayment Period, and also interest to accrue on the loan at the rate of 1% per annum. The length of the loan Repayment Period, its commencement date, and repayment arrangements shall be decided by the SFO.

8.4 Interest at a rate of 1% per annum shall be charged on the loan borrowed by you from the commencement date of the loan Repayment Period. You may have a rough estimation on the repayment amount by referring to the repayment calculator made available in the “SFO E-link” at https://e-link.wfsfaa.gov.hk.

8.5 Please refer to Appendix VIII of Part III of these Guidance Notes for other terms and conditions on repayment of loan under the TSFS.

8.6 If you have difficulties in repaying the loans due to further full-time study, financial hardship or serious illness, you may apply for deferment of loan repayment. For deferment of loan repayment on the grounds of financial hardship or serious illness, in case you have not opted for the standard repayment period of 15 years, the repayment period of your loan will initially be extended to 15 years for calculation when your application is being processed. The SFO will consider each application on its own merits. Application for deferment of loan repayment should be submitted in writing, together with the necessary documentary proof, to the SFO before the due date(s) of the instalment(s) under application. For application by fax or by email, the date of receipt of the fax or email will be considered to be the date of application. For application by post, the postmark date on the envelope will be regarded as the date of application. Relevant application forms are available at the SFO. You may also download the application form concerned from the SFO website at https://www.wfsfaa.gov.hk/sfo/en/postsecondary/tsfs/loanrepayment/difficulties/forms.htm . Application for deferment of loan repayment is only applicable to the total amount due for repayment, which may comprise interest and outstanding principal. Application for deferment of only a part of the repayment amount will not be acceded to. If approval for deferment of loan repayment is granted, the standard repayment period may be extended up to a maximum of two years (i.e. the entire repayment period will be up to 17 years). Interest will not accrue over the period of deferment, which is from the month immediately preceding the start date of the approved deferment to the month immediately preceding the date of resumption of repayment. The deferred loan may be repaid on a revised schedule with fewer numbers of instalments and at a larger amount or on any other terms as decided by the SFO.
9. ELECTRONIC REPAYMENT NOTIFICATION AND DEMAND NOTE

9.1 With a view to facilitating better financial management of loan recipients, loan recipients who have obtained TSFS loans and without any loan accounts repaying with quarterly repayment arrangement under other financial assistance/loan schemes administered by the SFO are required to repay their loans by monthly instalment.

(a) Monthly repayment instalments will normally fall due on 1st of each calendar month each year. Monthly demand notes and notifications will be issued 14 days before each due date as far as practicable.

(b) For environmental friendly reason and to avoid possible non-receipt of postal demand notes, monthly demand notes would be uploaded to “SFO E-link” (http://e-link.wfsfssa.gov.hk) and notifications would be sent to “MyGovHK” Internet online platforms for your viewing, printing and downloading. You are required to register with “MyGovHK” and/or “SFO E-link - My Bills” service when you accept the loan offer. You need to safekeep your “MyGovHK” account login username and password to facilitate receiving repayment notifications and demand notes through “SFO E-link - My Bills” service. If your MyGovHK account has not been logged into for a period of 36 months, MyGovHK will terminate your account, which makes you no longer have access to SFO E-link - My Bills service. To avoid account termination, you should log in your MyGovHK account regularly. The SFO may contact you by post, telephone, fax, e-mail or other forms of electronic notifications (e.g. SMS) for any repayment matters. If you have any difficulties in using “SFO E-link - My Bills” service, you should contact the SFO as soon as possible. Should you wish to save a copy of the concerned instalment demand note, you are reminded to download and/or print out the latest instalment demand note on or before the due date.

(c) Monthly demand notes and/or notifications given in electronic form via the Internet online platforms shall be deemed to have been duly given by the SFO and have been duly received by you regardless of whether you have actually accessed the demand notes or notifications via the Internet online platforms and regardless of whether you have actual notice of the availability of such demand notes or notifications. Requests for receiving demand notes and/or notifications by other means will not be accepted. If you do not receive demand notes and/or notifications 7 days before each due date whether because of system failure or any other reasons not due to your fault or otherwise beyond your control, you should contact the SFO without delay. Non-receipt of demand notes for repayment or electronic notifications does not exempt you from the obligation to repay the instalment due on or before the due date. If repayment is not made on or before the date the instalment becomes due, you will be required to repay with the Government the amount of the overdue instalment together with a surcharge at the rate of 5%.

(d) Your failure to visit “MyGovHK” and “SFO E-link - My Bills” service online platform(s) to receive any repayment schedule or demand note(s) does not exempt you from the obligation to repay the instalment due on or before the due date. Otherwise, you will be regarded as breaching of the terms in the Undertaking and the SFO has the power to demand you and/or indemnifier(s) immediate repayment of all outstanding balance of the TSFS loan, interest, surcharge (if any) and any recovery expenses. The SFO also has the power to withhold the consideration and processing of your other financial assistance/loan applications and/or various applications relating to loan repayment under different financial assistance/loan schemes administered by the SFO; and to demand you and/or your indemnifier(s) immediate repayment of all outstanding balance of loan(s), interest, surcharge(if any) and any recovery expenses in relation to other course(s) taken by you notwithstanding that they have not become due under the terms of such loan(s).
9.2 In case you have loan accounts repaying with quarterly repayment arrangement under different financial assistance/loan schemes, the monthly repayment arrangement mentioned in paragraph 9.2 will not be applicable until further announcement by the SFO. Meanwhile, quarterly repayment arrangement will be applicable to all of your loan accounts under different financial assistance/loan schemes. Quarterly repayment instalments will normally fall due on 1 January, 1 April, 1 July and 1 October each year. Quarterly demand notes will be issued 14 days before each due date as far as practicable. If you do not receive demand notes 7 days before each due date, you should contact the SFO without delay. Non-receipt of a demand note for repayment does not exempt you from the obligation to repay the instalment due on or before the due date. If repayment is not made on or before the date the instalment becomes due, you will be required to repay with the Government the amount of the overdue instalment together with a surcharge at the rate of 5%.

4.7 Assets (including those in Hong Kong and outside Hong Kong, wholly or partly owned by you and your parents (or you and your spouse, if you are married))

For applicants who fill in Full Version of Application, you are required to fill in assets wholly or partly owned by you and your parents (or you and your spouse, if you are married). For applicants who fill in Simplified Version of Application, you are required to fill in assets wholly or partly owned by you.

4.7.1 You and your parents (or you and your spouse, if you are married) are required to declare the total assets whether in Hong Kong, the Mainland or overseas, in your / their possession (partly or wholly) in the form of landed properties including both residential and non-residential properties at current market value (after deducting outstanding mortgage amount, if any), land including lease agreements and Letters A or B entitlements, stocks and shares at current value, vehicles including private and commercial vehicles, transferable vehicle licences including taxi and public light bus licences, bank deposits, insurance policy(ies) (savings / investment linked insurance policy(ies) with cash value and dividends), unit trust funds, estate, and for those engaged in business, all categories of assets owned by the companies operating such business and other assets owned, etc. You are also required to declare full details of all assets which are held under the name of you and your parents (or you and your spouse, if you are married), including assets held on behalf of others. You should also report all assets of you and your parents (or you and your spouse, if you are married) which are under the custody of others (for example, other family members).

4.7.2 Step 7 Family Assets – Bank Deposits

4.7.2.1 Please be reminded to report fixed/ time deposits.

4.7.2.2 Please provide photocopies of documents that can identify the name of the holder of the account and the account number (for instance, the first page of a savings passbook) and photocopies of all bank accounts or monthly statements that can show all transactions taken place between 1.4.2018 and 31.3.2019.

For time deposits, if the receipts / documents do not show the balance as at 31.3.2019, please state the balance at the nearest date to 31.3.2019. If the maturity date is beyond 31.3.2019, you should still write down the principal amount and provide copies of the notice of the time deposit with the deposit period covering 31.3.2019. For example, if a time deposit covers the period 1.2.2019 to 30.4.2019, as the deposit period covers 31.3.2019, the principal amount should also be provided. If the money deposited is transferred from a savings account to a time deposit account, it is insufficient if only the savings account is reported without reporting the concerned time deposit account.

If the account was closed between 1.4.2018 and 31.3.2019, you still have to report the account and provide the transaction records up to the closing date; you should also report in Step 12 “Additional Information” on how the savings were disposed of.

If you have lost the documents concerned, please ask the bank to reproduce one. If you fail to do so, your application will not be considered.
Part II – How to Complete and Submit the Online Application Form

If that account was opened on or after 1.4.2019, then please state in Step 12 “Additional Information” of Full or Simplified Version of Application.

If the bank account reported was opened after 1.4.2019, you will need to photocopy the first page of the passbook / first set of bank statement to identify the account holder’s name and the account number and the first inner page of the passbook to show the opening date.

4.7.2.3 To ensure that the financial circumstances as reported in the application are true and complete, the SFO will make enquiries on transactions shown in bank statements. To speed up the processing of the application, it is advised that you should give explanations beside the following transactions:

(i) an amount of $100,000 or more (which may be fixed deposits);
(ii) any other deposits of odd cents (which may be interest from time deposits or dividends from stocks and shares);
(iii) other regular cash/cheque deposits (which may be contributions/remittance from relatives or incomes from part-time job), and provide documentary proof as far as possible.

If situation warrants, the SFO may still have to ask you for clarifications and documentary proof on the bank transactions.

4.7.2.4 For the bank account for payment of financial assistance, you must be the sole holder of the account. The account should be a Hong Kong Dollar savings or current account (time deposit account, credit card account and foreign currency account will not be accepted for payment purpose).

4.7.2.5 If you do not have a valid bank account of your own, please open one before submitting the online application. If you have reasons to use a new bank account number, please notify the SFO by using the Notification of Change of Applicant’s Personal Particulars TSF/C/18A (which can be downloaded from the SFO’s Homepage) and submit it with supporting documents (e.g. photocopy of the first page of the bank passbook showing the name of the account holder and the account number) to this application. Please note that the new bank account will replace all the bank accounts(s) provided by you previously under the TSFS / NLSFT / Student Travel Subsidy Scheme.

4.7.2.6 If you are under the age of 18 and do not have a valid bank account of your own, please note that not all banks currently provide bank account service to persons under the age of 18. You should make your own decision in choosing which bank/which kind of bank service to open your valid bank account. You should make your own enquiries with individual banks on their service provided and the related terms and conditions, service charge required (if any) and/or processing time required. Not being able to open a bank account on time before submitting the application will not be accepted as the reason for you to request late submission of application.

Click "Proceed to Application" and you will be redirected to the webpage of New Application(s) of SFO E-link - My Applications. You can start a new application now.

Why does the system request me to input reactivation code and how can I get this code?

The system requests you to input reactivation code if the SFO E-link – My Applications has once been delinked with your MyGovHK account. To get the reactivation code, you have to complete the Reactivation Code Request Form to apply for a reactivation code for link-up of the service again.

I have once used a MyGovHK account to link up the service of SFO E-link – My Applications. However, I have forgotten the original MyGovHK ID or password. What should I do?

You can try to retrieve the ID or password of your original MyGovHK account from MyGovHK. In case you are unable to recover the MyGovHK ID or password, please complete the Account Delink Request Form to request the SFO to delink the original link-up so as to establish a fresh link-up.
Student Travel Subsidy Scheme (STS)

1. If you are eligible to apply for assistance under the Tertiary Student Finance Scheme (TSFS) and wish to apply for student travel subsidy at the same time, you should do so through the TSFS application. You may indicate your wish to apply for the STS along with the TSFS application and fill in your term-time residential address at Step 5.

2. If you are a student of an exclusively University Grants Committee-funded or exclusively publicly-funded programme up to first degree level, are successful in your application for assistance under the TSFS, reside (at home/in hostel) beyond 10 minutes’ walking distance from your normal place of study and require the use of public transport for travelling to school, you may be eligible for travel subsidy. Please note that students undertaking the following programmes will not be eligible for the STS:

- distance-learning programmes, on-line programmes or programmes outside Hong Kong;
- term-day placement with allowance of any kinds; or
- period for exchange/ placement programme outside Hong Kong.

3. There are two levels of subsidy, namely full-level and half-level. If you are entitled to maximum financial assistance under the TSFS, you will be eligible for full level travel subsidy. If you are entitled to assistance below the maximum level, you will be eligible for travel subsidy at half level.

4. The amount of travel subsidy is calculated on the basis of the average fare on public transport between the districts in which you study and reside during term-time. If you change your residential address during term-time, you should inform the SFO by filling in the form on notification of change of Applicant’s Personal Particulars (TSF/C/18A).

5. If you have not applied for travel subsidy at the time of application for assistance under the TSFS but wish to re-apply for the STS thereafter, you should submit in writing to the SFO for consideration by completing Form (TSFS/STS/18C) with the residential address proof. Under normal circumstances, the SFO will not accept any application for STS for tertiary student submitted on or after 1.4.2020. Late application under exceptional circumstances must be accompanied by a recommendation letter from the institution in support of the case.

6. Payment procedures and Application result:

   (a) STS will normally be released 2 months after the TSFS assistance is released. Payment of the travel subsidy for the school year will be made by autopay by instalments or in one lump sum and credited into the bank account specified in the application form.

   (i) For institutions with hostel accommodation/ exchange programme/ placement
   As the residence/ study status of the applicant will directly affect whether and how the SFO will disburse the travel subsidy to the applicant, it is necessary for the SFO to confirm whether the applicants are hostel/ exchange/ placement students in the first semester before the disbursement of the first instalment of STS subsidy. The remaining balance can only be released to applicants after the list of hostel/ exchange/ placement students for the whole school year is received from the institutions.

   (ii) For institutions without hostel accommodation/ exchange programme/ placement
   It is necessary for the SFO to confirm the course information before the disbursement of the STS payment. If the institutions concerned provide the course information before our disbursement of the STS payment, the applicants will be paid in one lump sum. Otherwise, we may need to arrange payment to the applicants by instalments.

   (b) The SFO bears no responsibility for any erroneous entry made by the applicants. Any such errors may cause delay in receipt of payment. Any bank charges incurred due to such error will have to be borne by the applicants.
(c) List of institutions with payment made to their students will be posted onto the SFO’s Homepage from time to time. The SFO will send SMS message to the successful applicants in accordance with the mobile phone number provided by the applicants to notify them that the payment of subsidy has been made by auto transfer.

(d) In case the institutions update any information provided that affects the payment of travel subsidy, the SFO will recalculate the subsidy accordingly. The applicants may be required to refund any overpaid subsidy.

(e) If your payment has been rejected by the Autopay System due to incorrect information on the application form, you will be notified to approach the Student Travel Subsidy Section for rectification of incorrect data.

(f) In case your application is unsuccessful, you will be notified separately.

Ready Reckoner under the “Adjusted Family Incomes” (AFI) Formula 2019/20

The Adjusted Family Incomes Calculation Formula will be used as the first tier of the means test under the Tertiary Student Finance Scheme – Publicly-funded Programmes (TSFS). The following ready reckoner sets out the percentage of the maximum amount of grant / loan in relation to respective adjusted family incomes groups for the TSFS in 2019/20. The amount of grant / loan calculated on the basis of the ready reckoner will be subject to the second tier of the means test (i.e. the asset test at Appendix IV).

* AFI thresholds for full level of assistance for 3-member and 4-member families are $48,715 and $44,818 respectively. For 2-member single-parent families and 3-member single-parent families, they are regarded as 3-member families and 4-member families respectively for determining the AFI thresholds for full level of assistance and calculation of AFI.
Sliding Scale of Asset Value for Discounting Grant and Loan Assistance 2019/20

Asset Test

The asset test is the second tier of the means test under the Tertiary Student Finance Scheme – Publicly-funded Programmes (TSFS). The following sliding scale sets out the discount factor to be applied to the grant / loan level calculated under the Adjusted Family Incomes ready reckoner (at Appendix III) for the TSFS in 2019/20.

Example (For an unmarried applicant):

Parents’ annual incomes: $184,000
Annual incomes of unmarried sibling: $0
Deductible medical expenses: nil
Family size: 4
Net asset value of applicant and parents (not counting the first home): $1,250,000

AFI ($184,000) ÷ (4 members + 1) = $36,800
Per capita asset value ($1,250,000 + 4) = $312,500

Maximum grant (assumed) (i.e. tuition fee + academic expenses + compulsory union fee): $50,000

Maximum loan: $50,020*

Incomes test (First tier)
Entitled grant ($50,000 × 100%): $50,000
Entitled loan ($50,020* × 100%): $50,020*

Asset test (Second tier)
Entitled grant ($50,000 × 80%): $40,000
Entitled loan ($50,020* × 80%): $40,016

*This is the maximum loan amount for 2018/19. The maximum loan amount for 2019/20 will be promulgated later.

Note 1: Under the TSFS, interest is not charged during the study period. Thus, the fixed interest rate of 1% p.a. is nominal only. The effective interest rate over the entire loan period depends on the length of the study period as well as the period of repayment. Assuming the borrowers pursue a 4-year programme, they take out a loan of the same amount annually, the effective interest rate for repayment over a 5-year, 10-year and 15-year period is 0.48%, 0.64% and 0.73% p.a. respectively.
1. You are required to repay your loan, which shall normally commence on 1 December of the year of your graduation or when the course has officially ended, until it is repaid in full. The first instalment of loan repayment will normally fall due on 1 January or 1 July of the following year of your graduation. If you have not received the notice of commencement of repayment and/or demand of repayment within 6 months after your graduation or the course has officially ended, you should notify the SFO in writing immediately.

2. The loan borrowed by you and the interest accrued thereon are repayable in 15 years (‘Repayment Period’) by 180 equal monthly instalments, or in a shorter Repayment Period by equal monthly instalments as agreed by the SFO. Whereas if as determined appropriate by the SFO, the loan borrowed and the interest accrued thereon are repayable within the Repayment Period by equal quarterly instalments.

3. If you cease to be registered as a full-time student or withdraw or are suspended from or defer your studies in the course or you have not completed the course for any reason, you are required to notify the SFO in writing immediately and repay the loan in one lump sum or by equal instalments, and if by instalments over a revised Repayment Period, and also interest to accrue on the loan at the rate of 1% per annum. The length of the loan Repayment Period, its commencement date, and repayment arrangements shall be decided by the SFO.

4. Monthly repayment instalments will normally fall due on 1st of each calendar month each year. Monthly demand note will be issued 14 days before each due date as far as practicable in electronic form. If you do not receive demand note 7 days before each due date, you should contact the SFO without delay.

5. Non-receipt of demand notes or electronic notifications for repayment does not exempt you from the obligation to repay the instalment due on or before the due date; if the repayment is not made on or before the date the instalment becomes due, you will be required to repay with the Government of the Hong Kong Special Administrative Region (‘Government’) the amount of the overdue instalment together with a surcharge as set out in paragraph 10 below.

6. Within the Repayment Period, you can put up request to change the Repayment Period. The request should be put up 14 days before the due date of the upcoming instalment so that the revised repayment schedule will take effect in the upcoming instalment. If you fail to put up your request by the above mentioned deadline or your loan is currently under deferment, the effective date of your requested extension or shortening of Repayment Period will be postponed accordingly. Request could be made in writing by post, fax or email. Verbal request will not be accepted. For request by post, the postmark date on the envelope will be regarded as the date of request. Underpaid mail items will not be accepted. Please ensure your mail items bear sufficient postage before posting. For request by fax or email, the date of the fax or email received by the SFO will be regarded as the date of request. You have to repay your instalments according to the original repayment schedule until the revised repayment schedule takes effect.

7. Interest at a rate of 1% per annum shall be charged on the loan borrowed by you from the commencement date of the loan Repayment Period. You may have a rough estimation on the repayment amount by referring to the repayment calculator made available in the “SFO E-link” at https://e-link.wfsfaa.gov.hk.

8. Interest of each monthly instalment is the interest accrued for the month immediately preceding the instalment due date.

9. Each instalment amount (instalment loan principal and instalment interest) shall not be less than $100.

10. If you fail to repay the loan or interest or any part thereof when it becomes due, you will be required to repay with the Government the overdue amount together with a surcharge at the rate of 5%.
Part III – Appendices

11. With a view to facilitating better financial management of loan borrowers, loan borrowers who have obtained TSFS loans and without any loan accounts repaying with quarterly repayment arrangement under different financial assistance/loan schemes administered by the SFO are required to repay their TSFS loans by monthly instalments. In case you have loan accounts repaying with quarterly repayment arrangement under different financial assistance/loan schemes, the above monthly repayment arrangement will not be applicable until further announcement by the SFO. Meanwhile, the quarterly repayment arrangement will be applicable to all of your loan accounts under different financial assistance/loan schemes.

12. If you wish to make early repayment of the loan, a request should be put up in writing by post, fax, email or via the “SFO E-link” (https://e-link.wfsfaa.gov.hk). Verbal request will not be accepted. For request by post, the postmark date on the envelope will be regarded as the date of request. Underpaid mail items will not be accepted. Please ensure your mail items bear sufficient postage before posting. For request by fax, email or via the “SFO E-link”, the date received by the SFO will be regarded as the date of request. Normally you have to settle the early lump sum or partial repayment demand note in full within 14 days from the issue date of the concerned demand note. If you fail to repay the early lump sum or partial repayment demand note when it becomes due, surcharge incurred due to such late repayment shall be calculated in the same way as set out in paragraph 10 above.

(i) For early lump sum repayment of the loan, the repayment amount shall include all outstanding principal, interest and surcharge (if any).

(ii) For early partial repayment of the loan, the repayment amount shall not be less than an amount decided by the SFO (currently set at HK$5,000) or the total of one repayment instalment, whichever is greater.

(iii) Interest of early repayment is calculated as follows:

<table>
<thead>
<tr>
<th>Loan Account Status</th>
<th>Early lump sum repayment</th>
<th>Early partial repayment</th>
</tr>
</thead>
<tbody>
<tr>
<td>Before commencement of repayment</td>
<td>Interest will not be charged</td>
<td>Interest will not be charged</td>
</tr>
<tr>
<td>During the repayment period</td>
<td>Interest will be charged up to the preceding day of the date of request</td>
<td>Interest will be charged up to the preceding day of the due date of the forthcoming instalment</td>
</tr>
</tbody>
</table>

(iv) You are advised to submit a request for early partial / lump sum repayment of TSFS loan after careful consideration. If you cancel and make another request for early repayment of loan within the same month, the SFO may consider not accepting the second / revised application. If you have fully settled the early partial / lump sum repayment demand note, cancellation request to ask for refund of the sum of early partial / lump sum repayment will not be accepted.

13. Any partial repayment made by you which does not discharge in full any amount due and payable shall be applied in or toward the discharge of: firstly the surcharge, secondly (any balance thereof) the interest, thirdly (any balance thereof) the overdue principal portion of the loan and finally all costs incurred by the Government for the recovery of the overdue amount.

14. For repayment by post, the postmark date will be regarded as the repayment date for the purpose of charging the surcharge. Underpaid mail items will not be accepted. Please ensure your mail items bear sufficient postage before posting. For repayment via internet online banking payment services, the actual date the bank effects its payment will be regarded as the repayment date for the purpose of charging surcharge.

15. Any repayment or overpayment made by you before the instalment due date will be applied to repay the forthcoming instalment(s) according to the repayment schedule until the amount is exhausted. Interest payable for those instalments will not be reduced or exempted.

16. Loan borrowers are required to make repayments on time. If you plan to leave Hong Kong on or before the repayment due date, you are required to make prior repayment arrangement before leaving Hong Kong. If you intend to leave Hong Kong for a period longer than 3 months or to emigrate, you are required to notify the SFO immediately. Upon receipt of such notification, unless the SFO has otherwise come to an agreement with you concerning the repayment schedule of the loan or unless the SFO is satisfied that you shall be able to continue to repay the loan based on the original...
Part III – Appendices

17. If you are bankrupt, and/or have applied for IVA, and/or are aware that legal proceeding(s) has/have been started (or are pending or being threatened) against you for your bankruptcy or for the appointment of a receiver, administrator, administrative receiver, trustee or similar officer over any or all of your assets, you are obliged to notify the SFO in writing immediately.

18. You and your indemnifier are required to notify the SFO immediately in writing of any change of your or your indemnifier's correspondence address or other contact information, including mobile number, email address or fax number. For any changes in correspondence address, you are required to provide together with a copy of documentary evidence showing your address in the past 3 months. Documentary evidence of address should be letters issued by government bureaux/departments, public organisations/utilities or commercial organisations. If necessary, you may be required to produce the documentary evidence in originals. You should use the amendment form [TSFS/IDM/INFO/E] for change of indemnifier’s personal particulars. The amendment form can be downloaded from the SFO website at http://www.wfsfaa.gov.hk/sfo/pdf/common/Form/tsfs/TSFS_IDM_INFO_E.pdf.

19. Under normal circumstances, applicant should apply for review within 3 weeks from the date of issue of notification of result. However, if there is a substantial change to the family and financial circumstances after the submission of the application form, which the applicant considers may significantly affect the support that he / she may obtain from the family, he / she may seek for a review of the amount of assistance that he / she has already obtained. - on or before 31.3.2020, whichever is later.

Full-time students pursuing recognised post-secondary education programmes may apply for financial assistance under the TSFS. If an applicant is eligible to apply for financial assistance under the TSFS, he will generally be excluded from the CSSA Scheme. The SWD will include post-secondary students in CSSA families in the calculation of rent allowance with effect from April 2014, so that the amount of special grant to cover rent for the CSSA families will not be affected if they have members receiving post-secondary education. If an applicant has financial difficulties in the period between cessation of CSSA and disbursement of financial assistance from the SFO, he / she may approach staff of the concerned Social Security Field Unit under the SWD for assistance. Under the special arrangement, CSSA can continue to be paid to the student in need on a “loan” basis. In other words, the applicant has to refund the CSSA payment for that period once he / she receives financial assistance from the SFO.
(37) My father has a personal loan of $60,000 and has been making monthly repayment to the bank. Can the amount for repayment of loan be deducted from family’s incomes? Can the loan incurred by my father be deducted from the total amount of family’s asset as well?

(38) An applicant’s father has got some deposits, which are not his incomes, in his bank account. Does the applicant need to provide information about those deposits and how to report the information?

To ensure that the financial circumstances as reported in the application are true and complete, the SFO will make enquiries on transactions shown in bank statements. To speed up the processing of the application, it is advised that you should give explanations beside the transactions and provide documentary proof as far as possible, in particular for an amount of $100,000 or more (which may be fixed deposits); any other deposits of odd cents (which may be interest from time deposits or dividends from stocks and shares); and other regular cash / cheque deposits (which may be contributions / remittance from relatives or incomes from part-time jobs). If situation warrants, the SFO may still have to ask you for clarifications and documentary proof on the bank transactions.
